SATURDAY, JULY 16, 1910.

YES, the NEWS has for years been called the Kent County Bible.

THE first public meeting of the Farmers' Commission, recently appointed by Governor Crothers, will be held Thursday of next week, July 21, when a number of experts will address the farmers on agricultural topics.

MANY compliments have been paid the NEWS but the last was the best, viz., that the gospel according to John is given each week in the NEWS. Could there be a more reliable witness than this disciple and to think that the NEWS should be his mouth piece!

THE gospel according to John, 7th Chapter and 24th verse says, "Judge not according to the appearance, but judge righteous judgment." Then again according to John in Chapter 8 we find this conclusion of the Saviour's teaching: "He that is without sin among you, let him first cast a stone at her. And they which heard it, being convicted by their own conscience, went out one by one, etc."

WHILE Mr. Glenn H. Curtiss was flying over the water at Atlantic City on Tuesday he amused himself by dropping oranges from his machine, the purpose being to demonstrate how easily a man with bombs might destroy naval ships in time of war. The oranges were dropped with wonderful precision, and it was held that the rapidity of action on the part of the aviator in shifting his craft would have prevented him from being hit by bullets fired from below.

THE Superior Court of Delaware on June 7 decided that the present administration of Wilmington (Democratic) is de facto only, as the last city election was illegal. This was due to a mix-up in the passage by the Legislature of a law providing for city elections. Gov. Pennewill intimated that he would call a special session of the Legislature to adjust the tangle, and this the City Council will ask him to do. Meanwhile the city government is in a chaotic state. Two hundred couples, mostly non-residents of Delaware, who have been married by Mayor Spruance, of Wilmington, since he became city executive a year ago, are probably not legally wedded. The unrest occasioned by the refusal of N. W. Harris & Co., New York bankers, to accept $200,000 of Wilmington bonds because their attorneys decided that city has no legal government, was accentuated when the Mayor announced that he would not perform any more marriages. This action on his part puts a serious doubt on the legality of the many marriages he has performed. He refused to marry several couples on Tuesday.

GOV. CROTHERS HERE

Governor Crothers arrived at Chestertown 10.30 Thursday night from Queen Anne's in an automobile. He remained over night at the Voshell House, ate breakfast at 6 o'clock and left for Elkton. He was accompanied by President Tucker and two other gentlemen. They were on a tour of inspection of the good roads. He is a hustler, sure.

THE day of telephone, telegraph and electric light poles has passed for Georgetown, Del. The council decided at a recent meeting after hearing a report on the destruction of trees in the town and obstruction of the sidewalks with these unsightly objects, that all wires must go underground.
