RAY PEACH.

A Special New Variety—That has been thoroughly tested.

Ray—This peach is of the Chinese strain, a remarkable grower, so much of it is noticeable in the nursery from other varieties. It ripens just after Troth's Early; size of Belle of Georgia or Moore's Favorite; white flesh with red blush; a shipper. The original tree has borne 16 successive crops without a single miss, and the small orchard of 264 trees, budded from same tree, 7years old, has borne 4 successive crops that have netted over ($2,200) twenty-two hundred dollars. We have the exclusive stock of this variety, the first that has ever been offered, which we furnish at double price of regular variety of peach.

BLACK-DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If yours does not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHELLE, GA., Jan. 30, 1902. Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 20 per cent. better.

SECRET SOCIETIES.

History of the Rock Hall Orders—Good Work Being Done—Great Benefit to Kent County.

These fraternities are often objected to because they are secret. We admit they are secret, but what of that? Every first class organization has secrets, and those who belong to them are pledged to keep such secrets inviolate. Such Such secrets consist of pass words, grips, signs, emblems and the way of exemplyfying them. Have they not as much right to their secrets and their import, as has the church and family to their secrets and their import?

The family has secrets that the world can never know. The world is not to be engaged in the various plans and operations of the family, nor is it to be consulted and advised with as to the intentions and work of the family.

The church has its secrets in its plans of work and no sane person expects the votaries of the world to enter into the spirit and experience of those plans, for such spirit and experience are secret. The Great Master has beautifully set forth our position in the following quotation. "To him that overcometh will I give to eat of the hidden mana and I will give him a white stone, and in that stone a new name written, which no man knoweth, saving he that receiveth it."

The mysteries of the secret societies which have been unfolded to the membership and retained by them, qualifies them for fellowship with each other in the uplifting of moral character just as Christian fellowship is an uplift to high and noble aspirations and purity of life.

The Secret Societies do not profess to take the place of the church. They make no pretention to renovate or sanctify the heart, but they firmly believe that their teachings oft imes act as a forerunner, and prepares the heart for an indwelling of the Divine Spirit. These societies claim to be, and justly so, hand maids of religion, helpers to the church. They have a just right to their secrets and the use of them, every family has its secrets and no one has a right to curtail them. So it is with secret societies and verily so believe hundreds of Kent Countians who are honored men and women, and doing vastly more for humanity than will ever be known until eternity reveals it, and among these hundreds, are many of the good citizens of Rock Hall and vicinity. In this town there are seven secret benevolent societies as follows:

Knights Of Pythias.

This order was first established in 1871, but owing to factionalism, strife, and lack of central location, in a couple of years it became defunct. But the seed of Pythianism had been sown in hearts that were true, and in 1875 the Lodge Chesapeake No. 68, was resuscitated by the Grand Lodge officers, assisted by members of the Order from Chestertown, Chesterville and Still Pond. There were about 20 members of the new charter and the place of meeting was in Wilkin's Hall, in South Rock Hall.

Friendship, Charity and Bravery, the mystic trio, of the Orders motto was a prominent feature in the everyday life and character of the reinstated members, as a consequence, the Lodge grew and thrived and in 1876 the place of meeting being too inadiquate for the lodge purposes, the membership built a new hall in the village proper, where prosperity, numerically, financially and otherwise still continued, and in 1886 it became necessary to build a more commodious and up-to-date hall on a lot purchased from Dr. Sharp. This building was destroyed in the big fire seven years ago, with commendable enterprise 80 members on the roster, $800.00 insurance and $1200.00 in bank, a more magnificient temple took the place of the former immediately. Since which time the Order has held its own. They have lost 9 members by deaths and have now 69 members. They pay about $3.00 per week sick benefits, and $80.00 funeral benefits. On the death of a member's wife, the husband is paid a benefit of $25 00. The widows and orphans are faithfully cared for. They have expended for relief, care of sick, burial of dead and succoring the widow and orphan about $5,000 and still have a comfortable sum in bank and treasury, they own their building from which they derive a good income. Their fees are from $10 00 up, according to age and the dues are $6.00 per annum. The present officers are C. C., Arthur W. Cannan; V. C., Henry Urie; K. of R. & S., Frank A. Schreck; Treas. Jeff. D. Ayres.

The Knights of Pythias is an organization of more than 400,000 members, and has expended for relief &c. many millions of dollars. Their relief has not been confined to their own household, but has extended far beyond their border.

I. O. O. F.

In 1819 a fraternal tree was planted in Baltimore city, which today numbers more than 12,500 branches, one of which is Maxwell Lodge No. 27 I. O. O. F. instituted at this place, May 11th, 1891 by the Grand Officers of Md., assisted by members of the Order from Chestertown. There were five charter members. J. T. Stevens, Abram Casey, G. A. Scoon, J. W. Boyer and J. R. Ryan, who had withdrawn from monumental Lodge No. 14, of Baltimore, for the purpose of establishing a Lodge here. They now number about 60 members. They have lost by death 7
