ROCK HALL NOTES.

The threatening aspect of Sunday's weather had the effect of keeping quite a number of Secret Benevolent faternity brotherhood from attending Divine worship at M. E. Church, nevertheless, a goodly number did attend who marched in doudle column from the K. of P. Hall to the church. The bodies represented were Knights of Pythias, Odd Fellow, Jr. Order American Mechanics, Patriotic Order Sons of America, Red Men, each man wearing on the left lapel of the coat, a sprig of evergreen. Rev. Mr. Burr, from the text "The Lord hath done great things for us." Psa. 126:3. preached a grand, and edifying sermon on National Blessings under the following plan: 1st. The Lord has done great things for us as a nation in favoring us with the best nation on earth. The best Goverment under the sun. The noblest nation in Prestige, Power and Wealth. 2nd. The means used to bring these blessing to a success is good Citizenship. Fraternity and Philanthropy and the fundamental principal of the Secret Orders, are good but beneath them is needed the great principal, The Fatherhood of God. When this great principal is recognized and the Order principal are lived up to then the membership become good citizens. 3rd. The Church of God is the divine instrumentality through which the nations, blessings come. If there were no churches there would be no Lodges. Then since the church is the mother of Lodges, the attitude of the orders should be to do homage to the church as we do homage to our natural mother. The sermon was well received not only by the Orders, but by all present.
