WEST VIRGINIAN ARRESTED.

Is Alleged to Have Threatened Queen Anne's Countian With Revolver Last Thursday.

James Ringer, a young West Virginian was carried to Centreville and lodged in jail early Friday morning by Constable Wm. M Dunn, of Church Hill, on the charge of threatening to kill James H. Story, a nephew of Col. Albert Story, of near Chestertown. Ringer when interviewed in a cell in Centreville jail disclaimed all knowledge of the affair and stated that the charge was absolutely erroneous.

The affair started Thursday afternoon while the farm hands were engaged in milking. Words passed between young Story and Ringer, at which time it is alleged, Ringer drew a pistol and threatened to shoot Story. Later Ringer is said to have remarked to a farm hand that if Col. Story made any effort to go to Church Hill and have him arrested it would be the last ride he would ever take. Col. Story started for Church Hill and had gone but a short distance when two wheels came off his carriage and he barely escaped injury from the young horse he was driving. He immediately returned to his farm, when the farm hand told him what Ringer had said. In the meantime Ringer had disappeared and was located after a long hunt in the Voshell House, Chestertown. Ringer has been in Queen Annes county about a year.

THE KENT NEWS APPRECIATED

Mr. Covington Commends Its Work—Paper Helped to Victory.

The Editors of the KENT NEWS are in receipt of a letter from Mr. Covington, the successful candidate for Congress in this District, expressing his appreciation of the good work done by this paper.

Mr. Covington's letter follows :

Easton, Md., Nov. 9th, 1910.

Wm. B. Usilton's Sons,
Chestertown, Md.

Gentlemen:—Now that the campaign is over and I have received as the Democratic Candidate an unusual victory in the First Congressional District, I want to express to you my sincere appreciation of the activity of your paper in this campaign. The publicity given to the fight through the County press in this District has been of inestimable value to me. I do not believe that it would have been possible to get out the vote to the extent that it was done had it not been for the papers. I am fully conscious of the fact that it was the united efforts of the newspapers and their friends that produced the result.

With sincere appreciation of your uniform kindness to me, I am

Very truly yours,
J. Harry Covington.
