BARROLL FACTION APPOINTEES.

The Board of County Commissioners Do Not Allow Messrs. Loud Nor Dudley Any Part In Naming Officials in County — A Change From Former Policy.

The County Commissioners at their regular meeting on Tuesday broke all precedents in naming officials for different offices in the county, naming all Barroll men with but three exceptions, and paying no attention whatever to the district men recommended by Commissioners Alfred C. Loud and C. Bradford Dudley.

For assessors the following were named: First District, William Steel; Second District, to be named later; Third District, Harvey Brice; Fourth District, Edw. Robinson; Fifth District, Hugh McCloskey; Sixth District, Thomas J. Davis; Seventh District, Victor Hendrickson.

Mr. Thomas J. Donaho was named over Mr. Christopher Conner in the First District for trustee to the almshouse.

Mr. J. Hydie Thompson was named over Mr. Charles Kibler in the Fourth District for trustee to the almshouse.

Mr. John T. Watts, a faithful and worthy Democrat, was supplanted as keeper of Morgan creek bridge by Mr. Frank Plummer, tenant on the Hubbard farm.

Mr. Enoch Latham, another good Democrat, was supplanted as county wharfinger at Chestertown by Mr. Wm. R. Aldridge.

The following were reappointed: Mr. John W. Brown, janitor at court house: Dr. H. L. Dodd, physician at jail; Dr. H. G. Simpers, county health officer.

Under the re-assessment law, the duty of each district assessor will be to act as clerk to the assessors at the same time, for which they will receive an extra compensation of $2 per day, their per diem being $5 for acting as assessors. The County Commissioners may, however, decide to appoint a clerk to all of the board of assessors at a salary of $2 per day, and thereby deprive the district assessors from acting in that capacity. Besides the commissioners will have the appointment of a clerk to the Board of Control and Review, who will receive the same per diem as the assessors at large and the district assessors.
