Nobby Vehicles.

It Pays to Investigate!

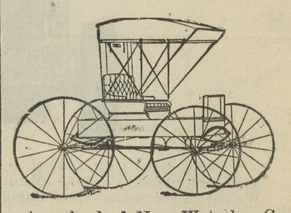

In the carriage line this is doubly true, because vehicles are apparently alike when vastly different.

If you will take a look at our "NEW WATERLOO JOBS," note the snappy styles, the good class of work and all that goes to make a vehicle of value—then consider the fact that we as dealers are under no extra expense whatever to sell these jobs, no commissions, no rents—(we buy only in solid carload lots to the very best advantage)—you will readily see why we can sell as we do, and why it is to your own good interest to buy from us.

Terms made satisfactory.
