Col. Wm. J. Vannort Elected Commander of Maryland G. A. R.

The Department of Maryland, Grand Army of the Republic, met in executive session at 9 o'clock on Saturday morning at the Odd Fellows Temple Cathedral and Saratoga streets, Baltimore, and elected officers for the ensuing year. William J. Vannort was made debartmental commander. Mr. Vannort has a splendid military record, having enlisted as second lieutenant in Company H. He was mustered out August 17, 1865. He has held important offices in the Grand Army of the Republic. After being installed Commander Vannort appointed Robert C. Sunstorm, assistant adjutant-general, and John C. Erdman, assistant quartermaster-general. The encampment adjourned, to meet in Baltimore in April of next year. This is a decided honor for Col. Vannort and we congratulate him upon his election. We are sure he will fill the position with credit and dignity.

ELECTION OF Town Commissioner

And Vote Upon the Bonding of the Town for Improvement to Water Works.

NOTICE IS HEREBY GIVEN that an Election will be held at the Court House in Chestertown, Maryland, on

MONDAY, April 25th, 1910,

for the purpose of electing one person to serve for three years in the place of Thomas S. Bordley, one of the present commissioners, whose term expires on that date. Polls open from 9 A. M. to 6 P. M.

And under and by virtue of a law passed by the General Assembly of Maryland of 1910, at the said election there will be submitted to the qualified voters of Chestertown the question contained in a Bill, entitled—

AN ACT to authorize and empower the Commissioners of Chestertown, Kent county, Maryland, to borrow money on the credit of said town for the purpose of supplementing, enlarging, increasing and adding to the water works and system now belonging to and operated by the said town, and to issue bonds for the payment of the same, and to levy on the assessable property of the said town to redeem said bonds and to pay the interest on the same.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That for the purpose of supplementing, enlarging, increasing and adding to the waterworks and system now belonging to and operated by the town of Chestertown, the Commissioners of Chestertown, Kent county, Maryland, be and they are hereby authorized and empowered and directed to borrow money on the credit of the town of Chestertown, to an amount not exceeding ten thousand dollars ($10,000), and to issue coupon bonds on said town in payment of said sum, and the interest to accrue; provided, however, that the question of the issue of the said bonds shall be submitted to the voters of said town qualified to vote for the Commissioners of Chestertown, at the election to be held in said town as hereinafter provided. The said bonds shall be issued in the sum of five hundred dollars ($500) each; shall have coupons attached for the interest thereon, payable semi-annually at the rate not exceeding five per cent. per annum; the bonds shall be signed by the Commissioners of Chestertown with the corporate seal of the said Commissioners affixed and shall be registered by the Clerk of said Commissioners in a book kept for that purpose. The coupons attached to said bonds shall be signed by the Clerk of said Commissioners. Said bonds shall be issued at such time as the Commissioners aforesaid shall determine, subject to the provisions of this Act; provided that the date of issue shall not be more than sixty days after the date of the election held, as hereinafter provided. The bonds shall be designated as Chestertown Water Bonds, "Second Series," and numbered consecutively, and shall be payable in sums of five hundred dollars in each of the years, beginning with the tenth day of July, 1915, and one bond shall be paid each year thereafter until fully paid; but said bonds shall be redeemable, however, at the option of said Commissioners after ten years from the date of this issue. They shall be exempt from municipal and county taxation, and shall have printed on them a reference to the Act of Assembly authorizing their issue. The said Commissioners are directed to advertise at least one a week for three successive weeks in three newspapers published in Kent county, for sealed proposals for the negotiation of said bonds, on a certain day to be named in said advertisement; they shall, in the presence of such persons as may be interested in said bids, open all bids received, and award the bonds to the highest bidders; provided, no bid less than par shall be accepted.

SEC. 2. *And be it enacted*, That at the next regular election for a Commissioner of Chestertown there shall be submitted to the voters qualified to vote at said election for Commissioners of Chestertown, the question whether the said bonds shall be issued, and at such election the ballots cast upon the question shall have printed or written thereon the words, "For the Bond Issue" or "Against the Bond Issue;" and if the majority of the votes cast upon said question shall be "For the Bond Issue," then the Commissioners of Chestertown, or a majority of them, shall proceed to execute the power vested in them by this Act and shall issue the bonds as herein provided; but if the majority of votes cast shall be "Against the Bond Issue," then this Act shall be null and void.

SEC. 3. *And be it enacted*, That if the result of said election shall be in favor of said bond issue, then all the proceeds from the sale of said bonds shall be turned over to the Water Board of said town holding office under the provisions of Chapter 289, of the Acts of the General Assembly of Maryland passed at the January Session, 1908. The said Water Board shall receive said money and deposit same in some bank in Chestertown to be designated by said Water Board, and shall disburse the same on the order of said Water Board by check, to be signed by the president and treasurer thereof, in supplementing, enlarging, increasing and adding to the waterworks system, in strict accordapce with the recommendations of a committee of citizens of Chestertown made to said Water Board and by said board approved and adopted on the 16th day of February, 1910, and now filed in the office of the Commissioners of Chestertown

SEC. 4. *And be it enacted*, That after repairs, maintenance and running expenses are paid out of the water rents from said waterworks, all surplus from said waterworks accruing from year to year shall constitute a sinking fund, which said Water Board is hereby directed to create and maintain for the payment of interest and for redemption of said water bonds when redeemable, and any excess thereof shall be expended under the direction of said Water Board for any extraordinary expenses in maintaining and improving said waterworks, and said Water Board shall on or before the 30th day of June and the 31st day of December in each and every year pay to the Commissioners of Chestertown out of said sinking fund a sum sufficient to pay the semi-annual interest on said bonds; and on the 30th day of June of each year an additional sum for the redemption of the one-twentieth part of the principal of said bonded debt, as the same shall mature, so that the semi-annual interest and the whole of said bonds may be provided for and paid in the time hereinbefore limited, and the sum of money so received by the Commissioners of Chestertown shall be applied to the payment of the interest on said bonds when redeemable. And, should said water rents or revenues be insufficient to pay the interest on said bonds and the one twentieth part of the bonded debt as it matures, the said Commissioners of Chestertown are hereby authorized and directed to levy and collect annually a tax upon the taxable property in Chestertown for a sum as will, with the net water rents and revenues from waterworks provide for the payment of the interest on said bonds as same matures and one-twentieth part of the principal of said bonded debt.

SEC. 5. *And be it enacted*, That this Act shall take effect from the date of the passage.

BY ORDER OF BOARD OF CHESTERTOWN COMMISSIONERS.

FOLEY'S KIDNEY REMEDY
Makes Kidneys and Bladder Right

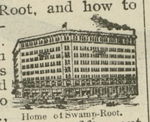

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble.

Home of Swamp-Root.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

HOW TO CURE RHEUMATISM.

It Is an Internal Disease And Requires an Internal Remedy.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. Rubbing in Oils and Liniment will not cure, affords only temporary relief at best, causes you to delay the proper treatment, allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatsim than paint will change the fibre of rotten wood.

Science has at least discovered a perfect and complete cure. which is called "Rhumacide." Tested in hundreds of cases, it has affected the most marvelous cures; we believe it will cure you. Rheumacide "gets at the joints from the inside," sweeps the poison out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide "strikes the root of the disease and removes its cause." This splendid remedy is sold by druggists and dealers generally at 50c and $1 a bottle. In tablet form at 25 and 50c a package. Get a bottle to-day. Booklet free if you write to Bobbitt Chemical Co., Baltimore, Md. Trial bottle tablets 25c by mail. 15Jan4m.

$20,000 OF IT GOES TO EASTERN SHORE

Maryland's appropriations in the Senate river and harbors bill, now completed allow that State an increase of $22,760 for its waterways. This makes the total for the Chesapeake bay and its estuaries $224.615, instead of $201.755, as reported by the House six weeks ago.

Of the Senate increase $20,000 goes to the Eastern Shore, and for the improvement of the harbors of Rock Hall, Queenstown, Claiborne and Cambridge, and for the Chester, Choptank, Warwick and Manokin rivers. The sum for these waters now is $80,000, instead of $60,000 and the increase was due to the efforts of Senator Smith and Representative Covington. The Nanticoke river project, including its improvement from its mouth to Federalsburg, will receive a total of $12,960 under the Senate bill, instead of $10,100, as provided in the House.

BUGEYE LILLIAN SUNK

Vessel and Steamer Ericsson Collide—Crew of Former Rescued.

The buyege Lillian and the Baltimore and Philadelphia steamer Ericsson were in collision Monday night off Betterton, resulting in the sinking of the bugeye and the narrow escape of her crew from drowning. The Ericsson, in command of Captain Grace, was bound for Philadelphia, and when within a short distance of Betterton crashed into the smaller vessel, which was so badly damaged that she sank a few minutes afterward.

The crew of the Lillian, which was in sommand of Capt. Howard Johnson, hurriedly escaped from the sinking vessel by getting into a power yawl, which was being towed astern, and were afterward rescued by Captain Grace, who took them on board the Ericsson and landed them at Betterton. Those rescued included Captain Johnson, his aged father, Nelson Johnson, and A. B. Tolson. The Lillian had on board about a ton of salted eels, and was on her way to port when the collision occured.

The night was very dark, and Captain Johnson, of the Lillian, avers that his side lights were burning brightly and in addition when he saw the steamer bearing down on his vessell he waved a lantern to attract the attention of those on the steamer, as it was impossible for him to get out of the way. The launch from which the men were rescued was left to drift about the Bay, but efforts were made to locate it, as it is believed it went ashore somewhere in the vicinity.

The Lillian is owned by Mr. L. M. Kelley, of Chestertown, Md., and is a small vessell of about 10 tons register. Efforts will be made to raise the vessell and take her to the nearest shipyard for repairs.

TO ASK YOU QUESTIONS

The Census Enumerators Will Have About 100 Which You Must Answer.

On Friday, April 15th, the census of the United States begins. It occurs every ten years. It is the basis of the distribution among the states of representation in the national House of Representatives. It is also the means by which the United States government ascertains the increase in the population, agriculture, industries and resources of the nation. It is required by the Constitution and by act of Congress. The information sought will be used solely for general statistical purposes. It will neither be published nor used in any other way to disclose facts regarding any individual or enterprise. The census inquiries are defined by act of Congress. The questions on the schedules are framed by the director of the census in conformity with that act. They apply to all persons living in the United States on April 15. The same questions are asked about each person. All persons must answer all the questions. The census law with reference to population, requires that the enumerator's questions shall, for each inhabitant, call for: The name, relationship to head of family, color, sex, age, conjugal condition, place of birth, place of birth of parents, number of years in the United States citizenship, occupation, whether or not employer or employee, whether or not employed at the date of enumeration and the number of months unemployed during the preceding calendar year, whether or not engaged in agriculture, school attendance, literacy, and tenure of home, and whether or not a survivor of the Union or Confederate army or navy; and the name and address of each blind or deaf and dumb person." The same law, with reference to agriculture, requires that the enumerator's question shall call for: The name, color, and country of birth of occupant of each farm, tenure, acreage of farm, acreage of woodland and character of timber thereon, value of farm implements, number and value of live stock on farm and ranges, number and value of domestic animals not on farms and ranges, and the acreage of crops planted and to be planted during the year of enumeration, and the quantity and value of crops and other farm products for the year ending December 31 next preceding the enumeration.

Census enumerators wearing official badges with "U. S. Census 1910" stamped on them, will go from house to house, and farm to farm. Replies to enumerators are and must be, held by the census bureau in strict and absolute confidence. All the United State census official, supervisors, supervisors' clerks, enumerators ann interpreters, before entering upon duties, are obliged to take a solemn oath not to disclose any information they may obtain, except to the census bureau, and a violation of the United States law in regard to this oath means a $1,000 fine, or imprisonment for two years, or both, in the discretion of the court.

If any adult person refuses or wilfully neglects to answer an enumerator's question, or, if any person wilfully gives answers that are false, he or she can be arrested, carried to court and fined up to $100. Keepers of hotels, apartment houses, tenements or other buildings, in persons make their homes, must help the enumerator when asked, or they will be liable to arrest and punishment by a fine up to $500.
