### RESOLUTIONS OF RESPECT

From the teachers and pupils of Millington High School on the death of their beloved principal, Prof. Wm. J. Boyer.

WHEREAS, Almighty God, our Father, has, in His infinite wisdom, removed from among us our highly and much esteemed co worker and teacher, Prof. WILLIAM J. BOYER; therefore, be it—

*Resolved*. That his faithfulness to duty, his untiring energy, seeking to promote the welfare and education of his scholars, his good christian character, worthy of emulation, his genial spirit, by which he won the affection and love of all who came in contact with him will be cherished, not only by his pupils and assistants, but by the parents and friends at large.

*Resolved*, That the removal of such a consistent and conscientious life from our midst will be deeply realized by the whole community, and especially will prove a great loss to the school in which he took such delight and labored for so earnestly; and we teachers shall sadly miss his kind words and friendly advice and the whole school will feel the great loss of such a wise, faithful counselor and friend.

*Resolved*, That with deep sympathy for the bereaved family, we, the teachers and pupils, present this token of esteem, and express the thought that our God is too wise to err and too good to be unkind, and that some day we may be able to understand.

*Resolved*, That a copy of these resolutions be sent to the family and to the county papers for publication.

## ROCK HALL NOTES.

Mr. T. J. Rich who has been shut in with an injured foot since early last fall, died very suddenly on Saturday morning from heart failure. In the death of Mr. Rich Rock Hall is the loser of another of its most estimable christian gentleman, who was highly esteemed by all who knew him. The survivors who sorrow not as those without hope, are a widow, three sons, Thomas L. Charles H. and Willard Rich and one daughter, Mrs. Alice Meeks. The funeral services were held on Monday afternoon, the pastor of the M. E. Church officiating. Undertaker Casey had charge with the following as bearers: W. T. Harrison, B. H. Coburn, J. W. Boyer, Jos. Williams, Geo. Davis and Jos. Ryan, selected from the membership of the Odd Fellows Lodge of which Order the deceased was an honored member. The Lodge designated a burial committee who performed the last sad rites of the Order at the grave.

Mr. Wm. M. Miller was a welcome visitor at the M. E. Church service on Sunday. Mr. Miller is happy in the thought that he is 74 years young. He looks fine as silk and weighs more than he ever did before. He says that the principles set forth by Ex-Gov. Hoke Smith are becoming more and more a realization as the years roll on and he hopes to live to see the day when Hon. Hoke Smith will occupy the Presidential chair in the National Capitol.

Mr. Frank McCloskey, of the city police force is enjoying a leave of absence for a short time among his relatives and friends at this place. Frank is in splendid physique and all our young men are glad to have him in their midst.

Mr. C. S. Satterfield was among us on Sunday.

Mr. R. J. Sullivan fortunately ran across the fishing rig of Mr. James Davis, which was lost several weeks ago, and restored them to the owner, but unfortunately five shad nets of his own rig have disappeared from their stakes off the mouth of Chester river, and Mr. Sullivan says they were not lifted from the stakes by big fish either, nor by wind and wave. By the way, Mr. Sullivan is engaged on an article entitled "Is Life Worth Living?" which he will present to one of our Fraternal orders of which he is a member in the near future. As Bob is an optimist from optimisticville, his paper is expected to be most interesting and will be hugely enjoyed.

Misses Helen Jones and Louise Littlepage, of Baltimore, spent a week with Mr. and Mrs. Chas. H. Jones.

The Rock Hall baseball team has organized for the season of 1910. The regular line-up is as follows: R. Lewis, c; C. R. Rodney, p; H. Hogans, 1b; N. Rodney, 2b; C. Thompson, ss; A. Downey, 3b; R. THE new automobile law passed by the last legislature was signed by the Governor and is now in force. Every person who drives a motor vehicle must secure a license from the Commissioner.

"The speed limit provided for in the law is 12 miles an hour in thickly settled and business sections of the cities, towns and villages of the State. In the outlying districts provision is made for 18 miles an hour, while in the open country the speed is set at 25 miles.

"In case of an accident in which a person or animal is injured the law requires that the driver stop and upon demand show his license and render what assistance he can. A penalty of $500 or six months in jail, or both, is provided for failur to comply to this. Joy riding is forbidden under the same penalty. The use of only hand horns is allowed in the cities, towns or villages, and the use of machine horns is unlawful.
