FEED FAIRFIELD'S BLOOD TONICS POWDERED

A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to resp a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

THE FAIRFIELD PREPARATIONS ARE SOLD UNDER WRITTEN GUARANTEE BY

KENT COUNTY ROADS.

Engineer Isaac Gibbs, Jr., Receives Commission and Starts on His New Work—Cordially Received.

Mr. Isaac Gibbs, Jr., received his commission as road engineer for Kent county for six years and swore in before Clerk of the Circuit Court James T. Dixon on Monday. Mr. Gibbs met with the Board of County Commissioners on Tuesday and was cordially received. There is no reason why they should not work harmoniously together for the best interest of the taxpayers. Mr. Gibbs met scores of persons in town Monday and Tuesday all of whom gave him a hearty and earnest wish for success. He is a young man of ability and character and with the encouragement of taxpayers will make good.

In another column will be found a notice discontinuing all work on the public roads unless by Mr. Gibbs order. The appointment of supervisors will be deferred until their need is impressed upon the engineer. These supervisors will be paid $3.00 every day they are employed and they will be expected to be on the road at work with the men from morning till night, supervising and superintending, etc.

Mr. Gibbs is advising with Engineer Uhler this week as to how the roads have been managed in his territory. It is his purpose to only do necessary work leaving permanent road work building for a later year.

MORRIS WINS SUIT.

Five Days Consumed at Centreville in Trying Kent County Case of Cannon versus Morris—New Trial Asked.

The much-talked about damage case of David E. Cannon against Walter T. Morris was concluded at Centreville on Tuesday by the jury rendering a verdict for Morris. The lawyers for Mr. Cannon claim that inasmuch as the Court considered the warrant issued by Justice Loud illegal and because of the instructions of the Court to the jury they will ask for a new trial. This motion for a new trial will be heard at Easton.

The costs in this case, all of which according to the verdict will be assessed to Cannon, will amount to five or six hundred dollars.
