MANY Merrie Christmases
Many Happy New Years.
Unbroken Friendships,
great accumulations of
cheerful recollections and affections, on Earth, and Heaven for us all.—CHARLES DICKENS.

THE Centreville Record issued an anniversary edition last Saturday that was a credit to the new management. The Record surely has been greatly improved in recent years.

PEACE on earth, good-will to men, has surely made some progress when we consider the steps taken looking towards universal peace. When men learn to settle disputes by courts of arbitration peace between nations will come. Let charity begin at home.

THE "harmony" dinner menu as proposed by the Barroll organ is characteristic of them—harmony if they are allowed *everything!* The passage of the new road law is an illustration before the public. It was one of the best laws ever proposed *when they were agitating its enactment,* publishing letters of commendation, extracts from Caroline papers, and booming the new law. BUT as soon as the law was enacted, and *they did not name the Engineer,* nothing that is done is right and no words of censure are too severe. They even admitted that they expected to get some "spoils" from their victory, but the new law had robbed them of it! There is no harmony if either faction is to demand *everything.* It should be entered into with a disposition to get men of ability, independence and character, without regard to faction. A menu as proposed last week would gag even a man with a strong stomach, and every one who partook of it would be so "Barrolled" up that they would not be able to speak for four years at least.

A GREAT GIFT

Andrew Carnegie has transferred to a board of trustees $10,000,000 in five per cent. first mortgage bonds, the revenue of which will be used to "hasten the abolition of international war" and establish a lasting world peace.

Among the trustees named are Senator Elihu Root, Charlemagne Tower, of Philadelphia; Joseph H. Choate and Dr. C. W. Eliot. The gift brings the total of Mr. Carnegie's benefactions to about $180,000,000, and widens the gap between his and John D. Rockefeller's donations Mr. Rockefeller has given about $120,000,000, all but a small part of which was for educational purposes.

Undoubtedly, if well-handled, a half-million of American dollars every twelve months can do a lot to promote almost any kind of a cause and its influence would be considerable; but no amount of money will placate a great nation once it feels that its honor has been tarnished by a rival nation, or if one nation gets the notion that another is stealing its trade; and so long as great Powers maintain fighting forces, so long will war be likely to occur. Civilization has not yet sufficiently eradicated the savage instinct in man to insure the use of reason instead of guns.

It is conceivable, however, that within the next decade or two decades the movement which has been begun for limiting armaments will gain force because of the expanding cost of keeping armies and navies If Carnegie's peace commissioners, therefore, succeed in educating the great masses of people as to the true weight of the burden they bear in maintaining hugh ships of war and standing armies, it is possible that the world may some day witness a compact signed by all of the great Powers, under which they will agree to keep hands off each others' throats and respect decrees of a tribunal like The Hague Court.

Of course, international peace today seems an idle and beatific dream, but dreams of one century sometimes prove realities in the next.

ENGINEER'S REPORT

Road Engineer Gibbs Submits November Report, Showing Every Item Of Expense—A Splendid Showing.

The attempt of enemies of Road Engineer Isaac Gibbs, Jr., to pick at him and find fault with the conduct of the office have fallen flat with the intelligent citizen. The great hue and cry raised that he did not or would not submit itemized statements to the Board of Commissioners was proven *absolutely false* in the NEWS in October. In this issue is given Mr. Gibbs' report for November item for item, names, etc., so that the taxpayers may see that the young man is being misrepresented, to say the least, and that he is handling the public roads in a most economical and careful manner.

The record of expenditures on the roads up to December 1st is as follows:

June 7 to June 30	$ 590 22
July	494 79
August	1 445 95
September	1 665 59
Octoober	658 92
November	998 10
Total	$ 5 853 57

For the same period last year more than three times this amount was spent.

Mr. Gibbs expects to expend considerable on improving roads next year. The amount appropriated for roads is $17,975 73 of which only $5,853.57 has been expended.

S. H. No. 1 folio 423 etc. and a certified copy of which is filed herewith, marked Complainant's Exhibit No 1, and prayed to be taken as a part hereof That the said Testator, John Kennard Bosee, left surviving him, his widow, Wilhelmina Bosee, who resides in Baltimore City; and the following named children: Gertrude Alberta Bosee Lilly, who married Charming P. Lilly, and who resides out West either in Ohio or Indiana. John Kennard Bosee, who lives either in Baltimore City or New York City, State of New York, and Henry Thompson Bosee who is an infant and resides in Baltimore City.

That the said last will and testament of John Kennard Bosee by the first and second items thereof provides as follows: First, "I give, devise and bequeth to my wife, Wilhelmina, all my estate, real, personal and mixed, of whatsoever nature and wheresoever situat d, to be held by her during the term of her natural life, with full power to her to sell and convey, mortgage or lease any or all of my estate, and re-invest the proceeds thereof in her own discretion; and from and after the death of my said wife, then to the child or child en by my said wife, then living, and to the heirs and personal representatives of my three children, Gertrude Alberta, John Kennard and Henry Thompson, who my then de deceased, per stirpes and not per capita." Second, "I constitute and appoint my said wife to be the Executrix and Trustee of this, my last will and testament, hereby revoking all other wills and codicils by me heretofore made." That the said Wilhelmina Bosee in her own name and as "Executrix and Trustee under the last will and testament of John Kennard Bosee, deceased," by deed dated the 3rd day of September, 1907, and recorded among the Land Records for Kent County, aforesaid, in Liber J. T. D., No. 15, folio 38, etc., a certified copy of which said deed is filed herewith, marked Complainant's Exhibit No. 2, and prayed to be taken as a part hereof, conveyed or attempted to convey unto Thomas N. McGinnis a fee simple estate and title in and to the above mentioned real estate. That this Honorable Court may pass a decree with reference to said last will and testament as fas as the same is set forth in the above case upon the following questions: A. Get your poultry FAT, and dress it as per our instruction card which we will forward upon application. Follow our instructions closely, and ship your dressed poultry to US. We can positively place it for you at the HIGHEST market price.

We will be pleased to send you our Christmas and New Year's circular if you will give us your name. Every indication of VERY HIGH prices for the Christmas and New Year's market.

We are particularly anxious for heavy shipments of dressed poultry from Kent, Queen Anne's and Cecil Counties.

If you have live poultry to ship, let it come NOW, but advise holding the poultry which you intend to dress, for the Christmas and New Year's holiday. We earnestly solicit your shipments and correspondence.

We handle dressed and live poultry STRICTLY on commission basis, and do not purchase any but give every shipper a FAIR and SQUARE deal on commission.

We hope you may favor us with your business, as we are sure it would be to your interest to do so.
