MADE TRIP AROUND THE WORLD.

After taking a trip which lasted six months, during which the world was encircled, Mr. William A. Potts, manager of Tolchester Beach, returned to the city two days ago. He was one of the passengers on the steamer Cleveland, which he says is the first pleasure boat bearing passengers to make this kind of an excursion. The steamer sailed from New York on October 1, the first stop being at Madeira, where the tourists remained two days. They next stopped at Gibraltar, thence going to Spain, Naple, and Messina, where they explored the ruins of the resent earthquake.

Leaving Messina they journeyed to Port Said and crossed overland to Cairo, while the steamer after passing through the Suez Canal coaled at the city of Suez. The passengers again embarked at that point, and sailing down the Red Sea, crossed the Indian Ocean to Bombay. They visited Ceylon and stopped at Kandy to view the botanical gardens, which are said to be the finest in the world. The travelers also visited several points of interest in India, and saw the sunrise on Mount Everest, in the Himalayas, one of the highest peaks in the world. They next visited Borneo and saw Madila, P. I., where they were entertained by the American citizens of that port.

After inspecting the island of Luzon, they next set sail for China and Japan, and after spending sometime there, turned their faces toward home, stopping at Honolulu, where the steamer again took on coal. Leaving Honolulu they sailed straight for Seattle, where the party disbanded.

ELECTION OF
Town Commissioner
And Vote Upon the Bonding of the Town for Improvement to Water Works.

NOTICE IS HEREBY GIVEN that an Election will be held at the Court House in Chestertown, Maryland, on

MONDAY, April 25th, 1910,

for the purpose of electing one person to serve for three years in the place of Thomas S. Bordley, one of the present commissioners, whose term expires on that date. Polls open from 9 A. M. to 6 P. M.

And under and by virtue of a law passed by the General Assembly of Maryland of 1910, at the said election there will be submitted to the qualified voters of Chestertown the question contained in a Bill, entitled—

AN ACT to authorize and empower the Commissioners of Chestertown, Kent county, Maryland, to borrow money on the credit of said town for the purpose of supplementing, enlarging, increasing and adding to the water works and system now belonging to and operated by the said town, and to issue bonds for the payment of the same, and to levy on the assessable property of the said town to redeem said bonds and to pay the interest on the same.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That for the purpose of supplementing, enlarging, increasing and adding to the waterworks and system now belonging to and operated by the town of Chestertown, the Commissioners of Chestertown, Kent county, Maryland, be and they are hereby authorized and empowered and directed to borrow money on the credit of the town of Chestertown, to an amount not exceeding ten thousand dollars ($10,000), and to issue coupon bonds on said town in payment of said sum, and the interest to accrue; provided, however, that the question of the issue of the said bonds shall be submitted to the voters of said town qualified to vote for the Commissioners of Chestertown, at the election to be held in said town as hereinafter provided. The said bonds shall be issued in the sum of five hundred dollars ($500) each; shall have coupons attached for the interest thereon, payable semi-annually at the rate not exceeding five per cent. per annum; the bonds shall be signed by the Commissioners of Chestertown with the corporate seal of the said Commissioners affixed and shall be registered by the Clerk of said Commissioners in a book kept for that purpose. The coupons attached to said bonds shall be signed by the Clerk of said Commissioners. Said bonds shall be issued at such time as the Commissioners aforesaid shall determine, subject to the provisions of this Act; provided that the date of issue shall not be more than sixty days after the date of the election held, as hereinafter provided. The bonds shall be designated as Chestertown Water Bonds, "Second Series," and numbered consecutively, and shall be payable in sums of five hundred dollars in each of the years, beginning with the tenth day of July, 1915, and one bond shall be paid each year thereafter until fully paid; but said bonds shall be redeemable, however, at the option of said Commissioners after ten years from the date of this issue. They shall be exempt from municipal and county taxation, and shall have printed on them a reference to the Act of Assembly authorizing their issue. The said Commissioners are directed to advertise at least once a week for three successive weeks in three newspapers published in Kent county, for sealed proposals for the negotiation of said bonds, on a certain day to be named in said advertisement; they shall, in the presence of such persons as may be interested in said bids, open all bids received, and award the bonds to the highest bidders; provided, no bid less than par shall be accepted.

SEC. 2. *And be it enacted*, That at the next regular election for a Commissioner of Chestertown there shall be submitted to the voters qualified to vote at said election for Commissioners of Chestertown, the question whether the said bonds shall be issued, and at such election the ballots cast upon the question shall have printed or written thereon the words, "For the Bond Issue" or "Against the Bond Issue"; and if the majority of the votes cast upon said question shall be "For the Bond Issue," then the Commissioners of Chestertown, or a majority of them, shall proceed to execute the power vested in them by this Act and shall issue the bonds as herein provided; but if the majority of votes cast shall be "Against the Bond Issue," then this Act shall be null and void.

SEC. 3. *And be it enacted*, That if the result of said election shall be in favor of said bond issue, then all the proceeds from the sale of said bonds shall be turned over to the Water Board of said town holding office under the provisions of Chapter 289, of the Acts of the General Assembly of Maryland passed at the January Session, 1908. The said Water Board shall receive said money and deposit same in some bank in Chestertown to be designated by said Water Board, and shall disburse the same on the order of said Water Board by check, to be signed by the president and treasurer thereof, in supplementing, enlarging, increasing and adding to the waterworks system, in strict accordapce with the recommendations of a committee of citizens of Chestertown made to said Water Board and by said board approved and adopted on the 16th day of February, 1910, and now filed in the office of the Commissioners of Chestertown.

SEC. 4. *And be it enacted*, That after repairs, maintenance and running expenses are paid out of the water rents from said waterworks, all surplus from said waterworks accruing from year to year shall constitute a sinking fund, which said Water Board is hereby directed to create and maintain for the payment of interest and for redemption of said water bonds when redeemable, and any excess thereof shall be expended under the direction of said Water Board for any extraordinary expenses in maintaining and improving said waterworks, and said Water Board shall on or before the 30th day of June and the 31st day of December in each and every year pay to the Commissioners of Chestertown out of said sinking fund a sum sufficient to pay the semi-annual interest on said bonds; and on the 30th day of June of each year an additional sum for the redemption of the one-twentieth part of the principal of said bonded debt, as the same shall mature, so that the semi-annual interest and the whole of said bonds may be provided for and paid in the time hereinbefore limited, and the sum of money so received by the Commissioners of Chestertown shall be applied to the payment of the interest on said bonds when redeemable. And, should said water rents or revenues be insufficient to pay the interest on said bonds and the one twentieth part of the bonded debt as it matures, the said Commissioners of Chestertown are hereby authorized and directed to levy and collect annually a tax upon the taxable property in Chestertown for a sum as will, with the net water rents and revenues from waterworks provide for the payment of the interest on said bonds as same matures and one-twentieth part of the principal of said bonded debt.

SEC. 5. *And be it enacted*, That this Act shall take effect from the date of the passage.

BY ORDER OF BOARD OF CHESTERTOWN COMMISSIONERS.
THOMAS S. BORDLEY, Clerk. ap9-3t.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

Home of Swamp-Root.

HOW TO CURE RHEUMATISM.

It Is an Internal Disease And Requires an Internal Remedy.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. Rubbing in Oils and Liniment will not cure, affords only temporary relief at best, causes you to delay the proper treatment, allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatsim than paint will change the fibre of rotten wood.

Science has at least discovered a perfect and complete cure, which is called "Rhumacide." Tested in hundreds of cases, it has affected the most marvelous cures; we believe it will cure you. Rheumacide "gets at the joints from the inside," sweeps the poison out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide "strikes the root of the disease and removes its cause." This splendid remedy is sold by druggists and dealers generally at 50c and $1 a bottle. In tablet form at 25 and 50c a package. Get a bottle to-day. Booklet free if you write to Bobbitt Chemical Co., Baltimore, Md. Trial bottle tablets 25c by mail. 15Jan4m.

JUNIOR'S CONVENTION

247 Delegates Present From All Parts of The State—A Delightful Visit In Chestertown.

The Junior Order United American Mechanics of Maryland begun its forty-first session in Stam's Hall, Chestertown, on Tuesday with 300 representatives present from all parts or the State. The session was opened Tuesday morning at 10 o'clock with an address of welcome by Prof. J. L. Smyth, of Chestertown High School. After reading of the officers' reports the nomination of officers for the next term was finished at 12.30 o'clock, when the meeting adjourned until 2 p. m.

The afternoon session furnished a surprise in the presence of National Secretary Martin M. Woods, who outlined the history of the National Orphans' Home, at Tiffin, O. National Secretary Stephen Collins, of the National Funeral Benefit Department, was also present and showed the wonderful progress of his department and complimented the Marylanders for the record made in this State. After the speeches the session went into committee of the whole to discuss about 100 amendments to the State constitution and by-laws of the order.

The committee reported back at 6 p. m., when the session adjourned till 3 o'clock. The special order of business for the night session was memorial services in honor of Past State Councilor Luther C. Webster, of Deals Island, who was killed by accident at Sparrows Point last October.

The report of a special building committee urged that a large building to be used as State headquarters be erected in central Baltimore. Indications are that the building, which, if present plans are carried out, will be one of the handsomest and largest of its kind in the East. This order is one of the strongest in the State, having a total membership of 25,000.

The local committee on arrangements comprised Messrs. John Gale Usilton, Wm. Malin, Walter Bennett, Frank Elburn, W. A. Burke, J. W. Barnes and they did everything in their power to make the visitors comfortable. They were certainly a fine body of men and made a favorable impression here.

The following officers were elected after an exciting election:

State Counselor, Herman L. Mennerick.
State Vice-Counselor, James Young.
State Council Secretary, Charles S. Davis.
Asst. State Council Secretary, W. Dudderar.
State Treasurer, W. L. James.
State Warden, W. T. Griffith.
State Conductor, S. G. Jones.
State Inside Sentinel, W. Evans.
State Outside Sentinel, Edgar Mercer.
State Chaplain, M. R. Etchison.

The next Convention will meet in Brunswick.

ROUGH TRIP AND THEN LOST GAME

Johns Hopkins Ball Team Met With Two Setbacks.

The Helen Avetta, a gasoline yacht, having aboard the members of the baseball team of the Johns Hopkins University, which left Chestertown early Sunday morning bound for Baltimore, encountered some very rough weather before arriving at the city.

The party left Baltimore early Saturday morning for Chestertown, where a game of ball was to be played, and the return to Baltimore was begun late in the afternoon. The trip down the Bay was without any mishap, but when the time came to start back to Baltimore the wind was blowing a gale and the party decided to spend the night in Chestertown.

At 4.30 o'clock Sunday morning the storm had abated somewhat and the trip was commenced. The run down the Chester River was made without any trouble, but as the yacht neared the mouth of the river she encountered a severe gale. It was raining hard, the sea was high and rough and the waves nearly washed over the little craft. A consultation was held among the party and it was then decided that to attempt to cross the Bay in such a storm would be perilous and it was decided to put in at Rock Hall. A few minutes later, however, the storm subsided and the trip across the Bay was made without any mishaps.

The yacht docked at Pier 2, Light Street Wharf, about 1.30 o'clock Sunday afternoon. With the exception of Mr. Palmer Treadway and a student named Callahan, all those who went over on the yacht Saturday made the return trip Messrs. Treadway and Callahan stayed over and came up on the train. Among those who made the trip were:

Hyland P. and Warren Stewart, both of 2213 St. Paul street; Ernest J. Peiper, 1 West Erdman avenue, Arlington; Howard L. Taylor, Weeseville, N. Y.; James H. Whitcraft, Carrollton, Ohio; John N. Ware, Culpeper, Va.; Harold H. Newnam, Woodstock, Va.; Henry N. Shaw, Oxford, Pa.; Paul R. Siebur, Gettysburg, Pa. Clarence Porter, 2908 Parkwood avenue, Baltimore; John B. Morton, Worcester, Mass.; Amos F. Hutchkins, Carstow, Md.; Harold P. Disney, 100 West Hopkins avenue, Baltimore; Patrick T. Maguire, Piedmont, W. Va., and Palmer Treadway.

The Hopkins ball team lost the game to Washington College by the score of 20 to 2.

MADISON BROWN, attorney for James A. Lee, owner, will sell at Public auction to the highest bidder, in front of the Court House door, in the town of Centreville, Thursday, May 5, 1910, all that property known as the "White Farm," on the public road from Church Hill to Sudlersville, containing 169 acres of land. For terms and particulars see advertisement.
