PAINFUL PERIODS

Suggestions How to Find Relief from Such Suffering.

While no woman is entirely free from periodical suffering, it does not seem to be the plan of nature that women should suffer so severely. Menstruation is a severe strain on a woman's vitality. If it is painful or irregular something is wrong which should be set right or it will lead to a serious derangement of the whole female organism.

More than fifty thousand women have testified in grateful letters to Mrs. Pinkham that Lydia E. Pinkham's Vegetable Compound overcomes painful and irregular menstruation.

It provides a safe and sure way of escape from distressing and dangerous weaknesses and diseases.

The two following letters tell so convincingly what Lydia E. Pinkham's Vegetable Compound will do for women, they cannot fail to bring hope to thousands of sufferers.

Miss Nellie Holmes of 540 N. Davision Street, Buffalo, N. Y., writes:

Dear Mrs. Pinkham:—

"Your medicine is indeed an ideal medicine for women. I suffered misery for years with painful periods, headaches, and bearing-down pains. I consulted two different physicians but failed to get any relief. A friend from the East advised me to try Lydia E. Pinkham's Vegetable Compound. I did so, and no longer suffer as I did before. My periods are natural; every ache and pain is gone, and my general health is much improved. I advise all women who suffer to take Lydia E. Pinkham's Vegetable Compound."

Mrs. Tillie Hart, of Larimore, N. D., writes:

Dear Mrs. Pinkham:—

"I might have been spared many months of suffering and pain had I only known of the efficacy of Lydia E. Pinkham's Vegetable Compound sooner; for I have tried so many remedies without help.

"I dreaded the approach of my menstrual period every month, as it meant so much pain and suffering for me, but after I had used the Compound two months I became regular and natural and am now perfectly well and free from pain at my monthly periods. I am very grateful for what Lydia E. Pinkham's Vegetable Compound has done for me."

Such testimony should be accepted by all women as convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for all the distressing ills of women.

The success of Lydia E. Pinkham's Vegetable Compound rests upon the well-earned gratitude of American women.

When women are troubled with irregular, suppressed or painful menstruation, leucorrhœa, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating, (or flatulency), general debility, indigestion and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. She will treat you with kindness and her advice is free. No woman ever regretted writing her and she has helped thousands. Address Lynn, Mass.

MOB TAKES THE TOWN OF CRISFIELD.

Oystermen Take Charge Of Things in Crisfield And Boldly Defy The Law.

A mob of several hundred oystermen and their smypathizers took possession of Crisfield Wednesday in behalf of Ralph Nelson, charged with pirating, or raiding the oyster plantation of the Tangier Packing Company, in Tangier Sound, Somerset county. Nelson, it is said, has been defying the law for some time, aided by his friends in great numbers. Finally he was arrested at the theatre in Crisfield and held for a hearing, which began Wednesday morning at 10 o'clock in an opera house, secured to hold the crowd, and continued until four o'clock in the afternoon, when the prisoner was pronounced guilty after a trial before Justice G. W. Kennerly.

Then the most dramatic and exciting performances ever witnessed in any Maryland theatre occured and justice was thrown to the winds. The mob howled for the lynching of the Justice, and he, feeling his life was in danger drew his pistol and backed into a corner of the stage. The sheriff and his deputies drew their guns and rallied to his support. The mob rescued the prisoner and hustled him off in triumph. But they were not done with the Justice. They turned the tables on him and instead of his sending Nelson to jail so guarded the opera house court room that he could not get out, though he tried a back window.

VOTE BUYING.

Rev. Ralph T. Coursey on Vote Buyers and Sellers and the Political Corruptionist.

The time-honored custom of preaching a man to Heaven and singing "Asleep in Jesus, Blessed Sleep," has been broken by one prominent Methodist divine, who has stirred up a revival of religion in Sussex county, Delaware, and is determined to preach the pospel of to-day as well as that of the times of Moses and Aaron. Rev. Ralph T. Coursey is the pastor, and besides Mr. Coursey's reputation as a Methodist preacher and evangelist, he is noted for calling a spade a spade. Every night for a week he has been stirring his revival fires in Zion M. E. Church, Milton, and paying his attention to the sins of the present day rather than those of the times of David and Uriah. The vote buyer and political corruptionist must have sat very uncomfortable under the minister's ringing voice. Mr. Coursey, after praying and singing some stirring revival song, is said to have served this notice on church and unchurched of the large congregation present to hear him: "If any of you vote-buyers and vote sellers should die while I am on this circuit and I am sent for to preach your funeral, I will assuredly not preach you straight to Heaven nor sing 'Asleep in Jesus, Blessed Sleep'" Then an idea must have occurred to Mr. Coursey as to what would be more appropriate to sing at such a time, for he is quoted as having added that a far more appropriate intonation would be a rendition of "There'll be a Hot Time in the Old Town To-night."

DELAWARE FARMER MAKES SNUG SUM IN THE WEST.

Probably the most money ever received from the sale of a car of fruit by any Delaware grower, was realized by Conrad Keller, of Rising Sun, who in October left Wyoming with a carload of Keiffer pears (725 bushels,) for South Dakota. When the fruit arrived at its destination Keller found it had been reloaded into another car and much of it had been damaged. As soon as the car arrived in the town where Keller had decided to dispose of his goods, he began to do business. He sold the fruit right from the side of the railroad tracks, and everybody could buy. Never had fruit such as Keller sold, been seen in that section and the car was soon emptied, and in the bank at Howard, S. D. Keller had an account somewhere around the $1000 mark. The freight charges on the car amounted to more than $300 and besides this expense, Keller's personal expense was added but still he sent a draft home for more than $900.

THREE MAYORS, THREE LEGS

Democratic Officials That Republican Towns Elected.

The three strong Republican towns of Bellaire, Bridgeport and Martin's Ferry, in Belmont county, Ohio, at Tuesday's election elected three Democratic Mayors, who have among them only three good legs, as follows:

Dr. J. W. Blackford, Mayor-elect of Martin's Ferry, has two good legs.

Geo. H. Brysock, Mayor-elect of Bridgeport, has one good leg and one wooden leg.

George Kompart, Mayor-elect, of Bellaire, has two wooden legs.

Otherwise the towns went Republican, and Bellaire, in the face of the anti Herrick wave, gave Herrick six more plurality for Governor than it gave him two years ago. Both Brysock, on his one leg, and Kompart, with his crutches made a house-to house canvass. Tomorrow night the three Mayors are to occupy seats in front of the stage at a big Democratic rally.

THE cigarette smoker hasn't much show in Nebraska. A dispatch from Lincoln yesterday states that Patrick Raymond was fined $50 for making a cigarette on the streets. At this rate cigarette smoking comes high.
