For Lame Back

An aching back is instantly relieved by an application of Sloan's Liniment.

This liniment takes the place of massage and is better than sticky plasters. It penetrates—without rubbing—through the skin and muscular tissue right to the bone, quickens the blood, relieves congestion, and gives permanent as well as temporary relief.

Here's the Proof.

Mr. JAMES C. LEE, of 1100 9th St., S.E., Washington, D.C., writes: "Thirty years ago I fell from a scaffold and seriously injured my back. I suffered terribly at times; from the small of my back all around my stomach was just as if I had been beaten with a club. I used every plaster I could get with no relief. Sloan's Liniment took the pain right out, and I can now do as much ladder work as any man in the shop, thanks to

Sloan's Liniment

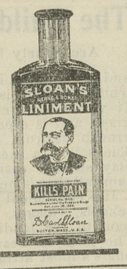

Mr. J. P. EVANS, of Mt. Airy, Ga., says: "After being afflicted for three years with rheumatism, I used Sloan's Liniment, and was cured sound and well, and am glad to say I haven't been troubled with rheumatism since. My leg was badly swollen from my hip to my knee. One-half a bottle took the pain and swelling out."

Sloan's Liniment has no equal as a remedy for Rheumatism, Neuralgia or any pain or stiffness in the muscles or joints.

Prices, 25c., 50c. and $1.00

One Conductor Who Was Cured,

Mr. Wilford Adams is his name, and he writes about it.—"Some time ago I was confined to my bed with chronic rheumatism. I used two bottles of Foley's Kidney Remedy with good effect, and the third bottle put me on my feet and I resumed work as conductor on the Lexington, Ky., Street Railway. It gave me more relief than any medicine I had ever used, and it will do all you claim in cases of rheumatism." Foley's Kidney Remedy cures rheumatism by eliminating the uric acid from the blood. The Sound Sleep of Good Health.

The restorative power of sound sleep can not be over estimated and any ailment that prevents it is a menace to health. J. L. Southers, Eau Claire, Wis. says:—For a long time I have been unable to sleep roundly nights, because of pains across my back and soreness of my kidneys. My appetite was very poor and my general condition was much run down. I have been taking Foley's Kidney Pills but a short time and now sleep as sound as a rock. I eat and enjoy my meals and my general condition is greatly improved. I can honestly recommend Foley's Kidney Pills as I know they have cured me." For sale by all druggists. J. T. SPRINGTIME.

Who does not welcome the springtime,
Which lengthens the evening hours?
The violets, the blossoms, the song birds,
Foretell of the April showers
Which fill the air with fragrance
Of the beautiful May flowers.

Who cannot welcome the springtime?
May God in His heavenly home
Look down in mercy upon them,
Touch the heart of the prodigal son,
And bid them be loyal forever
To Him who reigns alone.

Let us joyfully welcome the springtime,
It seems as a dream that's come true;
We long for the flowers in the winter,
When everything's cold and blue;
But our lives seem more worth the living
With a vision of the world made new.

Thank God for the beautiful springtime,
May it be a lesson to you,
That it pays to have faith in your Maker,
Through affliction (though you seldom do)
That He will always give us a springtime,
And a country where dreams come true.

"BENTZTOWN BARD" COMING.

That well-known writer the "Bentztown Bard," Mr. Folger McKinsey, of Baltimore, will give an entertainment in Chestertown at Firemen's Hall on Tuesday, May 10th, for the benefit of the Fire Company. Concerning the affair Mr. McKinsey writes:

"The entertainment which I have been giving consists of a reading from my poems of child life and village character and I call it 'A Trip to Childhood Town,' the poems being introduced and linked together with a running, informal commentary that gives them a sort of unity in carrying out the idea of the going back to childhood in memory and recollection. It is all a very simple and unpretentious entertainment, as I am not a professional in the matter of speeches and elocution, my aim merely being to interpret the poems I have written in my own way and thus give others an idea of my idea about them. It will be a great pleasure to me to come to Chestertown in aid of so worthy a cause, and I trust good weather and other good fortune will be with us so that good results may be obtained for you."

GOVERNOR DISSAPPROVES THE DIGGES BILL

Advisers In The Passage of The Bill Have Changed Their Minds and Glad The Governor Did Not Sign The Measures.

The absorbing topic of conversation among both Democrats and Republicans recently was the action of Governor Crothers in withholding his signature from the Digges bill, which proposed to disfranchise negroes by refusing them registration. Even the more pronounced advocates of the elimination of negroes from local and State elections commended the Governor's course. Although enthusiastically in favor of the bills at first, they had within the last few days come to realize the radical and revolutionary nature of the plan involving a defiance of the Fifteenth Amendment and are disposed to be grateful to the Governor for pointing out a way by which the question can be legally determined.

Old-line regular Democrats expressed gratification at the Governor's action, and he was commended as well by independent Democrats and Republicans for his patriotic stand and his courage in setting aside party caucus measures.

As will be remembered, the leading advocates of the entire plan were Messrs. William L. Marbury, Arthur W. Machen, Jr., and W. L. Rawls. For several days they were in Annapolis and discussed the bills with different members. Mr. W. Mitchell Digges, of Charles county, was much impressed with the plan, and at his suggestion a party caucus was called to consider it.

An almost unheard of precedent was established when Messrs. Marbury, Machen and Rawis were invited to attend a party caucus. For over two hours they explained the bills, which unanimously adopted, although several well-known Democrats, including President Gorman, of the State Senate, believed them to be too radical. Senator Gorman, however, acquiesced in the views of a majority of the causes, but insisted on the submission of a constitutional amendment providing that negroes owning $500 worth of property or more should be allowed to vote.

As soon as the Governor finishes considering the many bills which await his action he expects to confer with Attorney-General Isaac Lobe Straus, Messrs. Marbury, Machen, Rawls and other prominent Democrats in regard to the course to be pursued in testing the validity of the Fifteenth Amendment to the Constitution of the United States. The bulk of this work will devolve upon Mr. Straus.
