VOL. 67. CHESTERTOWN, MD., SATURDAY, AUGUST 19, 1905. NO. 11.

DOWN WE COME

Our half yearly reduction sale of Men's, Boys' and Children's Clothing begins today.

In it we offer you a fairly good selection of thoroughly dependable merchandise—Suits that are made to fit, and put together, not for this special sale, but are goods left from our season's selling, made up in the most approved manner—best trimmings and best workmanship.

You will find them all marked in plain figures, and every penny reduction you receive from the original price, is that much taken from an honest and legitimate profit. No marking up and then marking down prices, but what's the use using all this ink to tell you that the word CLEARANCE SALE with our name beneath it ought to be sufficient, for they have been too well established in the past years for there to be any doubt as to the genuineness of our offers.

In this sale we have Men's Suits low as $2.50 the whole suit. Boys' Suits at prices calculated to interest any mother who has a boy to don them. Straw hats are also included in this sale. We're going to let 'em go.

Yours for business,

J. D. LUCAS.

OYSTER TRUST WANTS THE NATURAL BEDS.

What Might Be Expected If The Trusts Get A Foothold In Maryland.

Something is necessary to make the oyster business what it once was, but we do not think the remedy is in sight. Surely the leasing of the oyster bottoms by the Haman law is not what the oystermen want. Just now New York is threatened with an oyster war because a combination of wealthy oystermen, known as the trust, and who control the planted beds of the State, are trying to get hold of the natural growth also. This we are afraid would be the result if Maryland's beds were leased out.

The oystermen have already organized to fight the oyster trusts in New York, and have begun proceedings to prevent the lease or sale, at nominal figures, of any oyster or clam beds of natural growth to the trust.

The oyster combination for about 25 cents an acre, acquired from the New York State commission all the available lands under water and began to encroach upon the natural beds, substituting steam rakes and machinery for the hand implements used by the fishermen and depriving the latter of their means of livelihood.

The commission recently advertised for lease valuable beds of natural growth in the Hudson river, near Nyack and Irvington, and in the lower bay. The lands were to have been sold last week, but the attorney appeared with a large delegation of the fishermen to oppose such action. The sale was postponed until September 12."

CANNING HOUSES OPEN.

"Tomatoes will be from 15 to 40 cents a basket." This is the prediction of a buyer who handles a great quantity of the fruit. The crop in Kent will not be *one quarter* of what it was last year. Only about one-half the acreage has been planted and those who did plant say the fruit is very scarce.

The Numsen cannery under the management of Mr. John Westerway, will begin operations on Monday, as will the Robinson factory at Still Pond Station. Mr. C. S. Hurlock's cannery at Massey will also run this year.

The price of canned tomatoes are now about 80c a case, but the experts say it will soon be $1.00.

One farmer near Chestertown, has 9 acres in tomatoes and says he'll not get over 3 tons of tomatoes. The wet weather has drowned out nearly half his crop and even the green tomatoes are rottening.

KENT'S ATLANTIC CITY.

The excursion season at this famous resort, Tolchester, is rapidly drawing to a close. The signs of the beginning of the end can be seen all around it, perhaps made more noticeable by the preparations of the Ninth Great Eastern Shore Fair. Secretary Noland and his assistants are busy booking entries from almost everywhere, and he reports great interest to be manifest in all departments.

The State Agricultural College will make an exhibit of their experimental station which will be a lesson to everyone interested in agriculture. A great number of our merchants and manufacturers of Kent County are asking for space and everything promises to this being the biggest fair ever held in this part of the State. Col. S. Harry Todd, the obliging assistant clerk, is a very busy man, as much of the clerk's work of the fair falls upon him. Misses Clara Reese and Minnie Hudson have been engaged with other assistants to take charge of the ladies department.

The veteran starter, Col. Robt. Hough, will start the races. Hon. James H. Baker has consented to judge the stock department. Mr. Swift, of Harford county, will be judge of the farm and garden products. Mrs. Heuisler and Miss Hulme will be judges in the art and fancy work department and the association has gone to great expense to provide a free entertainment each day in front of the grand stand.

Deaths—The young child of Mr. and Mrs. Samuel G. Caldwell, of Galena, died on Monday. The little one was about eight months old.

Lilly Mary, daughter of Mr. and Mrs. Albert Shaw, of Hanesville, died on Thursday morning, August 10th. Aged 2 months and 25 days.

The little twins of Mr. Wiltbank, on the Prettyman farm, near Galena, died last week.

Wilbert W. son of Edwin H. and Bertie M. Trinks, died at his parents home in Cecilton on Sunday, August 13, of dropsy, aged six months, interment in Cecilton cemetery. Rev. Mr. Dorsey officiating. Undertaker J. Coppage had charge of the funeral arrangements.

James Frank Yates Graham died at 12.35 p. m. August 18th, of infantile dysentery, aged 15 months and 12 days. Funeral will be held at the house in Chestertown at 10 a. m. Sunday; interment at Sudlersville cemetery, Undertaker Ferguson.

A CARLOAD of thirty young Missouri mules will be sold today in Chestertown at Whiteley's stables by J. B. Richardson

BEDWORTH, JR., the Maryland champion, won the free-for-all race at Tasley, Va., last week and lowered the track record to 2.11¼. He was driven by his owner, Mr. William A. Bell.

AN excursion to Rehoboth will be run from Chestertown and Chester river on next Friday, August 25th.

Aldridge, are also cruising on the Chester and may take in the races.

A Merited Promotion.—Mr. Geo. French, one of Assistant Superintendent F. V. Simpers' Prudential Insurance Agents, at Chestertown, has been promoted to be assistant superintendent of the company with headquarters at Elkton. He will leave for his new position in a few days. Mr. Simpers is loth to part with the services of Mr. French from this territory.

"Please Don't Publish."—A romantic courtship was culminated on Thursday when Rev. Dr. H. B. Martin, of Chestertown, married Mr. Henry D. Smith, aged 23, and Miss Mary N. Kelley, aged 20, of Philadelphia, but at present boarding at Betterton. Clerk Dixon, when he issued the license, was asked "please not to publish," as they wanted to surprise their people. Jeweler Sides fitted the wedding ring on the blushing bride to be and they hurried off to the minister with the above result

A Peculiar Case.—Mr. Joseph Snyder, blacksmith for Mr. Sam'l Hicks, of Chestertown, went to a Baltimore hospital this week to have his arm attended to. Seven years ago Mr. Snyder was bitten on the hand by a dog and every year since then when the August dog days come his hand swells up and pains him greatly. This year it is swolen greater than ever and has compelled him to go to a Baltimore hospital for treatment.

Will of the Late Mrs. Gawthrop.—The will of the late Mrs. Mary T. Gawthrop, of Church Hill, was filed in the Orphans' Court of Queen Anne's for probate. Thomas G. Trenchard was appointed administrator and filed his bond. The bulk of the real property is devised in fee to her nephews, William E. and Thomas G. Trenchard, sons of the late George O. Trenchard. The house where the testatrix resided, in Church Hill is devised to Mrs. Laura Trenchard, widow of the late George O. Trenchard for and during her natural life. Mrs. Trenchard is also bequeathed the horse, carriage and other personal property. The estate is valued at $15,000.
