Come Get Your Slice of the Melon

¶ It's a little late to talk about watermelons, but the idea can be very appropriately applied to our Fall and Winter Suits, and we invite you all to come and get your share of the

Ripe and Seasonable Suits and Overcoats

now ready for your picking. An assortment of Men's Wearables we are glad to show you, as the line will compare very favorably with the best regulated city stores, and the saving to you will be plainly evident.

Boys' and Children's Suits.

Half the boys within school gates wear Mrs. Jane Hopkins Boy-Proof Clothes

in like proportion. The new nobby effects, cut and made by artists. They fit, wear and hold their shape, and we offer them to you at fully 20 per cent. less than city houses will ask you for like qualities.

¶ Men's Separate Trowsers, Shirts of all descriptions, Hats, Neckwear, Gloves. Underwear and all the smaller details have been carefully looked after.

¶ Come look the line over early, as you will find a larger range of patterns.

At the Chestertown High Shool it has been found necessary to divide one of the large rooms making it into two recitation rooms which will be occupied by Miss Addie Hurlock and Miss Edith Harley.

Electric Light Tonight.—Chestertown has been in darkness for a week while the new machine.y is being installed at the electric light plant. Many residents placed lamps in their windows or hung lanterns on trees, porches, &c., to help light the streets. The public will appreciate the light when it comes. Supt. Russell says he will give plenty of light tonigt t.

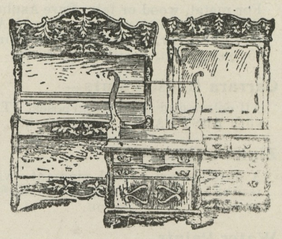

An enjoyable up-to-date performance of modern minstrelsy is promised to those who attend the entertainments given by Culhane & Chase Minstrels. The abilities of really capable performers will render enjoyable the program. Great care has been exercised by the management in selecting only the very best performers, and patrons can be assured of a thoroughly refined and pleasing entertainment. The Minstrels will appear at Stam's Opera House next Thursday evening. Watch for big silver band and fine orchestra.

Along The Water.—Capt. William Hodges in his pretty yacht anchored off Chestertown Saturday.

The barge Tocoma unloaded 300 tons of soft coal at Bacchus & Usilton's wharf the past week. This is the barge that was caught here in the blizzard and had to remain over seven weeks. The Capt. has his wife, three dogs, chickens, etc., along with him.

Having lost her bearings in a southeast gale and mistaking Lumina pavilion for the Cape Fear Life Saving Station, the two-masted bugeye, Velma Brooks (light,) in charge of Cecil R. She was piloted into Moore's Inlet, where she awaited favorable weather to proceed.
