Nothing Better For the Money —THE NEWS at $1 Per Year

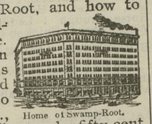

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble.

Home of Swamp-Root.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Attracted by the sound and flame of an exploding lamp sitting on a stand just outside his bedroom door, Mr. H. H. Benneman, one of Millington's prominent merchants arose to investigate. On opening the door Mr. Benneman beheld a wall of flame and seeing the house was on fire he started to escape by running through the flame and down the stairs. Instead of escaping though Mr. Benneman only ran into a lot of trouble and misfortune. His clothing caught fire and burned from him, dropping on the stairs as he ran down. He was seriously burned about his body, face and hands, his hands in particular being burned very badly. Mr. Benneman was taken to Baltimore Wednesday where his brother, Mr. Isaac Benneman, of Cumberland, will meet and care for him. Mr. Elmer Gordon and Mr. C. M. Hurtt accompanied Mr. Benneman to Baltimore.

COVINGTON IS CONFIDENT

Thinks Maryland Democrats Will Gain One Seat, Perhaps Two.

Congressman J. Harry Covington, of the First district, expressed himself as greatly encouraged over the outlook in the First district. He will begin his active campaign immediately and proposes personally to canvass every county from Cecil to Worcester.

"I propose," said Mr. Covington, "in the coming campaign, as in the last one, to adhere rigidly to the Corrupt Practices act, and I also intend to see that the other side does the same thing so far as I can. It is my purpose to make as vigorous a campaign as possible and to expose the iniquity of the present tariff law, for which the Republican party and its leaders are responsible. I believe the people of the country, regardless of parties, are thoroughly aroused over the tariff situation and have reached the point where they are determined that there shall be a genuine revision downward. It has been made plain that the Republican party cannot be trusted to lower the tariff, even in the face of a special platform pledge, and I do not think there is much doubt that the next House of Representatives will be controlled by the Democrats.

"The tariff is not the only matter upon which the Republican leaders betrayed the American people at the last session of Congress. There was the Wickersham Railroad bill and other measures, directly aimed against the public interests and wholly in favor of the corporations. Campaign material for this fight on the Democratic side is not lacking and there have been few political contests in many years in which the arguments against the Republicans were so strong. The Republican leaders themselves are alarmed over the situation and realize their danger.

Mr. Covington was asked whether, because of the smallness of the ballot in Maryland at the coming election, he anticipated any difficulty in carrying his district, in which there are several thousand negro voters.

"No," he said: "while the small ballot will unquestionably enable a number of illiterate negroes who lacked the intelligence to pick out the Republican candidate on the larger ballot to vote the Republican ticket this time, I believe there will be a far greater white vote cast than before. Furthermore, I think many white Republicans in the district, just as there are a great many in nearly every district throughout the country, have become so disgusted with the conduct of the Government by the Republican party and the betrayal of party pledges that they will vote the Democratic ticket for the first time in their lives. This will offset largely the increase in the negro vote."

'TWAS CIRCUS DAY.

Frank Robbins circus visited Olean yesterday, and gave clean, attractive and entertaining performances afternoon and evening. The Robbins show is one of the good old kind, where you can see all that is "doing," and while there are not one hundred and one "turns" as in the big three ring circuses, what there is is good. The tents were well filled, both in the afternoon and evening, and those present seemed satisfied that they had received their money's worth. The show people claim no following of "sharks" and gamblers, and no complaints along that line were made during their visit in Olean. The Robbins shows can be credited with fulfilling all that they promise.—Olean Times. Will exhibit in Chestertown Monday Sept 26th

Attention Sick Women

If you had positive proof that a certain remedy for female ills had made many remarkable cures, would you not feel like trying it?

If during the last thirty years we have not succeeded in convincing every fair-minded woman that Lydia E. Pinkham's Vegetable Compound has cured thousands and thousands of women of the ills peculiar to their sex, then we long for an opportunity to do so by direct correspondence. Meanwhile read the following letters which we guarantee to be genuine and truthful.

Hudson, Ohio.—"I suffered for a long time from a weakness, inflammation, dreadful pains each month and suppression. I had been doctoring and receiving only temporary relief, when a friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so, and wrote to you for advice. I have faithfully followed your directions and now, after taking only five bottles of the Vegetable Compound, I have every reason to believe I am a well woman. I give you full permission to use my testimonial." —Mrs. Lena Carmocino, Hudson, Ohio. R. F. D. No. 7.

St. Regis Falls, N. Y.—"Two years ago I was so bad that I had to take to my bed every month, and it would last from two to three weeks. I wrote to you for advice and took Lydia E. Pinkham's Vegetable Compound in dry form. I am happy to say that I am cured, thanks to your medicine and good advice. You may use my letter for the good of others." —Mrs. J. H. Breyere, St. Regis Falls, N. Y.

There is absolutely no doubt about the ability of this grand old remedy, made from the roots and herbs of our fields, to cure female diseases. We possess volumes of proof of this fact, enough to convince the most skeptical.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.
