DEMOCRATIC PRIMARIES.

The Democratic voters of Kent County are requested to assemble in the several Election Districts at the usual places of holding primary elections, on SATURDAY, the 7th day of July, 1906, at 2 o'clock p. m., for the purpose of selecting six delegates from their respective districts to meet in convention to be held at the Court House, in Chestertown, on TUESDAY, the 10th day of July, 1906, at 12 o'clock noon, to select delegates from Kent county to the First District Congressional Convention which will be held at Ocean City, Maryland, on Thursday, the 12th day of July, 1906, for the purpose of nominating one candidate for Congress.

Where there are two precincts, each precinct will be entitled to three delegates.

LEWIN W. WICKES,
JAMES W. IVENS,
JOHN C. REDMILE,
Democratic State Central Committee for Kent County, Md.

TALBOT COUNTY Democrats have endorsed Bryan and the Centreville Observer wants Queen Anne to do likewise.

PRESIDENT ROOSEVELT declines to preside at the reception banquet to Mr. Bryan, at Madison Square Garden, on August 18.

THE negro man Lee has been convicted and sentenced to death in the Baltimore Criminal Court for the outrage upon two ladies in Somerset county, June 10. In twenty days he will be taken back to that county for execution. Hanging is too good for such a brute.

COL. JESSE J. MOORE, Superintendent of House of Correction and one of the best known Democrats in the State, died Wednesday, aged 80. He made the institution a model of its kind.

THIRTEEN ice dealers of Philadelphia have been held to answer the charge of conspiracy. Fate is surely conspiring with these men in making the total 13. If they get their deserts it will possibly be a step toward justice.

DEMOCRATIC PRIMARIES will be held in Kent today. Most of the Eastern Shore counties have elected delegates to the Ocean City Congressional Convention and pledged the support to Congressman Thomas A. Smith. Talbot county eulogized William Jennings Bryan.

THE State Teachers' Association at Ocean City honored itself by electing Dr. James W. Cain, of Washington College, as its presiding officer for the ensuing year. He is an educator of which the whole State is proud.

HON. W. J. BRYAN is winning friends every day. An ovation unequalled in this country is being arranged for him upon his return home from a tour of the world. Mr. Bryan says the list should be open until the time comes to choose a candidate. "It will be two years," said he, "before the convention meets, and I am not willing to sit on a stool and look pretty so long."

BANKS MAKE AGREEMENT.

Those of Five Eastern Shore Counties Settle on Three Per Cent. Rate—Four Per Cent. Not Good Form.

A meeting of representatives of the banking institutions of Caroline, Kent, Dorchester, Queen Anne's and Talbot counties was held in Easton Monday afternoon to decide upon a rate of interest to be paid on savings deposits. The meeting was presided over by Dr. James Bordley of Queen Anne's, with Albert G. Towers, of Caroline, as secretary. After a lengthy discussion resolutions were adopted to this effect.

That the interests paid on savings deposits in any of the banks represented at the meeting should not exceed 3 per cent. per annum.

That interest should be carried forward twice a year and no money should draw interest unless it had been on deposit four calendar months.

Banks now in this agreement paying 4 per cent. per annum should reduce their rate of interest to 3 per cent. by January 1, 1907. Such banks should not take deposits from any depositor in any county other than their own at a greater rate than three per cent. per annum.

The following banks and their parties to the agreement were :

Second National Bank, Chestertown—W B Copper
Chestertown Bank, Chestertown—Allan A. Harris.
Kent Savings Bank—W F Russell
Denton National Bank—H L Cooper
People's National Bank, Denton—A G Towers
Caroline County, Denton—W H Deweese, H. Horsey and P Seldon Raughley
Bank of Ridgely—John A Segler
Provident Savings Bank, Preston—A W Sisk
Queen Anne's National Bank, Centreville—C A Busteed and J Frank Harper
Centreville National Bank—Dr James A. Bordley and J Fletcher Rolph
Sudlersville Savings Bank—J Fletcher Rolph
Queenstown Savings Bank DeCourcey W Thom
Church Hill Bank of Church Hill—E S Valliant and W W Chapman
Easton National Bank—Robert B Dixon and Judge William R Martin
Farmers and Merchants' National Bank, Easton—John Mason and Dr. I A Barber.
Talbot Savings Bank—William Reddie
Workingmen's Pernament Building and Loan Association—John Mason
Trappe Savings Bank—Dr J S Chaplain and E A Powell

REPORTS indicate that the supply of game this year will be larger than for a long time. Rabbits and partridges may be seen along the roadways in plenty. If owners of dogs will keep their animals up the supply of game will be soon replenished. This is the season when the young are destroyed by prowling dogs.

WHEAT HARVEST.

Some Good Yields of Wheat—Price Not Encouraging.

The schooner Fannie Hayward carried from the Patuxent wheatfields the first cargo of this season's crop to Baltimore last Saturday. Following her were the schooners Sarah W. Wingate, Bedsworth and Plan, from Chester river ; Sparkling Sea, from St. Michaels ; Josephine, from Choptank, and the sloop Mollie E. Leonard, from Little Choptank. Altogether the receipts were about 8,000 bushels, all of which was discharged at the Baltimore and Ohio Railroad elevator C, Locust Point. These arrivals of new wheat from the tidewater counties are three days later than in 1905.

Captain Jones, of the Sparkling Sea, said he brought the first wheat here six years ago on June 26th, which is thought to be the earliest that a new crop cargo was ever signed for in Baltimore.

Mr. Paul Massey got about 20 bushels.

Mr. H. P. Skipper got 19½ bushels from 70 acres. There is no farm in this community which shows better results from treatment than this one.

Mr. Charles Crowding got 16 bushels to the acre.

Mr. Jesse H. Usilton threshed 21 bushels to the acre.

Mr. S. Mann is threshing and estimates his yield at about 24 bushels to the acre.

Mr. J Thos. Blackiston got 24 bushels on stalk ground and 30 on fallow, on the Aidridge farm.

Col. Vannort, on his Flatland farm, got a good crop.

H. M. Brown yesterday was offering 75 cents for wheat delivered on water and 78 cents by rail.

CHURCH TIDINGS.

Rev. Albert C. Jamison, of Kennedyville, was installed as the new pastor of East Lake Presbyterian Church, Wilmington, last Thursday evening. Addresses were made by Revs. T. A. McCurdy, Alexander Alison and others.

Christ Church Sunday School will hold their picnic at Queenstown having received a special invitation from Col. W. H. Bosley to spend the day there.—On Wednesday next.

Rev. Avery Donovan will preach at St. James M. P. Church Sunday at 10 30 a. m. and Lynch at 3 p. m. The C. E. societies of St. James and Lynch will hold union services at St. James Church Sunday at 8 p. m. Mrs. Melvin, of Lynch, will lead the services. Public cordially invited to all these services. Rev. C. E. Makosky will preach at St. James and Lynch Sunday, July 15.

At Christ M. P. Church to-morrow: 10 30 a. m., pastor's theme, "Love"; 2.30 p. m., Sunday-school; 6.30 p. m., Rev. Avery Donovan will preach. Special music by Young People's Choir.

GREAT PEACH CROP.

3,500,000 Baskets Are Expected From This Peninsula.

Special Agent Mills, of the Pennsylvania Railroad, says that the peach yield of the Peninsula this year will be 3,560,995 baskets. Mr. Mills was aided in his estimate by all of the station agents of the railroad company. Of this yield 2,560,995 baskets will be shipped by rail and the remaining million by water.

In addition, it is computed that 499,253 baskets of pears will be shipped by rail from points on the Peninsula and 100,000 baskets will go by water. The peach crop will be the greatest for 15 years. It will be 200 per cent. larger than last year, and 100 per cent. larger than any yield for 10 years.

Mr. Mills waited until the June drop had spent itself before completing his estimate. The work of equipping cars for the shipment of fruit will be based on this finding.

The detailed estimate of the two principal fruits to be thus harvested in Delaware and shipped over the branches of the Pennsylvania Railroad is as follows : Delaware Railroad, 1,165,185 baskets : Queen Anne and Kent Railroad, extending from Townsend to Centreville, 250,000 baskets : the Baltimore and Delaware Bay Railroad, extending from Massey's to Chestertown, 94,850 : the Delaware and Chesapeake Railroad, extending from Clayton to Easton and Oxford, 716,195 ; upper Delaware, Maryland and Virginia Railroad, extending from Harrington to Lewes and Rehoboth, 234,580 ; lower Delaware, Maryland and Virginia Railroad, extending from Georgetown to Franklin City, Va., 30,715 : Cambridge and Seaford Railroad, extending from Seaford to Cambridge, 69,520 : making a total of 2,560,995 baskets.

Prolific Keiffer Pear Crop Seems Assured.

The other fruit crop in which estimates are made in detail is that of pears now becoming one of the great outputs of the peninsula. The pear estimate is as follows : Delaware Railroad (main line,) 304,225 baskets : Queen Anne and Kent Railroad, extending from Townsend to Centreville, 51,850 : Baltimore and Delaware Bay Railroad, extending from Massey's to Chestertown, 28,800 ; Delaware and Chesapeake Railroad, extending from Clayton to Easton and Oxford, 63,520 : upper Delaware, Maryland and Virginia Railroad, 12,190 ; Cambridge and Seaford Railroad, 5,430, making a total of 499,253 baskets of pears. To above estimates of Pennsylvania Railroad may be safely added about 1,000,000 baskets of peaches which will be shipped by water and at least 100,000 baskets of pears.

"ALL VESSELS of 15 gross tons or less, propelled in whole or in part by gas, gasoline, petroleum, naptha fluid or electricity, and carrying passengers for hire, shall carry one life preserver of the sort prescribed by the regulations of the board of supervising inspectors, for every passenger carried; and no vessel while carrying passengers shall be operated or navigated except in charge of a person duly licensed for such service by the local board of inspectors. No examination shall be required as a condition of obtaining such a license, and any such license shall be revoked or suspended by the local board of inspectors for misconduct, gross negligence, recklessness in navigation, intemperance or violation of law on the part of the holder, and if revoked the person holding such license shall be incapable of obtaining another for one year from the date of revocation."
