CHESTERTOWN, MD.

Washington College,

CHESTERTOWN, MD.

The One Hundred and Twenty-fourth Session Begins September 20, 1905.

The college offers three courses of study—CLASSICAL, LATIN-SCIENTIFIC, SCIENTIFIC—each leading to the degree of Bachelor of Arts.

The elective system enables each student to select the studies suited to his particular needs. Two Sub-freshman classes are maintained for the benefit of those who desire a thorough preparation for college.

The Normal Department is recognized by the State as a part of the system of public education. A diploma entitles the holder to teach in any county of the State without examination.

Students are provided with good board and comfortable, well furnished quarters. The buildings are equipped with every modern convenience—steam heat, electric lights, baths.

Here students may pursue their work in a highly moral community, amid beautiful and healthful surroundings, under careful supervision of health and habits at very low rates.

Trolley Through Chestertown.

Within two years time it is entirely possible that a trolley line may be in operation through Salisbury, with a southern terminus at Fenwicks Island, a few miles from Ocean City, which northern capitalists propose to make a rival to Atlantic City. This line is to start at Elkton, Cecil county, where it will connect with long distance lines already constructed or proposed to be for Wilmington, Philadelphia and Baltimore.

The engineer spent several days in Chestertown, Centreville, Easton, Salisbury and Princess Anne, through which towns he will operate and stated that in addition to having stations in the towns, they will also stop at the intersection of every county road and prominent farm residence near the line. They will also run local freights to handle farm produce. The car fare will be reduced to a minimum.

The company will prepare a special bill before the next legislature asking for a right of way. Philadelphia and New York financiers will furnish all the capital.

August Weather Predictions.—The National Weather Bureau Bulletin for August gives the following schedule for the remainder of the month:

Cool wave will cross west of Rockies about 11th; Great Central Valleys, 13th; Eastern States, 15th.

August promises to be much cooler month than July was, particularly cool west of the Mississippi River, south of the Ohio and Potomac Rivers and east of the lower Mississippi; west of Rockies about normal temperature will prevail.

The rainfall of August will be excessive from St. Louis to Chicago and in lower Mississippi Valleys dry in Western Texas. About average rainfall in Northwest and in Manitoba; dry in Northeastern States and Eastern Provinces.

The last above described disturbance will not be so radical as the preceding. Temperatures will go to extremes; very cool in Eastern States.

The severest storms of August not far from 5th, 16th and 30th. Warmest periods not far from 7th, 18th and 29th.

Think of 157 pretty women on 157 nice little farms around and about Bonesteel, South Dakota, and not one marriageable or even danceable man within forty miles. Think of what you are missing, young man, and go west at once, if you want a wife with a farm thrown in.

A Chicago woman was married one day, eloped the next, was arrested the third, brought back home on the fourth, forgiven by her husband on the fifth and went back to live with him on the sixth. It is not so stated, but it is presumed that like the Creator, she rested on the seventh day.

Tomato Market.—"There is to be a general shortage of tomatoes and nearly all kinds of fruits," said Mr. W. Harrison Newman, who was in Kent last week, "The acreage of tomatoes," he said, "is small in all the great tomato-growing sections of the Eastern Shore; they are practically no peaches, and other fruits are, as a rule, short."

Mr. W. Irving Walker, a prominent fruit grower from Queen Anne county, says that the tomato acreage is short in his part of the state.

"As a result of the canned goods market last spring," said Mr. Walker, "packers could not see their way clear to offer prices that would tempt the growers to cultivate the vegetables by the ton, as in former years. There was lots of carried-over stock stored away which cast a damper on the jobbing market. Later, however, the wholesale canned goods market rallied, and the packers offered more liberal prices, but it was then too late for the farmers to put out the big patches, as in former years. The results of the failure to contract as usual will be felt throughout the present packing season."

"The peach crop is virtually a total failure," said Mr. Walker, "I will have one of the largest crops in my part of the country, and my crop will reach from 500 to 1000 packages, as against 30,000 or 40,000 packages in some former years."

A Windfall.—Mount Lebanon Methodist Protestant Church, corner Preston and Bond streets, is bequeathed $800 by the will of Miss Jane Henry Rupp, of Baltimore. The money is to be used as the trustees of the church may direct. The will states that the legacy is equal to the amount paid for the parsonage of the church.

Other bequests in the will are $1,000 to William Shub as an expression of friendship in recognition of his services to Miss Rupp, $400 to Eliza Seager as a token of esteem and $200 each to Mollie Ereck and Elizabeth Jones as tokens of friendship. The residue of the estate is bequeathed to Rev. G. W. Haddaway, pastor of Starr Methodist Protestant Church, who is also named as executor without bond. The will was executed May 29, 1901. Miss Rupp, who died the 25th instant, was 73 years old and had no known relatives. Her estate is said to be valued at between $10,000 and $12,000.

Not long ago a youngster and his mother were going home from church and the mother was finding fault with the sermon. The boy noticed the amount of his mother's contribution and said. "Well, ma, you can't expect much for a cent."

Doctor Brigham Says

MANY PHYSICIANS PRESCRIBE

Lydia E. Pinkham's Vegetable Compound

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womankind is not because it is a stimulant, not because it is a palliative, but simply because it is the most wonderful tonic and reconstructor ever discovered to act directly upon the generative organs, positively curing disease and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures and physicians who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit where it is due.

If physicians dared to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female ills, as they know by experience it can be relied upon to effect a cure. The following letter proves it.

Dr. S. C. Brigham, of 4 Brigham Park, Fitchburg, Mass., writes:

"It gives me great pleasure to say that I have found Lydia E. Pinkham's Vegetable Compound very efficacious, and often prescribe it in my practice for female difficulties.

"My oldest daughter found it very beneficial for uterine trouble some time ago, and my youngest daughter is now taking it for a female weakness, and is surely gaining in health and strength.

"I freely advocate it as a most reliable specific in all diseases to which women are subject, and give it honest endorsement."

Women who are troubled with painful or irregular menstruation, bloating (or flatulence), leucorrhœa, falling, inflammation or ulceration of the uterus, ovarian troubles, that bearing-down feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, at Lynn, Mass., for further free advice. No living person has had the benefit of a wider experience in treating female ills. She has guided thousands to health. Every suffering woman should ask for and follow her advice if she wants to be strong and well.

Satisfaction

THERE is a great satisfaction in a sale like that now in full blast at our store—satisfaction to our customers, satisfaction to us. It indicates that the public has faith in our statements, and in our Quarter-Century reputation for reliable qualities, reasonable prices and liberal methods

We believe in the people—the majority are not unreasonable, but are honest and well meaning, and only want to be fairly and squarely dealt with. Long experience has taught them that that is the treatment every one receives at this store.

They have learned to believe in the reductions we announce, and to recognize them as opportunities to get genuine values in MEN'S, YOUTHS' and BOYS' CLOTHING at an actual saving of money.

They know, too, that MONEY'S WORTH or MONEY BACK is our policy, and it gives them added assurance of the safety in dealing at this store.

Men's $18 and $20 Suits for $14.50.
Men's $12 and $15 Suits for $9.75.
Boys' $6.00 Suits for $3.50.
Boys' $8.00 Suits for $4.75.

..NOT..

for my own interest entirely but for yours, too, I am going to make a change in my store and location I have fully decided to move from the store I am now occupying to a much better store and location, and will add to the Jewelry business a very salable line of goods. In order to carry this out, I am compelled to reduce my stock that I have on hand, and the only way to sell it is to let it go for what it will bring. I have therefore decided to have regular sales, mostly Saturdays and Saturday nights. Will sell my entire line of

Clocks
Silver Plated Hollow-ware
Rogers' Silverware
Domestic Sewing Machines

Will also sell some Watches and Jewelry, mostly for ladies; Spectacles, Eye-Glasses, etc. The sale will begin NEXT SATURDAY, July 8. Read this advertisement carefully and bear in mind that "opposition is the life of trade." I ask the patronage of the public. I remain with all my strength to serve the public.

Respectfully,

A. LEVINE.

Hail to Our Bargain Feast!

What's an Oxford bargain? A good money's worth. What's a good money's worth? Good leather, good making, good fitting, good looking and good wearing Oxfords for less than their value.

Do all the stores that are now shouting Oxford bargains give bargains? Some do, more that don't.

We Do, Anyway

Those that don't had better look out, as people know old styles and bad shapes and russets dyed black, when they see them. And we hear a lot of gossip going on these days. Those who have looked say no such Oxfords as ours are being sold elsewhere for anything like the money. If you will make comparisons

You Will See What Bargains These Are
