Good Health to the Children

Children especially are fond of dainties, and the housekeeper must look carefully to their food.

As good cake can be made only with good eggs, so also a cake that is healthful as well as dainty must be raised with a pure and perfect baking powder.

Royal Baking Powder is indispensable in the preparation of the highest quality of food. It imparts that peculiar lightness, sweetness and flavor noticed in the finest cake, biscuit, doughnuts, crusts, etc., and what is more important, renders the food wholesome and agreeable to young and old.

ROYAL BAKING POWDER CO., NEW YORK.

In a very short time, action of the heart, ceased and required the efforts of two physicians for a considerable time to restore him. Some time ago, a lady of Richmond, Va., who had been visiting here, went to church, and on her return took a similar remedy which produced death in ten minutes. Cases of this kind ought to be a warning to every one and the law should prohibit the sale, except on prescription, of all coal tar products.—Star Democrat, Easton.

ROCK HALL NOTES.

The easterly wind storm of Thursday evening last week caught many of our fishermen out in the bay with their nets in the water. Quite a number of nets were lost, as it was impossible to boat them. One crew, Marion Downey and Edward Proctor, were blown across the bay into Bull's creek, which caused a great deal of uneasiness here. They reached here on Saturday very much to the joy of their families. It is reported that a fine new bugeye was wrecked by the storm.

Mr. McCloskey, with his traction engine pulled up about 900 peach trees on Saturday last for Mr. Alexander. The work was done in about 6 hours.

Tuesday was the birthday of two of his men, and he treated them to a dish of splendid two-year-old canned peaches.
