Is it right?

Is it right that a property-owne should lose $4.20 to let a dealer make 50 cents? A dealer makes 50 cents more on fourteen gallons of ready-for-use paint, at $1.50 per gallon, than our agent does on eight gallons of L. & M. paint and six gallons of linseed oil, which make fourteen gallons of the best paint in the world, at $1.20 per gallon; the property-owner loses just $4.20. Is it right?

It only requires 4 gallons of L. & M and 3 gallons linseed oil to paint a moderate sized house.

Ten Thousand Churches painted with Longman & Martinez L. & M. Paint, and are most attractive.

Liberal quanity given to churches when bought from Smith & Graham, Chestertown; F. H. Harper & Son, Still Pond; J. W. Ivens, Worton.

A Duty Women Owe Themselves.

"Good actions speak louder than words," so too, does the testimony of many thousands of women during a third of a century speak louder than mere claims not backed by a guarantee of some kind. That is the reason why the proprietors of Dr. Pierce's Favorite Prescription are willing to offer $500 reward for women who cannot be cured. Such a remarkable offer is founded on the long record of cures of the diseases and weaknesses peculiar to women. If there is an invalid

woman, suffering from female weakness, prolapsus, or falling of womb, or from leucorrhea who has used Dr. Pierce's Favorite Prescription without complete success, the proprietors of that medicine would like to hear from such person—and it will be to her advantage to write them as they offer, in perfect good faith, a reward of $500 for any case of the above maladies which they cannot cure. No other medicine for woman's ills is possessed of the unparalleled curative properties that would warrant its makers in making such an offer.

Mr. J. M. Johnson, of Blackstone, Va., Box 64, writes: "We heartily congratulate the wonderful discoverer of the great family medicines put up in your laboratory. My wife has been more than once almost brought from the grave by using Dr. Pierce's great remedies. There is nothing better for female troubles than the 'Favorile Prescription,' nothing better for constipation than Dr. Pierce's little Pellets; and the 'Golden Medical Discovery' cannot be excelled by anything for heart trouble, of which we have used with great benefit more than once."

When the druggist says he has something that is as good as Dr. Pierce's Favorite Prescription, just tell him, "There's nothing just as good." He says so because he hopes to make a better profit but his own mixtures have not stood the test of long experience and success that Doctor Pierce's medicines have. Then, too, many patent medicines advertised as tonics, contain large quantities of alcohol. Dr. Pierce guarantees that his "Prescription" does *not* contain a particle of alcohol.

It is a good thing to keep Dr. Pierce's Pleasant Pellets in the house. One Pellet is a laxative, two a mild cathartic.

LEGAL ADVICE.

Brief Forms of Business Law Which Everyone Should Know.

Believing that every man, woman and child should acquaint themselves, as far as possible, with business forms and law, THE NEWS will publish in brief form legal advice bearing upon business of every day occurence.

To the man involved in litigation the best advice is to go to the best lawyer he can find. But an ounce of prevention is worth a pound of cure and the purpose of these articles is to furnish the ounce of prevention. Knowledge is power in nothing so much as in business law, especially as the law presumes no man is ignorant of the law.

Business Law in Brief.

Ignorance of the law excuses no one, It is a fraud to conceal a fraud.

The law compels no one to do impossibilites.

An agreement without consideration is void.

Signatures made with lead pencils are good in law.

A receipt for money paid is not legally conclusive.

The act of one partner binds all the others.

The seal of a party to a written contract imports consideration.

A contract made with a minor cannot be enforced against him. A note made by a minor is void.

A contract made with a lunatic is void

A contract made on Sunday is void.

Principals are liable for the acts of their agents.

Agents are liable to their principles for errors.

Each individual in partnership is liable for the whole amount of the debts of the firm.

A note that does not state on its face that it bears interest, will bear interest only after it is due.

A lease of land for a longer term than one year is void unless in writing

An indorser of a note is exempt, from liability if notice of its dishonor is not mailed or served within twenty-four hours of its non-payment.

In case of the death of the principle maker of the note the holder is not required to notify a surety that the note is not paid, before the settlement of the maker's estate.

Notes obtained by fraud, or made by an intoxicated person, are not collectable.

If no time of payment is specified in a note it is payable on demand.

An indorser can avoid liability by writing "without recourse" beneath his signature.

A check indorsed by the payee is evidence of payment in the drawer's hands.

An outlawed debt is received should the debtor make a partial payment.

Want of consideration—a common defense interposed to the payment of negotiable paper—is a good defense between the original parties to the paper; but after it has been transferred before maturity to an innocent holder for value it is not a defense.

Negotiable paper, payable to bearer or indorsed in blank, which has been lost or stolen cannot be collected by the thief or finder, but a holder who receives it in good faith before maturity, for value, can hold it against the owner's claims at the time it was lost.

Sometimes the holder of paper has the right to demand payment before maturity; for instance, when a draft has been protested for non-acceptance and the proper notices served, the holder may at once proceed against the drawer and indorsers.

If a note or draft is to be paid in the State where it is made, the contract will be governed by the laws of that State. When negotiable paper is payable in a State other than that in which it was made, the laws of that state will govern it. Marriage contracts, if valid where they are made, are valid everywhere. Contracts relating to personal property are governed by the laws of the place where made, except those relating to real estate, which are governed by the laws of the place where the land is situated.

If negotiable paper, pledged to a bank as security for the payment of a loan or debt, falls due, and the bank fails to demand payment and have it protested when dishonored the bank is liable to the owner for full amount of the paper —Cent. Observer.

The Cause of Many Sudden Deaths.

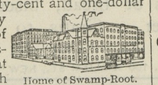

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root,** the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co. Binghamton, N. Y. When writing mention reading this generous offer in this paper.
