Do you know where our best advertising is done?

IN THE STORE.

This TELLING you about things is all right, maybe; but it isn't half as satisfactory as bringing you face to face with your requirements.

SHOWING you is our favorite method. There is no talk that can be half as compelling as the goods themselves.

HERE IS THE BEST OF FURNITURE AT ITS BEST.

Our confidence comes from a knowledge of what's what in Furniture, and the way our stock stands today, we can truthfully say that we never asked anybody to view an assortment that was quite as worthy.

FARMERS' INSTITUTE.

To Be Held at Chestertown Next Friday—Kennedyville on Saturday and at Sassafras on Saturday.

Arrangements have been made to hold an Institute in the Court House, Chestertown, Friday, March 18th; in the hall at Kennedyville Saturday, March 19th, also at Sassafras on the 19th. The Institute workers will be:

Charles M. Day, Geneva, N. Y. Mr. Day is a nephew of the well-known fruit grower of Geneva, Mr. S. D. Willard. Of Mr. Willard's farm he is manager, having had entire charge of his large orchard of 105 acres for the last ten years. Under Mr. Willard he has had several years experience in nursery work. Mr. Van Wagenen, one of our former Institute workers, says of Mr. Day: "He has a good deal of first hand experience in the management of large orchard operations. He knows well and intimately how to conduct all orchard work. He knows plums, apples, cherries, peaches and something of small fruit."

W. F. Kydd, Simcoe, Ontario, Canada: The Ontario Department of Farmers' Institutes says of Mr. Kydd: "He is one of our most acceptable Institute speakers." He is an authority on horses, dairy cattle and small fruits. He has had large practical experience in all these departments and also in fair matters, having been superintendent of probably the largest purely agricultural show in the Province. He is an accepted judge of both light and heavy horses and as such has been invited to place awards in many parts of Ontario. Being an aggressive, forceful speaker, his words carry weight. His subjects are: "Am I raising the most profitable horse?" "The dairy cow, her summer feed and winter care." "Small fruits and grape vines." "Pruning and general care of the apple orchard." "Dropped stitches."

Prof. C. P. Close, College Park, Md. Prof. Close, Horticulturist of the Maryland Experiment Station, graduated from the Maryland Agricultural College in 1895, paying special attention to horticulture.

The program is as follows:

Chestertown, in the Court House—Friday, Mar. 18th, 10 a. m. to 4 p. m.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a *secret* nostrum as a substitute for this non-alcoholic medicine OF KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.
