I want to correct an error of your Millington correspondent wherein he says the picnic of the M. E. Church South was postponed. Notwithstanding the inclemency of the weather quite a number of the Chesterville school were on hand, and promptly at 10 A. M. fell in line behind our flag and proceeded to Jones' woods, where we were soon joined by the Millington school. There were upwards of three hundred on the grounds. A program of songs and recitations had been prepared and was well rendered. The drill of 13 children bearing shields of the original 13 States and singing "My Maryland," was of special interest. A good dinner, lemonade, cake, watermelons and cantaloupes were in abundance. When we separated at 5 P. M. all agreed that they had enjoyed the day. J H. KUHLMANN.
