# Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

**Cresson, Pa.—"Five years ago I had a bad fall, and hurt myself inwardly. I was under a doctor's care for nine weeks, and when I stopped I grew worse again. I sent for a bottle of Lydia E. Pinkham's Vegetable Compound, took it as directed, and now I am a stout, hearty woman." — Mrs. Ella E. Aikey, Cresson, Pa.**

**Baird, Wash. — "A year ago I was sick with kidney and bladder troubles and female weakness. The doctors gave me up. All they could do was to just let me go as easily as possible. I was advised by friends to take Lydia E. Pinkham's Vegetable Compound and Blood Purifier. I am completely cured of my ills, and I am nearly sixty years old."— Mrs. Sarah Leighton, Baird, Wash.**

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

**For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.**

**Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.**

## THE "NEW" WAY

Curry Macklin, a farmer living near Lincoln, Del., has an experiment which will if successful, revolutionize the poultry industry in Delaware and solve the problem producing a regular supply of eggs during the winter months, when as a general thing the hens do not do much extra work. He is having a large cellar built under the whole of his new barn. the sides being cemented and large windows built in for ventilation. It is the purpose of Mr. Macklin to house his poultry in the cellar, protected from the cold wins as the cellar will be heated and made as comfortable as a summer day in hopes of inducing the hens to lay their regular summer supply of summer eggs. Neighbors are watching experiments with careful eye and if the supply of extra eggs continues as in summer, cellars will be built on every farm.

## MUST STAND THE TEST.

Assistant postmasters who hope to be transferred into permanent service of the United States Government under the civil service order recently issued by President Taft must first stand a rigid examination as to their efficiency. Postmaster General Hitchcock had an extended conference with the President and the Civil Service Commission Wednesday regarding the promulgating of regulations of the subject.

The Postmaster General does not intend that any drones or favored relatives who are not up to the standard of efficiency that should be required of assistant postmasters shall be transferred to the permanent rolls by the blanket process. Each man must prove his worth before he goes into the classified service.

## IN MEMORIAM.

In loving remembrance of my dear friend, REBECCA MOFFETT, who departed this life three months ago today, August 5th, 1910.

Have you a friend, love her well
While she is spared on earth,
Wait not 'till death shall call her hence
To know her precious worth.

Think now how much she should be loved
And prize her as you ought,
Or else your life when she is gone
With sorrow shall be fraught.

Oh, soothe her in her hour of pain,
Be gentle and be mild,
How sweet 'twill be for you to think
You've been a faithful friend.

Now she's dead but not forgotten,
In the church yard lone and drear,
In a green grave covered with roses
Lies the one I love so dear.

BY HER FRIEND, HARRY W.

I sit alone tonight and gaze
Upon an empty chair,
And memory takes me back to the day
When my dear cousin sat there.
And now three lonely months have passed
Since I have seen her face,
I think of her just the same
As when she came to see me last
And sat in her old place.

Often I seem to be cheerful,
I smile and they think I am gay;
But alas! I am gloomy and tearful,
Because of the one far away.

In the church yard softly sleeping,
Where the flowers gently wave,
Lies the one I love so dearly
In a cold and silent grave.
Gone but not forgotten.

BY HER COUSIN JULIA.

Lines composed and written on the death of my beloved brother, JAMES B. SAPPINGTON.

His work on earth is done,
His pains and suffering o'er,
He has risen with the Son
On a bright and heavenly shore.

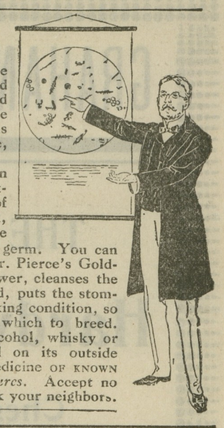

We all will miss him every where,
At morn, at noon, at evening prayer;
Yet something tells us it is best,
His aching form is now at rest.

His reading now is all laid by,
And vacant is his chair;
Yet God's will we will try to bear,
And pray to join him when we die.

## Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a sallow cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine OF KNOWN COMPOSITION and with a record of *40 years of cures*. Accept no substitute—there is nothing "just as good." Ask your neighbors.

## "Quality and Prices"

THAT is the motto we adopted when we opened our store to the people of Rock Hall and surrounding country. It is the principle upon which we have made friends. We invite your inspection of these offerings; you will not be urged to buy. Your patronage hangs on a thread—that thread is satisfaction. We treat you squarely, and that thread becomes a cable; therefore, if you favor economy and wish to get the best values possible for your money, come in and inspect our various lines, as we can show our stock much better than we can tell about it.
