HURRAH for THOMAS A. SMITH!

CORN was quoted at 54 cents Friday.

JACKSON'S money could not buy Kent county!

JOSH. MILES did nobly in the "black belt."

OLD Queen Anne's as usual covered herself with glory.

THE NEWS predicted 100 majority for Smith in Kent and he gets 62!

SENATOR GORMAN said there would be some big surprises! Right, Senator.

KENT'S majority is small compared to our neighbor's over the river, but it means just as much of party loyalty.

KENT County Democrats voted early and put their stamp upon Rooseveltism. It was a stunner to the Jackson leaders here.

THE colored people certainly deserve great credit for the good order maintained during the election, day and night.

ADDICKS lacks five votes of a majority in the Delaware Legislature. He says he is not broke andwill finally reach his goal in the United States Senate!

IT appears that Maryland has elected one Democratic elector—ex-Gov. Brown and seven Republican electors, majorities ranging from 126 to over a thousand.

JACKSON telegraphed to Baltimore Wednesday noon: "returns not all in yet." He hadu't heard from Fred. W. at Rock Hall. Uncle Billy has heard now, and he is heart-broken in learning that TOM SMITH paralyzed his barrel!

EVERY district in Kent did so well that it would be unfair to particularize. Money was scarce as "hen teeth" but the Democratic voters, old and young, were solid for the nominees and needed no pursuading to do their duty.

THE great victory in Kent Tuesday was a surprise to both parties especially to the Republicans as they had plenty of money and felt confident of winning. Cleveland carried this county in 1884 by 104 and in 1888 by 25, since which time it has swayed to and fro but it is now anchored to Democracy and should remain there.

THIS talk about contesting Congressman Smith's seat is all bosh and is below the thought of any honest thinking man. If such an outrage is perpetrated on the people of this Shore then woe to the party who does it. Mr. Smith has beaten Mr. Jackson in a fair and legitimate contest and the defeated candidate should be man enough to abide by the will of the people.

THE Democracy still lives to champion the cause of the common people against monopoly and greed! It has been defeated before but is yet tough and vigorous.

Great as Mr. Roosevelt's majority in the electoral college is, it is by no means unprecedented.

In 1820 James Monroe received 231 electoral votes to one cast for John Quincy Adams, a majority of 230.

In 1840 William Henry Harrison received 234 votes to 60 for Martin Van Buren, a majority of 174.

In 1852 Franklin Pierce received 254 votes to 42 for Winfield Scott, a majority of 212.

In 1864 Abraham Lincoln received 212 votes to 21 for George B. McClellan, a majority of 191.

In the election of 1872 Grant received 286 votes, while 80 Greeley electors were chosen whose votes were divided when the college met by reason of Greeley's death, Grant's majority being 206.

This was followed by a Democratic victory—Sam'l J. Tilden.

### YOUTHFUL THIEVES.

**A Fifteen Year Old Boy Steals a Horse From Mr. John Rowan.**

Last Saturday afternoon, Sheriff Biddle received a telephone message from Cecilton, saying that a fifteen year old boy named Wm. Palmer, who had been working on the farm of John Rowan, near Earleville, had stolen one of Mr. Rowan's horses, that morning and rode away, and was reported to be going in that direction. Deputy Sheriff McAllister started out, and learned that the boy had passed through Cherry Hill about ten minutes ahead of him. He drove fast and came up to him at Marshallton, Del. He was arrested and consented to return to Cecil county, and has since been confined in Elkton jail. The lad came from Atlantic City, and that is where he was bound, according to his statement. He says he had no money and wanted to go home, and only intended to ride as far as Wilmington, Del.; that he had no idea of stealing the horse, and would have returned it.

MARYLAND is surely uncertain on election day. Last year it went Democratic by 13,000 and this year Republican by 126.

THE Kent county teachers association will be held in Chestertown on Wednesday, Nov. 23, 1904, at the Chestertown school building. The session will be from 9.30 to 1 o'clock.

### THE GREAT ISSUE.

The election for 1904 is over, but there is a question not settled and it will not be settled until the American people are aroused to appreciate its importance much more than at present. The tariff fades into oblivion, the question of imperialistic policy amounts to but little when compared to the great issue of BRIBERY! Each year it becomes worse and its corrupting influence is entering into all walks of life. The fundamental question of right or wrong is involved and it is the duty of every citizen to take a stand for the portentous, grave and supreme issue of HONESTY or corruption, of a free election by the people or a corrupt purchase by the trusts or any other class of men! All parties are guilty of this corruption and it will never cease until men rise to a higher plane of conduct and the people to a better appreciation of their privileges.

What is needed is men who repudiate it, put it down, attack it, trample upon it and arouse their fellow itizens agains it regardless of consequences to them selves The condition of affairs are well portrayed by Hon. Isaac L. Straus when he likens it to the moral of old Beaumont and Fletcher:

"Corruption is a tree whose branches are
Of an unmeasurable length; they spread
Everywhere and the dew that drops from thence
Hath infected some chairs and stools of authority."
