BETTERTON'S BIG FOURTH.

We are glad to report that our little resort had the largest and best crowd of visitors on the Fourth that has ever been here before. Beginning on Saturday every incoming boat brought crowd after crowd until every hotel, cottage and private home was filled to overflowing and compelled to turn people away. One of the Ericsson steamers which left Baltimore at 6 30 p. m bound for here with a load of human freight was compelled to return to the city on account of fog. Had that steamer arrived here it is doubtful whether or not the boarding houses could have accommodated the large unexpected crowd on Sunday and Monday with meals. It was a grand Fourth for Betterton and every citizen is pleased. It was a great beginning for what looks like a big boarding season at our little resort. Owing to the streets and sidewalks being torn up to some extent for the laying of concrete, the prettiness of our village was somewhat lacking, yet the harbor and beach made up for this loss. The harbor was a beautiful sight, there being more yachts and launches anchored off here than ever before, and each was gayly decorated in its set of colors. The business and amusement places along the beach front were tastily decorated with flags. One noticeable feature of the day was the presence of numerous automobile parties, and each machine being decorated in flags.

It is claimed by Mr. Burn's engineer that his pretty and swift launch raced and defeated Fairbanks fast launch, of Baltimore. This recalls the fact that a race between Mr. Burn's launch representing the local place, Mr. Ainscows' fast launch, of Wilmington, and the Bauer's launch, of Baltimore, would be an interesting race at our little resort and some effort should be made to get the event.

Turner's New Pier was thrown open to the public Saturday night and its amusements, its accommodations, its appointments are certainly an addition to Betterton.

The Beach Amusea was certainly a favorite place during the holiday. A large crowd from both city and country enjoyed the skating and bowling.

IN MEMORIAM.

WIRTS.—In sad but loving remembrance of our dear baby, who died one year ago, July 11.

One long year has passed and still we miss him,
Friends may think the wound is healed;
But they little know the sorrow
That lies within our hearts concealed.
Hour by hour we saw him fade,
And slowly sink away;
Yet in our hearts we often prayed
That he might longer stay.

MILLINGTON ITEMS.

The "Greatest Fourth" in the history of our town was last Monday. People began coming from far and near at day break and continued down till night. At 10 o'clock A. M. the streets were almost impassable. At 11 30 A. M. the the big dress parade started from the railroad lots in the northeastern part of the town. The first prize was taken by Mr. Paul Comegys, the hardware man. His float consisted of a manure spreader decorated with bunting, and inside was the "Goddess of Liberty" carrying aloft an American flag. Around her were sitting young ladies dressed in the colors and bearing the names of the thirteen original colonies. The second prize was awarded to Miss Edna Spear, who was attired in the costume of the "Belle of the Plains." She carried an American flag and was seen defending it with her weapons. Immediately after the parade ended able speakers addressed the public from the veranda of Central Hotel. At 1.30 the Millington Concert Band gave a free concert on the plaza and then marched to the baseball grounds to see the great double-header between the Millington baseball club and the strong Parkside team, of Wilmington, Del. The first game resulted in a score of 9 to 3 in favor of Parkside, and the second with a score of 4 to 2 in favor of the "other side." At 8 P. M. another concert was given, after which the great display of fireworks was set off, and the balance of the evening was spent at the festival given for the benefit of the cand. FOURTH AT ROCK HALL RACE COURSE

Before a crowd of about five-hundred ladies, men and children of the surrounding community and visitors from Baltimore and other places, the Rock Hall Racing Association held the second of a matinee races last Monday.

Among the visiting horses that started was Boxwell, Jr., owned and driven by Mr. Herbert Matthews, of Worton; also Mr. F. M. Miller's two promising youngsters of Chestertown.

Boxwell, Jr., proved himself a worthy contestor, as did Kentwood, Durock, Belton, Jr., and the veteran Pearl, each finally "bringing home the bacon" in their respective classes.

Kentwood started in the last heat only of the Class A, due to some objection to classification, after which he went an exhibition mile.
