SATURDAY, - NOVEMBER 11, 1905

THE people took a hand in the election Tuesday.

THE cut of William B. Raynor in unfortunate. He suffered because of his father's unfaithfulness.

Samuel William Brown, the Prohibition candidate for Commissioner had two l's in his name and profited to the tune of about 135 votes! His fellows on the ticket without lls only got about 30.

THE Legislature will contain 54 Democrats of whom two are Wells men from Anne Arundel and three Independents from Queen Anne's. If the latter vote with the Democrats the latter will organize the House.

The Young Leaders.

The wisdom of naming Lewin W. Wickes, Esq., as chairman of the State Central Committee for Kent County has been proven in this campaign. He has directed the line of battle and won a signal victory by his good judgement, indefatigable industry and systematic canvas of every district. In this he had the help of other young men while the older men gave counsel and put in some heavy blows for the white man's party.

The Result in Kent.

The result in Kent was very gratifying to the white voters. It was a grand victory in which every Democrat can rejoice. The day was ideal and all things seemed to conspire to aid the white people. The rank and file was in excellent shape, while the leaders never worked harder nor more effectively.

The negro was never better schooled and there were very few votes thrown out. In some districts the Democrats suffered most. The negroes turned out solid and were true to their color. We are pleased to note the absence of liquor from the polling places. Indeed, the whole campaign has been free from this great curse. It evidences an enlightened and improved sentiment and is a token of better citizenship. There was very little money used on either side. Its a pity it cannot be dispensed with entirely.

To the Democratic leaders of the districts the NEWS takes off its hat and says: "Well done, thou good and faithful servant." To the Democratic voters it takes off its hat and says: "The victory is yours; may ye live long and prosper." Bossism in Kent has been beaten and the people have triumphed. We can join Philadelphia and Ohio in their victory and extend congratulations.

Here are some pluralities on State ticket of Kent precincts:

DEMOCRATIC.

Millington	72
Galena	60
Worton	36
Chestertown	19
Chestertown	38
Edesville	23
Rock Hall	77
Kennedyville	26
Kennedyville	9

REPUBLICAN.

The Amendment.

This important measure was lost through the jealousy and prejudice rather than from any other one thing. Governor Warfield, Raynor and Bryan can congratulate each other for its defeat.

The republicans are drawing comfort from the fate of the amendment and proclaiming that the people of Maryland are opposed to the principle which it involved. Such is not the case. The vote was one of lack of confidence, rather than of non-concurrence. The sound sense of the people would not confirm a measure that would place in the hands of a set of registrars the opinion of denying to every white man his constitutional right to the ballot.

The vote of the negro in Maryland has been preserved to him through the incidental bearings of the amendment, which was designed to deprive him of the ballot. He will do well to seek to deserve and to strengthen his tenuous political privileges. Should the evils of negro suffrage continue and be augmented under the incitement of the republican leaders, there will eventually be devised an amendment that will pass.

LOCAL buyers are paying 48 and 50 cents for corn.

NEW YORK AND PHILADELPHIA.

The latest figures in New York indicate that George B. McClellan was re-elected Mayor by a plurality of 3,485. Charges of gross fraud and corruption are made by Wm. R. Hearst, candidate of the Municipal Ownership League, who declares that a recount of the ballots will show his election. He proposes to have the 1,948 boxes containing the ballots taken before the Board of Aldermen for a recount and has declared his purpose to carry his contest for the office to the court of last resort.

William Travers Jerome, the independent candidate for District Attorney of New York, is re elected by a plurality estimated at from 4,000 to 9,000. He has joined Mr. Hearst in an effort to develop any corruption that may have been practiced.

In Pennsylvania, and in Philadelphia particularly, late returns confirm the fact that the reform wave swept everything before it. For the first time in a quarter of a century Philadelphia voted against the Republican organization. Mayor Weaver and the City Party carried the municipality by about 43,000. In the State William H. Berry, the candidate for State Treasurer of the Democratic, Independence, Lincoln and Prohibition parties, was elected by 100,000. President Roosevelt carried the State last year by 500,000.

OHIO AND OTHER STATES.

In Ohio the election of Pattison, the Democratic candidate for Governor is claimed by 36,000. This is also due to the revolt against bossism. The Legislature is Democratic.

Massachusetts Republicans elected Curtis Guild, Jr., Governer by 23,116 plurality and E. S. Draper Lieutenant-Governor by 1,996. The feature of the election was the victory of John B. Moran for District Attorney of Suffolk county, which includes Boston, over both the Republican and Democratic candidates. It is stated that the Democratic leaders will request a recount of the vote for Lieutenant Governor.

Governor George U. Utter carried Rhode Island by a pluralty of 4,542, and the Republicans will be in overwhelming preponderence in the Legislature. Providence elected a Republican Mayor for the first time in 11 years.

In New Jersey the Republicans won 74 of the 81 seats in the Legislature.

Kentucky, while the returns are slow in being received, appears to be Democratic by a reduced majority.

Chicago voted for judges of two courts and all the Republican candidates were successful. Besides, a law creating a municipal court was ratified.

In San Francisco the entire Union Labor ticket, with Mayor Eugene E. Schmitz at its head, was successful by pluralities ranging from 4,000 to 11,000.

The American Party, formed to overthrow the influence of the Mormon Church in municipal affairs, carried Salt Lake City by more than 900.

NINETY-THIRD BIRTH DAY!

Mr. James E. Thumbert, of Baltimore, celebrated his ninety-third birthday on October 28th at the county residence of his niece, Miss Georgia Thumbert, near St. James Methodist Protestant Church. The great age of Mr. Thumbert together with the remarkable preservation of his physical strength and his mental faculties made it an occasion of special interest.

The home of his niece was beautifully decorated for the occasion. There was abundant of fall foliage, while the mantles were banked with chrysanthemums. A splendid supper was served. The guests joined in heartily with their congratulations. Mr. Thumbert received a number of tokens of love and esteem. A beautiful souvenir book was sent by the officials of his city church. His nephews sent 93 large white chrysanthemums. A cake came from Baltimore which when cut was found to have on it two five dollar gold pieces placed there by loving hands.

Those present were Mrs. Williams, Mrs. Parsons and daughter, Mr. and Mrs. John Gale, Rev. J. M. Sheridan and daughter. Mr. Thumbert was born in Washington in 1812 but has spent most of his long life in Baltimore.

His daughter, Mrs. Glover, accompanies her father to the country and tenderly cares for him. He has 9 grandchildren and 7 great grand-children. Mr. Thumbert is a devoted and ardent christian. He is lingering on the shores of time waiting the summons to enter eternal life.
