Well, this is about the expression of those visiting our Regular Semi-Annual Reduction Sales.

We now propose to clear up all Summer goods at very much reduced prices.

Now we mean reductions from our already low quotations and every article of merchandise in our establishment is marked in plain figures. You can well see the significance and realize the difference in prices asked for similar qualities by city houses.

Come early while we have a fair assortment in Men's, Boys' and Children's Clothing, Straw Hats, Summer Underwear, Separate Trowsers and all Summer Merchandise will now be cleaned up.

LOCAL NOTES.

Popular.—The cement blocks manufactured by Barnett & Son are proving popular in Cambridge where Mr. Vernon Barnett is erecting a home for Mr. Arthur Hurlock. He nas a contract now to build a Sunday school room in that city which will require 2800 blocks.

Married.—Dr. D. L. Greenfield was somewhat surprised Sunday evening when a couple called at the parsonage and asked to be married. The interested parties were Mr. W. Herbert White, formerly of Chestertown, but now of Queen Anne's, and Miss Florence M. Chance. They will reside in Queen Anne's.

Delegates.—The Chestertown Bank elected the following delegates to the State Bankers convention which meets in Annapolis October 4th and 5th: Marion deK. Smith, W. W. Beck, W. W. Chapman. Kent Savings Bank—James H. Baker, J. D. Bacchus, W. F. Russell. Second National—H. W. Vickers, W. W. Hubbard and W. B. Copper. Mr. Vickers has been assigned the duty and honor of replying to the address of welcome.

Circus Horses.—A large circus which showed in Church Hill and Sudlersville last week decided to travel by train instead of by wagon. They therefore made arrangements to quarter 57 horses with Mr. Alday Clements, of near Chesterville. The horses will be rested and cared for until arrangements can be made to dispose of them. As an evidence of the ability of these horses one pair weighing 3600 pounds pulled a load of 8800 pounds.

Launch Party.—Mr. Wm. H. Cooper gave a launch party last Saturday and took the company to Dewey Park Tournament. Engineer Frank Meredith was at the engine. The following guests enjoyed the trip: R. D. Hynson, P. G. Wilmer, W. E. Keyser, J. E. Morris and R. C. Morgan. They reached the Park at 1.30 p. m. and left there at 9, reaching home at midnight.

Peach Crop Big.—Dr. A. S. Hall, of Washington College, spent his vacation in Michigan and reports a tremendous peach crop. He says the ground was covered with good fruit that could not be sold.

The Connecticut peach crop for this year now promises to be a record breaker. Before the shipping season began the estimate of the peach growers was for 100,000 baskets, but since the actual shipping has begun this has been raised to 150,000 This figure is the largest in recent years.

Another Boat for Rock Hall—Arrangements have about been perfected whereby Rock Hall is to have another steamer. Capt. S. B. Gladding will make regular tri-weekly trips between Baltimore, Rock Hall and Centreville, leaving the former place Monday, Wednesday and Friday at 2 P. M. The landing place of Capt. Gladding's boat in Baltimore will be Spear's wharf, foot of Gay Street. The new boat will be used exclusively for freighting purposes. A movement is also on foot to build a wharf at the foot of the Public Landing at Cliff Citv. The farmers in the neighborhood are very anxious for a steamboat.

Usual Results.—The eleven cattle advertised in the NEWS as found were claimed by their owner before the sun set Saturday. The finder said "I had looked far and wide for my cattle and as soon as I picked up my NEWS I went straight and found them!"

Mr. Webb Hill writes to the NEWS to take his adv. out that one insertion sold his horse.

The lost harness advertised for in the NEWS was found by Mr. Elias Othoson and promptly returned to the owner.

Mr. Prettyman for the last five months has been visiting his cousin, A. M. Gooding, County Attorney, of Routt Co., Colorado. As "Add Gooding" was once a Galena boy his many friends will be glad to read the following clipping:

"A. M. Gooding is one of the leading members of the bar in Routt county and is building up a good practice. He is a native of Maryland and studied law at the University of Virginia and under the direction of Hon. N. B. Smithers, of Delaware. He moved to Nebraska in 1881, and located in Colorado in January 1902, He held the office of prosecuting attorney in Nebraska for two terms and has always been identified with conservative Democracy. In March, 1903, he came to Steamboat Springs with his family, purchased property and is one of the permanent fixtures and a factor in the upbuilding of the new Empire. While connected with the prosecution of offenders as prosecuting attorney, the law of titles and corporations has constituted his chief practice."

Improvements.—R. D. Hynson, Esq., has contracted with the Duyer Bros. to build a commodious stable on his Water street lot. The brick stable is to be torn down.

Team Recovered.—A horse and carriage was stolen from Mr. Herbert Matthews, near Chestertown, last Saturday night. A white man named F. Howell, who had been at work on the place for two weeks, disappeared about the same time. Sheriff Keyser was informed on Thursday that the team had been recovered near Philadelphia.

Big Sales.—Capt. P. C. Jester's sale near town, Monday, was attended by a large crowd, and in many respects broke the record. Auctioneer Hurlock, assisted by Mr. Jack Jester, was on the block. The KENT NEWS as the best advertising medium had another proof. Horses brought from $50 to $200; Colts $35 to $60; Cows $30 to $40; Calves $28 and $29; hogs 5½ cents a pound alive; sheep $7 and $8. The amount of sales nearly reached $4.000!

Dr. F. N. Sheppard's sale, advertised in the NEWS, was well attended Wednesday. Horses brought $25 to $141; pair mules $260; cows $30 to $45; 25 tons of hay at $10 per ton, &c.

KENNEDYVILLE W. C. T. U.

The monthly meeting of the Kennedyville W. C. T. U. was held in the M. P. Church Friday evening, Sept. 15. With Mrs. Annie Redmile at the organ the meeting opened with singing, and prayer by Mr. Wm. T. Hague. The choir sang, "We are coming Dear Leader to answer thy call," and Mr. Willie Fogwell gave a very interesting bible reading The secretary gave a report of the Lawn Fete held in August.

The meeting might be termed an "Echo Service" of the convention and Mrs. Shafer spoke of the convention and gave some very interesting points and incidents that occurred during the day. Miss Ada Hurlock recited quite effectively. Mr. Wm T. Hague gave an interesting talk in which he declared the convention a success in every way. He spoke of the interest displayed in all the sessions of the day, and of the deep devotional and spiritual interest that characterized each feature of the program. He said he was glad that he entertained the convention. The subjects presented were both instructive and profitable and were discussed in a manner interesting to all and have left an influence for good in the community. Dr. Anna Shaw's address in the evening contained seeds of thought that it is hoped will spring up and bring forth fruit even an hundred fold.

Miss Katie Weer read a selection, "The World as we make it." The following delegates were elected to attend the state convention to be held in Baltimore Oct. 3, 4, 5, Mrs. Ella Kelly, Miss Blanch Redmile. The meeting closed with singing the doxology.
