HOW WE CATCH A COLD.

A cold is sometimes contracted while remaining enactive for a while in an uncomfortable room or a cold draft and by failing to sleep under like conditions. But most colds are caught while sleeping too cold at night. Deep sleep causes sluggish circulation which renders the system susceptable to change of temperature. To prevent colds sleep under plenty of cover. To cure colds use Rydales Elixir it lessens the severity and shortens the duration of a cold and prevents pneumonia, Bronchitis and Consumption.

A Wonderful Saving.

The largest Methodist Church in Georgia, used 32 gallons of L. & M. mixed with 24 gallons of oil, thus making the paint cost about $1.20 per gallon. They calculated to use 100 gallons of other paint. Saved about $80.00, and also got a big donation of L. & M. Dealers gladly sell L. & M., because their customers call for it, and say they used it 12, 14 and even 30 years ago.

Don't pay $1.50 a gallon for linseed oil, which you do in ready-for-use paint.

Buy oil fresh from the barrel at 60 cents per gallon and mix with Longman & Martinez L. & M. Paint.

It makes paint cost about $1.20 per gallon. Sold by Smith & Graham, Chestertown; F. H. Harper & Son, Still Pond; J. W. Ivens, Worton.

LIVER TROUBLES

"I find Thedford's Black-Draught a good medicine for liver disease. It cured my son after he had spent $100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Thedford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.

"I used Thedford's Black-Draught for liver and kidney complaints and found nothing to excel it."—WILLIAM COFFMAN, Marblehead, Ill.

RYDALE'S TONIC

A New Scientific Discovery for the

BLOOD and NERVES.

It purifies the blood by eliminating the waste matter and other impurities and by destroying the germs or microbes that infest the blood. It builds up the blood by reconstructing and multiplying the red corpuscles, making the blood rich and red. It restores and stimulates the nerves, causing a full free flow of nerve force throughout the entire nerve system. It speedily cures unstrung nerves, nervousness, nervous prostration, and all other diseases of the nervous system.

RYDALE'S TONIC is sold under a positive guarantee.

The SPORTING WORLD

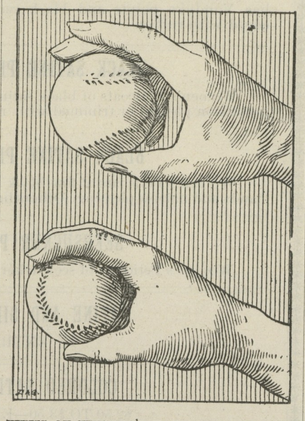

The Mysterious Spit Ball.

Pitcher Jack Chesbro of the New York Americans has created a great sensation with his spit ball, and scores of twirlers are endeavoring to solve its mysteries.

Chesbro describes the method of throwing the ball as follows:

"The principles of the spit ball, by the way, may be well illustrated by the old trick of throwing a child's hoop with a reverse twitch, so that after it has run along the floor with a certain amount of speed it suddenly stops and rolls back again. The spit ball is pitched so that after it has gone a certain distance at great speed the reverse 'English,' so to speak, makes it 'break' or drop away so quickly that it is almost impossible for a batsman to hit it squarely.

"Stovall of the Clevelands once purposely hit a foot under where the ball

VIEWS OF CHESBRO'S HAND WHILE DELIVERING SPIT BALL.

seemed to be about to pass over the plate and knocked it against the center field for a homer.

"But that was luck, don't you know. The spit ball is thrown after wetting the fore and middle fingers with saliva, so that they do not retard the sphere. A twist is applied by the thumb. This wetting the fingers before pitching is going to revolutionize box work. I'll venture to predict that more curves, drops and shoots will be invented in the next five years than anybody has an idea of. I have been experimenting a great deal myself and have already discovered several deliveries that if mastered will put the original spit ball in the shade. But I'll not try any of them until I get control. At Harvard several young men tried to catch the spit ball, with its variations. One had a thumb broken, while another had an egg shaped lump raised on his shin bone that made him limp for a week."

The Britt-White Fight.

Jimmy Britt and Jabez White, the English lightweight champion, met recently in Frisco and signed articles completing arrangements for the international match for the championship of the world.

According to the articles, the men have agreed to fight twenty rounds before Jim Coffroth's Athletic club, where all of the big championship matches have been decided.

The weight agreed upon was 133 pounds at 3 o'clock on the day of the battle. The fighters lost little time in coming to terms. White was represented by Charley Mitchell, while Jimmy Britt and his brother Willie did the talking for the other side.

White has engaged training quarters at Mike Sheehan's Boulevard camp and is hard at work. Mitchell is looking after White in training and hopes to have him in excellent shape for his go with the American.

Hackenschmidt's Career.

George Hackenschmidt, the European wrestling champion who is to meet Tom Jenkins, has a record of wonderful achievements that spreads from England across the continent, overlaps the orient and trails across the antipodes. He has cracked the ribs of the mightiest of the strangle hold specialists of England, France, Turkey, Japan and Australia and has never known defeat. But Jenkins isn't the least bit afraid of the terrible Russian and is chafing with impatience for the bout with Hackenschmidt.

The Fast Filly Flyingdotte.

Flyingdotte, the filly that showed such phenomenal speed in her two-year-old form last year, will join the stable of Charles Marvin at Lexington. She is owned by Lister Witherspoon Versailles. This filly trotted a quarter in 30½ seconds last year. Flyingdotte is about the size of Grace Bond, 2:04¼, and resembles her in other particulars.

Audubon Boy and Ecstatic.

Audubon Boy, 2:03¼, and Ecstatic, 2:05¼, respectively the fastest stallion and mare owned in New England, will meet in a dual race over the New England Breeders' track in Readville on Aug. 24. The match is for $10,000, $5,000 a side. Ecstatic made a splendid campaign last year, losing only one race, her first start at Worcester.

The Strong Portland (Ore.) Team.

Here is Manager McCredie's Portland (Ore.) lineup: Garvin, French, Essick, Jones, St. Vrain, Cates, Gilpatrick, pitchers; McLean, Thiery, Steelman, catchers; Doyle, first base; Schaffley, second base; Atz, shortstop; Runkle, third base; Van Buren, left field; Householder, center field; McCredie, right field; Gleason, utility man.

Tenney Consents.

Fred Tenney has at last consented to play Sunday games for Boston. Roy Thomas of the Phillies remains to fall into line on this question.

PHYSICIANS recommend "Pepsimint," the new granular, effervescent remedy for Indigestion, Dyspepsia, Headache, and Mental Exhaustion. Guaranteed harmless. Pleasant to take. 10 and 25c
