Hubbard's Fertilizers!

After a successful experience of 60 seasons in the manufacture of Fertilizers, we confidently refer you to our record, and earnestly solicit your patronage, and the fact we do more business all the time certainly ought to convince the most skeptical that our goods have superior quality and absolute uniformity and purity.

Are you going to grow Potatoes? Well, we manufacture a Special Potato goods that has been used in New Jersey for 20 years in competition with Mapes' and goods that cost $10.00 more per ton. This goods runs 10 per cent. Potash, and there is no better made, and one man from New Jersey has his orders in already for over 60 tons. Try it.

To Top Dress Your Hay this month. We have a cheap goods for this that works wonders.

There Are Your Peach Trees that should be helped, and you should use our FRUIT GROWER. We have told you before of its merits, and so can those who have used it. Just think, two cents per tree to dress them.

Asparagus—Are you going to do anything to it this spring? If so, we have a specially made goods for this purpose. Such men as James Bell, H. H. Klinefeter, C. H. Crew, John P. Nicholson and scores of others can tell you what it has done for them. It has Nitrate and fish as the source of ammonia, and runs high in Potash and Phosphoric Acid.

For Corn, use our Special CORN PHOSPHATE. Corn is a good price! You fertilize your wheat, why not your corn? it will pay. Mr. Ham. Crew says our Corn Phosphate beats them all. We sell hundreds of farmers this goods every year. Mr. I R. Leaverton used last year several hundred dollars worth with the greatest success and buys again this year.

FOR TOMATOES

Well, you have heard of our PEERLESS TOMATO goods. It is a wonder. We confidently believe that we sell more Tomato goods than any concern in the country. Don't mean we sell more Phosphate, but more Tomato Fertilizer. Mr. C. R. Atkinson says Numsen claimed best tomatoes brought to his cannery was grown with this goods. He paid him $287.00 from 4 acres. Mr. D. F. Louse says one ton of this goods alongside an $18.00 brought him $96.00 more. Smith, Rouse and Webster, the large canners of Belair, heard of its merits, and bought of us.

We sold Baker & Morgan on one occasion $1200.00. We have several $1,000 customers in Delaware. Mr. J. R. Leager says he got 13 tons to the acre. Mr. Benj. Moore says he got nearly 13 tons, and that you could stand off a hundred yards and see the difference. Mr. G. W. Collins has bought as high as 50 tons per year, says his men on the choice farms got from 12 to 16 tons per acre. Mr. W. T. Money, unsolicited, said to us some time ago: I would like to know how Peerless is made, for I honestly think it is the best Phosphate I ever saw.

Now if you want to sow OATS, or top dress your STRAWBERRIES, plant SWEET POTATOES or need a goods for TRUCK or want anything in the FERTILIZER line please call on or correspond with us before making your purchase.

A GREAT AFFAIR!

Although the International Christian Endeavor Convention, which meets in Baltimore July 5 to 10, is scarcely three months off, the thousands of delegates from all parts of this and foreign countries, are eager in their efforts to secure desirable head quarters while attending the convention. The Maryland delegates, who will probably number 10,000, will have their headquarters at Northministers Presbyterian Church, on the corner of North avenue and St. Paul streets. It will be here, that the delegates from every society in the state including those from this county, will be expected to register, and secure the convention privileges, upon the contribution of $1, for one share of the convention stock. This small fee, which is an entirely new feature, will entitle the delegate or the person so registering to a souvenir certificate of stock bearing the autograph of the 17 members of the "Committee of 1905." The other states and countries which will be Vermount, Mexico and South America.

Every State in the Union, and foreign countries, have been assigned to headquarters in some evangelical church in the convention city.

The headquarters of the juniors, who are to give a grand rally on the afternoon of July 6, in the Fifth Reg. Armory, will be in Brown Memorial Presbyterian Church. At least 1500 juniors are now being trained for the rally, and it will be one of the most interesting features of the convention. Another feature of the convention will be the grand concert of 2000 trained voices, to be given in the Fifth Regiment Armory on the evening of June 30. A singer of note either Nordica, Schumann-Keink or Campanari, will be engaged to render the solo numbers on the program. Mr. Richard A. Harris is chairman of the music committee. During the convention, Mr. Merritt B. Holley of Michigan, will exhibit his wonderful Christian Endeavor museum. The delegates will be given excursions to Annapolis, Washington, Tolchester, Geitsburg, Ocean City, Rehobeth Beach and other places, and at nearly all of them, patriotic and mass-meetings will be held.

It is likely that one or more members of the general "Committee of 1905" will visit several of the societies in this country very soon, and give a complete explanation of the convention affairs.

There are nearly 275 societies in the state.
