The quiet of our town was startled by the alarm of fire on Monday morning. The fire was found to be at the home of Mr. Ed Sims on the Gratitude thoroughfare which was destroyed. The fire originated in the upper part of the chimney, there was no fire in the stove in the room below. The contents of the building were saved, and if knowledge of the fire could have been given the residents of the town promptly the house could have been saved, as it was about two hours burning. Janitor Satterfield was away so that the hall bell could not be used. Finally access to the church bell was gained and the alarm given. Heroic efforts had to be made to save other nearby dwellings, one of which was not more than 12 feet distant. The property loss was $2,000, insured for about $1,000.

A heavy electrical storm on Tuesday evening did considerable damage in nearby sections.
