MAJESTIC RANGE DEMONSTRATION

AT OUR STORE

One Week, November 28th to December 3d, 1910

A Set of Ware FREE

If you call at our store during our Majestic Demostration Week and allow us to show you the many advantages and superior qualities of the Great and Majestic Range, and will purchase one at the regular price, we will give you FREE the beautiful and useful Souvenir Set of Ware illustrated in this advertisement. This ware is made to match the quality of the Majestic Ranges, and we know all ladies will see the beauty and utility of this set, especially the first three pieces, which are entirely new and cannot be had alone by purchases, except at a very high price. The prices of Majestic Ranges are the same, but we give the set FREE with each Majestic Range bought during the demonstration week only.

SOUVENIR FREE To any person (not children) who will allow the Majestic Man to them the merits of THE GREAT MAJESTIC RANGE during demonstration, will get a useful and beautiful souvenir FREE.

Reasons Why The Great Majestic You Should Buy

1st. It has the reputation of being the best range money can buy.

2d. It not only has the reputation but IS the best range made, and we will prove this to you if you will let us.

3d. It is constructed of malleable iron, material you can't beat, and of Charcoal iron, material that resists rust 300 per cent greater than steel, is riveted together air tight. No heat escapes or cold air enters the range, thus uses very little fuel to do perfect work.

4th. The reservoir alone is worth the price of range over any other reservoir made. It boils 15 gallons of water; is heated like a tea kettle, with pocket against left-hand lining, and is movable and sets on a frame, hence cannot wear out. When water gets too hot it can be moved away from fire.

Majestic ranges use less fuel; heat more water—and heat it hotter; costs practically nothing for repairs, lasts three times as long; bakes better; easier to keep clean and gives better satisfaction than any other range on the market. If you know positively that the above statements are true, wouldn't you buy a Majestic at once?

Come in Demonstration Week and We'll Prove It to You.

The Famous Rayo

Does Not Strain the Eyes

Don't use a small, concentrated light over one shoulder. It puts an unequal strain on your eyes. Use a diffused, soft, mellow light that cannot flicker, that equalizes the work of the eyes, such as the Rayo Lamp gives, and avoid eye strain.

The Rayo is designed to give the best light, and it does.

It has a strong, durable shade-holder that is held firm and true. A new burner gives added strength. Made of solid brass and finished in nickel. Easy to keep polished. The Rayo is low priced, but no other lamp gives a better light at any price.

PARTS FROM HORSE OF 42

Old Man Says Farewell to "Sam" With Tears in His Eyes.

An old man with tears in his eyes and his arms around the neck of an old sorrel horse which had reached the age of 42 years was the centre of attraction yesterday afternoon around Pier 7, Light St., Baltimore, and for a time threatened to block traffic. The horse was carefully wrapped in blankets and carried on its side a large printed placard bearing the words, "I am Samuel J. Tilden—the oldest horse in the Union."

When asked the cause of his grief, the man said he was about to part with one of his dearest friends, the horse. He gave his name as Joseph Guest, 76 years old, and said he hailed from Chestertown. He had come over to place the animal under the care of the Maryland Society for the Prevention of Cruelty to Animals. The horse worked faithfully for its master until several months ago, when it became useless. Not desiring to have it killed, Mr. Guest placed it with the society and it will be sent out to the Refuge Farm.

In October, Mr. Guest said, his wife died and he is now compelled to break up his home and go to live with his daughter in Boston. What to do with the horse worried him for a long time and he made every effort to take it with him, but found it impossible. The horse has been in his service from birth. For 10 years it carried its master on his semi-annual business trips from Chestertown to Green Bay, Wis. In late years it served in the family carriage.—Sun, of Tuesday.

PROCLAMATION.

BALTIMORE, MD., NOVEMBER 14, 1910.

To The Officers and Members of the Subordinate Councils of Maryland., Greeting.

Whereas, it has become a custom of the Daughters of America to follow the example of our National President, in issuing a proclamation to set aside one day in the year, in which to give thanks to Almighty God for the countless blessings received as a nation and a people, and acknowledge our indebtedness to Him for the prosperity and success with which he has blessed our beloved Order.

Therefore, I, Anna Reviol, State Councilor of Maryland of the Daughters of America, by virtue of the power in me vested, do hereby set aside Sunday, November 20th, as a day of Thanksgiving and do earnestly request that all members of the Order in Maryland attend divine service on that day, and in giving thanks for the blessings of the past, let us remember to ask Him to comfort and strengthen those of our Sisters and Brothers who are sick or in distress.

Given under my hand and seal of the State Council of Maryland, this fourteenth day of November, one thousand, nine hundred and ten.

ANNA REVIOL,
State Councilor.

PEOPLE'S BANK

Of Chestertown, Maryland

A Few Bushels of Grain

A few bushels of corn planted in the ground becomes many bushels of grain. So with the few dollars you put into our bank from time to time. The rain causes your grain to grow and the interest we pay causes your dollars to grow.

Would the ablest business men in the county have a bank account if there were no advantage or convenience in it? Would they have been able to reach their present commanding position if they had spent half their time worrying about the safety of the money they had made?

We invite you to open an account and the advantages that others have enjoyed will surely come to you.

When you have earned your money don't let it slip away from you; ten here, twenty there, a hundred somewhere else, soon make a thousand dollars. We offer you our bank as a safe place in which to deposit your savings.

ROCK HALL NOTES.

Mrs. Addie Satterfield fell and injured her arm last Saturday and has been unable to use same since.

On Tuesday evening next the Odd Fellows will hold a social, the feature of which will be literary and musical. The families and invited guests of the members will be there, as will also the Grand Master, Dr. John S. Green, and Grand Secretary, Mr. Wm. A. Jones, of the Maryland Grand Lodge, and the President of the Rebekah Assembly of Maryland, Mrs. Susan M. Jones. Come down Messrs. Editors and be "of us" for that evening at least.

The rejoicings of Democrats here are subsiding. Republicans are saying little but are viewing their defeat philosophically. The local colored leader was much disgusted at the stay-at-home white voters of his party. He had the colored voters so well in hand that they voted to a man, so he tells his employer. This has a bad look for the white voters.

The prospect for lower prices since the Democratic landslide is having good effect at Durding's Drug Store. Ben seems to be scaling down prices and he is happy in so doing.

Mr. Edward Simms has opened up a fresh meat store at the Clayton stand.

Mr. Percy Hendrickson delivered to the meat and provision store of Mr. Lewis, on Monday, five shotes weighing 1017 pounds at 8½ cents per pound, live weight.

The long spell of blustry weather is having a detrimental effect on the oystermen. They have put in but very little time for more than ten days and the price of oysters does not advance enough to justify the tongmen to take up their bedded stock.

There seems to be an epidemic of colds among our citizens.

CHESTERVILLE NOTES.

Sunday School in Emmanuel at 10 a. m., preaching at 11 and 7 p. m. revival services.

Trinity, Sunday School at 2, preaching at 3, League at 7.30.

Services have been held in Emmanuel every night this week and will be continued next week at 7 o'clock with the exception of Saturday. Rev. W. D. King, of Royal Oak, Md., has been preaching. Mr. King is a clear and forcible preacher, and of pleasant address. The congregations have been very good considering the blustry weather.

Mrs. Woodward, of Baltimore, is a visitor at the parsonage.

The corn crop in this part of Kent is fairly good. The government report for the country says the crop is the best in many years, and that corn and pork will be much lower in price than they have been for a long time.

The Epworth League Annual Convention of the M. E. Church South was held in Central Church, Baltimore, last week. Mr. Herbert Ford and Miss Florence Skinner attended as delegates from Emmanuel League, and Miss Daysie Felton and Mrs. Geo. W. Penn represented Trinity.

Mr. Adolphus Davis has been appointed a deputy sheriff. There is now and then need of a good conscientious officer one who has regard for law and his oath, in this section. We think Mr. Davis will do his duty.

Rev. T. C. Jones, of Oklahoma, will begin a series of meetings in Trinity, Millington on Jan. 1st. He has the name of being a wonderful evangelist.

In another column will be found the commission card of Frank Hellenick & Co., 354 North Front St., Phila. Mr. Emory Sudler who is the Company of the firm, is a native of Queen Anne's. Their rating is from $35,000 to $50,000.
