VOL. 67. CHESTERTOWN, MD., SATURDAY, SEPTEMBER 23, 1905. NO. 16

DOWN WE COME

Our half yearly reduction sale of Men's, Boys' and Children's Clothing begins today.

In it we offer you a fairly good selection of thoroughly dependable merchandise—Suits that are made to fit, and put together, not for this special sale, but are goods left from our season's selling, made up in the most approved manner—best trimmings and best workmanship.

You will find them all marked in plain figures, and every penny reduction you receive from the original price, is that much taken from an honest and legitimate profit. No marking up and then marking down prices, but what's the use using all this ink to tell you that the word CLEARANCE SALE with our name beneath it ought to be sufficient, for they have been too well established in the past years for there to be any doubt as to the genuineness of our offers.

In this sale we have Men's Suits low as $2.50 the whole suit. Boys' Suits at prices calculated to interest any mother who has a boy to don them. Straw hats are also included in this sale. We're going to let 'em go.

Yours for business,

J. D. LUCAS.

OPENING OF WASHINGTON COLLEGE

Increased Attendance in the Collegiate and Normal Departments —There are Several New Teachers—A Bright Outlook for Athletics.

Washington College opened its 124th session with an increased attendance in both the Collegiate and the Normal Departments. The attendance on the opening day numbered 145, with the probability that it will exceed 150 when all have reported. This represents a gain in attendance of more than 20 per cent. in the last two years.

There are several gratifying features in connection with the attendance this year. Practically all the old students have returned, the few that have withdrawn being forced to do so by peculiar circumstances at home. Of the new students, an unusual number comes from the larger towns of the state, and are graduates of the high schools or other advanced schools; nearly one half of those applying for admission are of this class. They will therefore, enter the College or higher normal classes and be more inclined to remain until graduation. Among those who have not graduated there are several who had nearly completed the high school course and will probably be able to enter the Collegiate classes on examination. Many of these who had an opportunity to enter the Baltimore Normal school applied, either through their county Boards or the State Board, to be assigned to Washington Normal. So far as these requests could be granted without injustice to those who were entitled to enter here the wish was complied with.

The accomodations for students is greatly overtaxed. The halls for the young men are filled to the utmost, and the lack of more rooms has lessened the attendance of boys. Normal Hall is not sufficient to accomodate the young ladies, and boarding places had to be found for eight who could not be taken into the Hall.

The new instructors have all reported and have taken up their duties in a manner to indicate that they will be valuable additions to the faculty. During the summer the Visitors and Governors appointed Dr. Gault, Professor of Pedagogy; Professor Hau, French and German, and Miss Townsend, Vocal and instrumental music.

The resignation of Mr. Burris has made it necessary to appoint his successor in charge of Physical Training. An excellent man has agreed to accept the position, and will doubtless be appointed at an early meeting of the Board. He is not only well qualified to take charge of the Gymnasium, but is known as one of the best foot ball coaches of last season, a base ball player and all-around athlete. Among the new students are several heavy men who will make good material for the foot-ball team. The following new students have matriculated:

DEWEY PARK TOURNAMENT.

Five Hundred People Attend—Cecil Speakers—Baltimore Riders Win Prizes.

At no time of the year is the scenery more beautiful or the air more exhilarating than during September and October and on Saturday the beautiful Indian Summer day ushered in the 7th anniversary for the Annual Tournament at Dewey Park. The toot of bugles, the roll of drums and the cheers from lusty throats, announced the beautiful golden day for the much noted summer resort tourney at Dewey Park. The addresses made by Hon. Joshua Clayton and Hon. Harry Warburton was most eloquent and beautiful and those who listened to their brilliant and chaste remarks will ever remember them. There were over 500 attended the tournament and a much larger number attended the dance and fish supper at the park in the evening.

Too much praise cannot be given our courteous, whole-souled managers, Messrs. Shallcross and Massey for their untiring efforts to please all. The chief marshall looked radiant on his beautiful charger and tried to do his utmost to please and keep the track clear for our beautiful gallant Knights.

The Knight of Ravenwood, John Brady, crowned Miss Sadie A. Hobbs, Baltimore County; Miss Elsie Paxson, of Kirkwood, was crowned by J. H. Kloho, Knight of Rockdale; and the following young ladies were chosen and crowned as aids:—Miss Arrietta Cruikshank, of Cecilton; Miss Jones, of Worton; Miss Regina Hobbs, of Baltimore County; Mrs. Fowler, of Chestertown; Miss Merchant and Miss Cruikshank, of Cecilton.

The new boiler for the Chestertown Electric light plant has arrived and is being installed. It weighs 13 tons. Other new machinery will be added and a decided improvement in lights is expected. Let it be soon.
