WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift s the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

Mrs. Chas. F. Brown

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill-health, painful or irregular menstruation, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. Chas. F. Brown, Vice-President Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

Dear Mrs. Pinkham:—

"For nine years I dragged through a miserable existence, suffering with inflammation and falling of the womb, and worn out with pain and weariness. I one day noticed a statement by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Vegetable Compound, and I determined to try it. At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Compound built up my entire system, cured the womb trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me."

Women who are troubled with painful or irregular menstruation, backache, bloating (or flatulence), leucorrhœa, falling, inflammation or ulceration of the uterus, ovarian troubles, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound,

A Puzzle.—The following composition was placed upon the blackboard, at a certain teachers institute out west. A dictionary was offered as a prize to the teacher who could read it and pronounce every word correctly. Take it as an example of examinations in schools now in progress. Twelve was the lowest number of mistakes in pronunciation, Our teachers will do better than that. Pronounce each word as you think right, and then get your dictionary and see if you make a mistake.

"A sacrilegious son of Belial who has suffered with bronchitis, having exhausted his finances in order to make good the deficit, resolved to ally himself to a comely, lenient and docile young lady of the Malay or Caucasian race. He accordingly purchased a calliope and coral necklace of a chameleon hue and securing a suite of rooms at a principal hotel he engaged the head waiter as his coadjutor. He then dispatched a letter of the most unexceptional caligraphy extant, inviting the young lady to a matinee. She revolted at the idea, refused to consider herself sacrificed to his desire and sent a polite note of refusal, on receiving which he procured a carbine and bowie knife, said that he would not now forge letters hymeneal with the queen and went to an isolated spot, severed his jugular vein and discharged the contents of the carbine into his abdomen.'

The mistakes in pronunciation were made on the following words: sacrilegious, belial, bronchitis, exhausted, finances, deficit, comely, lenient, docile, malay, calliope, chameleon, suite, coadjutor, caligraphy, matinee, sacrificable, carbine, hymeneal, isolated and jugular. Try it friend Editors, and see if you would have won the prize.

FLORIDA.

The second Pennsylvania Railroad tour of the season to Jacksonville, allowing two weeks in Florida, will leave New York, Philadelphia, Baltimore and Washington by special train on February 14.

Excursion tickets, including railway transportation, Pullman accomodations (one berth) and meals *en route* in both directions while traveling on the special train, will be sold at the following rates: New York, $60.00; Trenton, $49.00; Philadelphia, Harrisburg, Baltimore and Washington, $48 00; Pittsburg, $35.00; and at proportionate rates from other points.

Similar tours will be run February 28.

For tickets, itineraries, and other information, apply to ticket agents, or to George W. Boyd, General Passenger Agent, Broad Street Station, Philadelphia.

Always liberal to Churches.

Every church will be given a liberal quantity of L. & M. paint. Call for it.

4 gallons Longman & Martinez L. & M. Paint mixed with three gallons linseed oil, will paint a house.

W. B. Barr, Charleston, W. Va. writes, "Painted Frankenburg block with L. & M. stands out as though varnished."

Wears and covers like gold.

Don't pay $1.50 a gallon for linseed oil, which you do in ready-for-use paint.

Buy oil fresh from the barrel at 60 cents per gallon and mix with L. & M.

It makes paint cost about $1.20 per gallon. Sold by Smith & Graham, Chestertown; F. H. Harper & Son, Still Pond; J. W. Ivens, Worton.

EARLEVILLE NOTES.

Snow, beautiful snow, yes, but it does not seem so beautiful when we see it packed solid in the road beds and over fences and hedges, this first district of Cecil county has its share of snow, many places it is in banks 10 to 15 feet high in very few places can a traveler get near a road, the road from Cecilton to Chesapeake City is entirely closed, thence to Elkton no banks are encountered. Our mail reaches here many hours late and only one trip daily.

Cards have been received by friends here and at Elkton to the marriage reception of Miss Agnes Janette, daughter of Mr. and Mrs. James A. Jamison and Mr. Delaney Wilhelm which will take place at the home of the bride on Wednesday evening, March 1st.

Mr. Andrew J. Woodall who has been sick for some time is much better at this time.

Isaac Taylor spent part of last week in Baltimore.

Mr. and Mrs. Thos. Fillingame visited Middletown last Wednesday.

Mrs. Alice DuHamell returned to her home on last Tuesday after visiting her brothers at Elkton.

Virgie Geisinger the twelve year-old ward of Walter W. Woodall is suffering very much with rheumatism, the result of an open window over her desk at school during study hours.

Among the many fine calendars we would mention that of the Scott Fertilizer Co., at Elkton, Md., which is a perfect picture of the plant in every detail.

Mr. George H. Woodall was the guest of friends in the first district the past week.

Our old and welcome friend "The Kent News" for Saturday January 28, reached Earleville at 3 o'clock P. M., Wednesday.

It is reported that several animals have been bitten by a rabid dog lately in this vicinity.

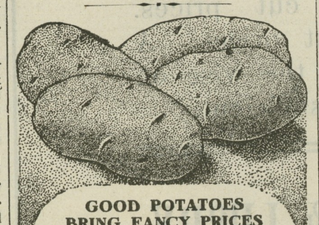

Mr. W. B. Robinson spent part of the past week in Philadelphia.

LYNCH'S ITEMS.

All news of interest is about stagnant at this time as a few teams and a stray car once in a while is all we have seen for ten days. We would rather live in Chestertown about this time if we were already there and fixed up like our kind neighbors Mrs. Edwards and family who by the way express themselves highly pleased and appreciate the kindness shown by Chestertown's patronage shown them in their business. Mrs. E. assisted by her sisters, Miss Kennard and Mrs. Akers are very nice, neat, industrious, worthy ladies who own property but say if they prosper there we need never look for them back as they are well fixed in one of the best locations in town for their business and really supply us yet with the best bread, rolls, pies &c. Mrs. E. also knows how to fry and stew fine oysters, and as soon as weather permits we intend to give her a trial and lastly but not least, we intend to be some of her most valued customers for she has a side room for ladies so exquisitly neat and clean besides a front room for gentlemen. We hope all Chestertown will appreciate her like the writer, who has been her neighbor for 20 years.

Dr. Maxwell, notwithstanding this awful blizzard, has been driving through here on account of the roads being so badly banked at Hague's Hill just other side of Quaker church, to visit his patients at Smithville, he is, or has been attending Mr. Clarence Crew and family who have been ill. They lost their little child lately, so sad to bury it this weather, and we sympathize so much with them. A little break in the sod too tiny to be a grave, but a fond mother's hopes are buried there in that little grave. Dr. Maxwell reports many sick ones in and near Betterton. He is a faithful little doctor and we all love him. The health of Lynch's folks is very good with the exception of Mr. J. W. Copper.

Tell Mr. John Welch when he has another blizzard to get stuck at Lynch's as we have several big turkevs we are acking to roast, and see what his friends here will do to please him. We will guarantee Mr. Hepbron Casey and all his friends here will help the ladies to prepare him a fine lunch party, but guess Mr. W. would not like to give us the chance.

FEMALE WEAKNESS

542 1-2 Congress St.
PORTLAND, MAINE, Oct. 17, 1902.

I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina Snow
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a $1.00 bottle of Wine of Cardui today.
