Manure Spreader Talk

IT IS A FACT that the Manure Spreader is here to stay just as much so as the binder, the farm wagon or the plow. Therefore, it is necessary in the purchase of a Spreader to try and get the best. After carefully going over various makes we believe we present the leader in machines of this kind when we offer the

Corn King

The main frame has two substantial side sills and five cross sills. This material is all air dried which gives it longer life.

The frame is well braced, each cross sill is strengthened by a steel truss rod which acts as a brace in center of sill and prevents sogging.

The apron on the Corn King Spreader is of the return tyre—that is, as it delivers the load to the beater and it folds back under the spreader bed on steel track. When the entire load is fed out it throws itself out of gear and is then returned to the loading position by means of a clutch.

Further information can be had from our Catalogue which is FREE for the asking.

FEED FAIRFIELD'S BLOOD TONIC POWDERED
A SEPARATE PREPARATION
FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

THE FAIRFIELD PREPARATIONS ARE SOLD UNDER WRITTEN GUARANTEE BY

KILLED BY LIGHTNING!

Two Campers from Chester Struck by Bolt of Lightning at Betterton on Sunday—One Dead, the Other Will Survive.

During a storm which passed over Betterton Sunday about 6 o'clock, Frank Chrismier, aged 21, of Eddystone, was killed and George Schoenberger, aged 24, of Leiperville, was knocked unconscious, when a bolt of lightning struck them. At the same time Edw. Johnson, John and Edw. James, of Eddystone, and Roy Mitchell, of Chester, were stunned.

Mr. Schoenberger, in talking with a NEWS reporter, stated that he and Frank Chrismier were members of the Colonial Camping Club, of Chester, and had started across the camp when the storm overtook them and they ran for shelter in a small outhouse. He had his hand on Frank's shoulder talking to him when they both were knocked senseless to the floor. He doesn't know how long he lay unconscious but upon awakening saw his companion lying dead at his side and felt numb himself. Roy McDowell and Edw. Johnson, who were in a tent not far away, felt the shock somewhat and were the first to find the afflicted companions. Drs. Maxwell, Kelley and Atwell were called and after much skill and labor Mr. Schoenberger was revived and is getting along nicely. He is at the home of Miss Emma Anderson. The body of Chrismier was taken to Philadelphia Monday on the 11 o'clock boat. From there it was sent to his home in Chester. Accompanying the body was his fiancee, who was a member of the camping party which included the victim. She was kept in ignorance of his death until Monday morning, being told that her intended had been badly injured.

Chrismier is survived by his mother, Mrs. Mary Baker, and by three brothers, Messrs. Emil, William and Dafil Chrismier, all of Chester.
