MEERSCHAUM PIPES.

A Test by Which to Tell the Genuine From the Spurious.

Once upon a time there was a man who spent eight of the best years of his life coloring a meerschaum pipe, only to find at the end of that period that he had been nursing a piece of "massakopfe" instead of the genuine "ecume de mer." The "massakopfe" is a composition made of the parings of genuine meerschaum and a mineral clay. The parings are triturated to a fine powder, boiled in water and molded into blocks, with or without the addition of clay. Each block is then cut into a bowl, but as it contracts considerably it must be left some time to dry. These bowls are distinguished from the genuine meerschaum by their greater specific gravity, but there is no absolutely certain test by which the real meerschaum can be told from the composition.

In forming a pipe from "ecume de mer" the silicate of magnesia is prepared for the operation by soaking in a composition of wax, oil and fats. The wax and oil absorbed by the meerschaum are the cause of the color produced by smoking. The heat of the burning tobacco causes the wax and fatty substances to pass through the stages of a dry distillation, and, becoming associated with the products of the distillation of the tobacco, they are diffused through the substances of the bowl, producing those gradations of tint which are so much prized. In some cases the bowls are artificially colored by dipping them, before being soaked in wax, in a solution of sulphate of iron, either alone or mixed with dragon's blood.

Good meerschaum is soft enough to be indented by the thumb nail. It yields readily to the knife, especially after having been wetted. There are various densities. Some kinds sink in water; others float on the surface. Those of medium density are preferred by the pipe maker, for the light varieties are porous and even cavernous. Many judges assume that the heavier kinds are spurious, but there is no absolute proof that such is the case. A negative test may be mentioned. The composition bowls never exhibit those little blemishes which result from the presence of foreign bodies in the natural meerschaum. Therefore if a blemish occur in a meerschaum bowl, which is very frequently the case, the genuineness of the bowl is rendered most probable. But as blemishes do not show until after the bowl has been used for some time the test is not of much value.—New York Press.

POINTED PARAGRAPHS.

An old man doesn't care much for jokes.

What's the use of giving advice? People won't take it.

Not many men know if the advice their wives give is good or bad, as they seldom act upon it.

To every man: Know what puts that sad look on your wife's face? Every one suspects that it is you.

Every man who is nearing the end of his days must regret the worry he has given to false alarms all through life.

Do not go too much into details in your conversation. If you touch only the high places you can get over more ground.

When you inquire of a man, "How are you?" he will reply, "Oh" (with a long pause on the "oh"), "pretty well," indicating that he could be a whole lot better.—Atchison Globe.

A Painter's Broken Arm.

A friend once entered the studio of George Inness, the American landscape painter, while he was at work and remarked that the picture on the easel seemed to him much better than certain former works of the artist. "Right!" said Inness. "This is going to be one of my best things, and the reason is that I have had the good luck to break my right arm and am obliged to paint with my left hand. You see," he added, showing his right hand in a sling, "this hand had become so darned clever that I could not catch up with it, and it painted away without me, while this hand"—showing the left, with which he held his brush—"is awkward and can do nothing without me."

Poison In War.

When the French beat the Formosans along the coast in 1881 the latter retired to the interior. When the French pursued them they found a queer line of defense, beyond which they could make no progress and in storming which many died. The Formosans had poisoned the springs, water courses, etc., as they retreated, and the campaigns of the French against them never got farther than the poison line. The poison was a native one, as deadly as arsenic or strychnine.

A Sample of the Sea.

On his return to Cordova from a visit to Mar del Plata, where he had beheld the sea for the first time, Pedro brought with him a bottle containing about an inch of sand from the shore and two inches of salt water to enable his parents, who had never seen the ocean, to form some idea of what it was like. We are informed that his parents were greatly impressed.—Saeta.

His Brethren.

Smart. Pastor—My congregation is made up mostly of fools. Parishioner—Ah, that explains it! Smart Pastor—Explains what? Parishioner—Your habit of addressing them as "beloved brethren."—Cleveland Leader.

Musical.

Violin—I am completely unstrung! That base viol has stolen my beau. Mandolin—It's infamous! He's always picking on me too.—Chicago Journal.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

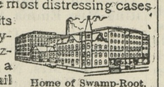

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root,** the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Home of Swamp-Root.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

CORNICIDE

THE RELIEF IS INSTANT

OVER 5000 TESTIMONIALS ON FILE EMBRACING EVERY STATE IN THE UNION

I have found Cornicide the most efficient remedy for corns I have ever used. A. E. HOEN, Richmond, Va.

I used your Cornicide with excellent results. MRS. O. KUNEY, Lewes, Del.

I have used many corn cures, Cornicide is the best I ever tried. GEO. E. WALKER, Wilmington, Del.

Cornicide is better than anything I ever used. H. A. WUNDERLICH, Baltimore, Md.

I think Cornicide is the best thing I ever tried, can't wear shoes without it. MISS LIZZIE HIDLE, Rome, Ga.

SOLE PROPRIETORS THE STAFFORD DRUG CO., BALTIMORE, MD. U. S. A.

FOR SALE BY M. A. TOULSON.

Grove's Tasteless Chill Tonic

has stood the test 25 years. Average Annual Sales over One and a Half Million bottles. Does this record of merit appeal to you? No Cure, No Pay. 50c.

Enclosed with every bottle is a Ten Cent package of Grove's Black Root Liver Pills.

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted *from* disordered Kidneys disappear, because the *cause* has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elnora, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 12 to 20 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefitted.

Two Sizes, 50 Cents and $1.00.
