SPRING SUITS

For Men and Women

We'll let you pick from the choicest styles of the season and you pay no more than for the inferior kind. Every man likes to buy from a concern that's successful. We've grown in one year from a small store to the largest Department Store on the peninsula. With us it is not how much profit we can make on Clothing but how little we can sell it for, and that's what the people like. Is it any wonder we sell more clothing than five or six other stores put together. Look at the difference between other's prices and ours on the same goods.

Stops Neuralgia Pains

The shooting, tearing pains of neuralgia are caused by excitement of the nerves. Sciatica is also a nerve pain.

Sloan's Liniment, a soothing external application, stops neuralgia pains at once, quiets the nerves, relieves that feeling of numbness which is often a warning of paralysis, and by its tonic effect on the nervous and muscular tissues, gives permanent as well as immediate relief.

One Application Relieved the Pain.

Mr. J. C. LEE, of 1100 Ninth St., S. E., Washington, D. C., writes: — "I advised a lady who was a great sufferer from neuralgia to try Sloan's Liniment. After one application the pain left her and she has not been troubled with it since."

The saddest of all Millington's recent deaths was that of Mr. William James Boyer, principal of the Millington High School who died at his home on Sassafras street last Saturday afternoon at 3 o'clock of typhoid fever. Mr. Boyer has worked very hard since he commenced his duties here in September and towards the last was looking very bad. His last duties were performed on March 24th when Maryland Day exercises were held. On that day he went to bed only to die after an illness of ten days. Mr. Boyer has taught school for many years in Kent, Queen Anne and Caroline counties. He was a faithful and patient church worker, always thinking of those in need. He was fifty-eight years old having been born Nov. 11, 1851. He is survived by his wife and six children—Messrs. Foster, Murray, Carson and Edwin Boyer, Misses Grace and Hannah Boyer and an innumerable number of friends. Mr. Boyer will certainly be missed in the High school. His greatest desire was to have a graduating class in 1911. Since he has come the Millington Academy was made a High School and next year would have been "accredited." Funeral services were held from his late residence on Sassafras St. Tuesday, April 5th, at 11 a. m. and were attended by a large number of friends, relatives and school children. Interment in Sudlersville cemetery.

Past his suffering—past his pain,
Cease to weep for tears are vain,
Calm the tumult of thy breast,
For he who suffered is at rest.

On account of the death of the manager of the baseball team Mr. Wm. J. Boyer, the game of ball and also the festival which was to have been held last Saturday, April 2, was postponed indefinitely. There will be a game today, however, and the festival will be held later on.

Mr. Olan Duling, who has been working in Wilmington during the winter is now at home once more..

The parsonage committee of the Ladies Aid Society gave a reception to the new pastor of the church at the parsonage last Friday.
