WHEREAS, The Democratic party of the State of Maryland in convention assembled in Sept. 1903, when the entire state ticket was nominated, announced in the platform which was unanimously adopted, that the white people of the State of Maryland should control the political government of the State, and at the same time disavowed any intention to do injustice to the colored population of the State.

AND WHEREAS, The entire Democratic State ticket was elected in Nov., 1903, and the platform announcing the above declaration with other well-recognized Democratic principles received the unqualified endorsement of the intelligent and well-thinking people at the polls :

AND WHEREAS, The General Assembly of Maryland elected in 1903, passed a bill providing for an amendment to the Constitution of the State regulating the suffrage of the people of the state in accordance with the plank in the Democratic platform declaring the right of supremacy to be vested in the white people of the State :

AND WHEREAS, The amendment mentioned was passed by the Senate and House of Delegates of the General Assembly by a constitutional majority and is now presented to the people of Maryland for its adoption or rejection ;

Be it resolved, That the Democrats of Kent county in convention assembled, do hereby cordially endorse the provisions of the proposed constitutional amendment, and urge all Democrats and all intelligent citizens of the county to give it their support and commendation, being convinced that the safety and integrity of State and county affairs will thereby be assured.

And be it resolved, That the welfare and best interests of the people of Kent county will be preserved and advanced by continuing the direction of the county government in the hands of the Democratic party.

Mr. Charles L. Miller, a member of the committee, reported that he could not see his way to vote on the resolution as he was not quite familiar with the amendment.

Lewin W. Wickes, Esq., in support of the majority report made a forcible speech on the great benefits which the great white people of Kent would receive in voting for this amendment and said it was the duty of every Democrat to support it.

Wood was put in nomination for commissioner from the fifth but an amendment was offered placing Mr. Wm. Wagner in nomination which amendment prevailed by vote of fifty to twenty.

Mr. S. J. Wickes placed Capt. Kerr in nomination for Legislature but he was defeated by 50 to 20 votes by Capt. C. E. Crane.
