Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.

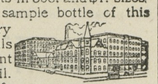

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and $1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

"LIFE IS WHAT WE MAKE IT."

Let's oftener talk of noble deeds,
And rarer of the bad ones,
And sing about our happy days,
And not about the sad ones
We were not made to fret and sigh,
And when grief sleeps to wake it,
Bright happiness is standing by—
This life is what we make it.

Let's find the sunny side of men,
Or believers in it;
A light there is in every soul
That takes the pains to win it.
Oh! there's a slumbering good in all
And we perchance may wake it;
Our hands contain the magic wand;
This life is what we make it.

Then here's to those who loving hearts
The light and joy about them!
Thanks be to them for countless gems
We ne'er had known about them.
Oh! this should be a happy world
To all who may partake it;
The fault's our own if it is not—
This life is what we make it.

The Kind You Have Always Bought

Bears the Signature of Chas. H. Fletcher.

THE farmers of Northern Texas are reported to be so busy plowing their fields for the next cotton crop that they have no time to attend meetings for discussion of insect pest, how to reduce the size of the crop or how to keep up prices. Meanwhile in Fall River, Mass., with two feet of snow on the ground, the spinners and the manufacturers are unable to reach an understanding and the mills stand idle. And now comes Sir Alfred Jones, who presided at the British cotton Growers' Association in Manchester a few days ago, and says the day will come when America will be dependent upon the cotton growing fields of the British empire.

FURS! FURS!

There are but very few jokes better than the one concerning the fur trade and it being a regular skin business, and yet is it not a fact in more ways than one? Furs are bought and sold "on honor" by the great public; none but an expert being able to tell much about them. If you buy furs at a reliable store you will get your money's worth. Our furs are sold with guarantee. Your money back if they are not as we recommend.

Ladies' Tailor-Made Suits and Separate Skirts. We carry a full and up-to-date stock in this line.

MILLINERY!

Our business in Millinery has steadly increased now we are the acknowledged leader. Our trimming is done by a city expert who is under agreement to spend a certain time in New York before each season begins and this is sufficient guarantee that our styles are right. Our prices are cut as low as possible and we invite a comparison of prices at all times.

Your patronage is solicited.
