## DEMOCRATIC PRIMARIES.

### TO BE HELD SATURDAY, JUNE 10.

Pursuant to the action of the County Executive Committee, the Democratic voters will meet in their respective election districts and precincts on Saturday, June 10th, 1905, between the hours of 2 and 6 o'clock P. M., as follows:

At Millington for the First Precinct of the First Election District.
At Galena for the Second Precinct of the First Election District.
At Kennedyville for the Second Election District.
At Worton for the Third Election District.
At the Court House, Chestertown, for the Fourth Election District.
At Rock Hall for the First Precinct of the Fifth Election District.
At Edesville for the Second Precinct of the Fifth Election District.
At Fairlee for the Sixth Election District.
At Pomona for the Seventh Election District.

for the purpose of appointing ten delegates from each of the Seven Election Districts to meet in Chestertown on Tuesday, the 13th day of June, 1905, at 11 A. M., to nominate.

Two candidates for the House of Delegates,
One candidate for Sheriff,
One candidate for Treasurer,
Two candidates for County Commissioners,
One caddidate for County Surveyor.

The said primary election shall be on the seven district plan and each of the Seven Election Districts of the county shall be entitled to ten (10) delegates each in the county Convention which shall meet to nominate a Democratic county ticket on Tuesday, June 13th, 1905.

All qualified voters of the county who have been recognized as Democrats and whose names appear upon the registration books of the district in which they present themselves, shall be entitled to vote, also all young Democrats who on account of their age, are not now registered, but who will be entitled to registration and to vote at the coming November election, shall be entitled to vote at said primaries.

If there is any contest for the election of delegates in any of the seven election districts of the county and a desire is expressed for a vote, the judges in each district, where the desire for a vote is expressed, shall appoint two clerks and shall open and close the polls at the hour above mentioned.

Upon the closing of the polls at the hour herein directed, the judges shall proceed to count the votes cast, and shall certify to the person receiving the highest number of votes as delegates. Whereupon it shall be the duty of said delegates to proceed to Chestertown on said Tuesday in June, and cast the vote of the district in convention and nominate a county ticket.

Should no desire be expressed for a ballot, then the district meetings may select delegates by a viva voce vote, or by committee nominations. The mode of procedure herein prescribed shall be strictly followed, any other method will not be legal, as this committee has full power so to decree.

CHARLES L. MILLER,
JOS. S. CLARK, Secretary. Chairman.

CHARLES L. MILLER,
Chairman Kent Co. Executive Com.
JOSEPH S. CLARK, Secretary.

NAN PATTERSON has been set free and has signed a contract to play on the stage at $2,000 per week!

THE State Central Committee is called to meet in Baltimore May 25th to fix time for Democratic State Convention.

THE convention held in Chestertown Tuesday did not savor much of harmony nor of conservatism. One of the delegates expressed it truer than he thought when he said, it was certainly a "machine made" affair.

THE policy that ignores any faction of a party has proven fatal in the past and should be abandoned for a broader one that will take in all Democrats. The "rule or ruin" policy has no place in any party and he who practises such should be defeated overwhelmingly.

THE convention on Tuesday was composed of committeemen named in convention two years ago. In this convention the Barroll wing controlled four districts and named 20 of the committee men while the organization had three districts and named 15 committeemen. In recognition of district rights each district delegation named the committee for the respective districts but the committee at its session Tuesday seemed to lose sight of rights of districts and the 19 men representing the Barroll wing assumed to appoint the judges for *all* the districts!

### Cecil Democrats.

The Democrats of Cecil county, in convention, nominated the following county ticket:

Senator—Austin L. Crothers, of Elkton.
House of Delegates—William B. Davis, of Cecilton; Hosea R. Smith, of Appleton; Charles H. Foard, of North East.
Treasurer—W. Arthur Mitchell, of Elkton.
Assistant County Treasurer—George G. Hopkins, of Rising Sun.
County Commissioner (Long Term)—Irvin G. Griffith, Jr., of Chesapeake City.
County Commissioner (Short Term)—Millard F. McDowell, of Port Deposit.
Sheriff—William T. Jenness, of Rising Sun.
County Surveyor—Alfred B. McVey, of Pleasant Hill.
Delegates to the State Convention—John Banks, Charles W. Simpers, Samuel J. Keys and Albert Constable.

It was controlled by friends of Austin L. Crothers, and his nomination for the Senate was made by acclamation.

The ticket nominated is looked upon as a representative one, concessions being made in the interest of harmony.

THE May term of court in Wilmington begins Monday. There are twenty-one cases against the P., B. & W. Railroad Company; 17 against the Wilmington City Railroad Company: 11 against the People's Railroad Company; 5 against the Baltimore and Ohio Railroad Company; 5 against the Mayor and City Council, of Wilmington, and 5 against the Diamond State Steel Co.

### Undemocratic Proceedings.

In another column of this issue will be found the proceedings of the Democratic County Executive Committee, which met in Chestertown on Tuesday last in pursurance of a call made by Mr. William F. Russell, a member of the Committee from the Chestertown, or Fourth District, and who for many years has so efficiently served as its Chairman. A careful reading of the proceedings will disclose some most extraordinary doings on the part of the majority.

The defeat of Mr. Russell for re election as Chairman, an office he did not seek, but had consented to again serve his party in this capacity at the earnest solicitation of many party workers, was done in furtherance of a partizan spirit, which in the subsequent proceedings showed a purpose to ignore party usage and disregard the rights of others.

One of the duties of the Committee was to select Judges and Clerks for the conduct of the Primaries which had been called for June the 10th. For more than twenty five years the Committeemen representing the different districts had been impowered to select the Judges and Clerks for their respective districts, and a motion to this end was defeated, and immediately a *type written* list of two Judges for each district and precinct where Primary Elections were to be held, was produced, and the majority put it through! Can it be fairly and consistantly maintained that the Committemen representing the Second, Third, Fifth and Sixth Districts, after naming the Judges for those districts were better qualified to name the Judges for the First, Fourth and Seventh Districts, than the Committeemen present and representing those districts? Yet this same thing was done, in the face of an open protest from the Committeemen from the three last named districts. The only privilege accorded them was to name the third Judge. These methods may be in accord with the theories of the so-called 'People's Party,' but is not in accord with the principles of the Democratic party. If any doctrine of the Democratic party is more pronounced than others—they are the doctrines of *local self government*, and a decent respect for the rights of a minority.

The clear purpose of the majority, as shown by the *type written* list of two judges to each district and precinct, did not intend to accord to certain candidates any representation in the judges. Mr. Medders in the Second, Mr. Crane in the Fourth, Messrs. Keyser and Morris in the Sixth, and other candidates in other districts, would have been left to the tender mercies of the judges appointed in such a partizan way.

Such acts of blind partizanship are calculated to destroy party unity and endanger party success, and we do not believe the Democracy of this county will stand for it, and already the Democratic people are reckoning the days of the power of the people who are responsible for them.
