John F. Howard,

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.

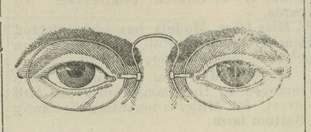

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

Home of Swamp-Root.

You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

McALLISTER'S

DO YOU HAVE HEADACHE?
Eighty per cent. are due to Eye Strain. It may be glasses, not medicine, that you need. Relief will be obtained by a properly fitted pair of glasses.

WHAT GLASSES WILL DO.
If your work or reading tire the eyes, glasses will rest them.
If you are subject to herdaches, the chances are that it is caused by Eye Strain. Special glasses will relieve them.

DON'T wear glasses unless prescribed by a reliable Optometrist.

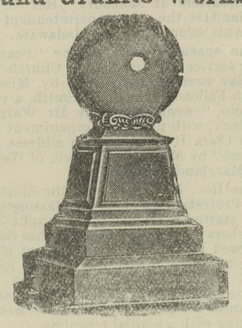

A REASON WHY.
If you were ill you would call in the best Physician; if you had a law suit, the best Lawyer. If your eyes are bad why not take equal precaution to select a reliable Optician and Optometrist?

WE FIT HUNDREDS
of pair of eyes with glasses and can point to scores of persons whose eye troubles we have relieved entirely or greatly helped.

WHEN YOU ARE IN BALTIMORE COME TO US TO GET YOUR GLASSES.

Although the weather and roads were quite bad last Friday and Saturday evenings the ladies of the M. E. Church, South, had quite a success with their Bazaar in the Grange Hall. Many were present and a goodly sum was realized.

KENNEDYVILLE ITEMS.

The new "Convection Heater" of the Smith Heating Company, Indianapolis, Ind., purchased through the Hill Brothers, Baltimore, recently installed in the Kennedyville Methodist Prot. Church, was used for the first time on Sunday, Dec. 4th, and did excellent service. Everybody seemed to be pleased. The cost is $110. An offering was made on the day named, resulting in more than one-half the amount of cost of heater. Many of the members and friends of the church were not present, so that no difficulty is anticipated in securing the balance. "Aunt Sarah," our good colored sister, who has been keeping the House of the Lord for about forty years, says of the New Convection Heater, "It beats any stove we ever had." This new heating arrangement is both sanitary and uniform, constantly admitting a current of fresh air from out of doors, through the "fresh air pipe," which is heated inside the shield and spread as a blanket over the entire audience room, while the impure air is taken out by the "foul air pipe." It warms every part of the building uniformly. Come and have the experience for yourselves. If you come in the church with cold feet, just take a seat near the heater, placing the feet just under the shield, where they will very soon be made comfortably warm. Everybody welcome.

Church services for next Sunday, Dec. 18—Sunday school, 9 30 a. m ; preaching by the pastor, 10.30 a. m.; Junior C. E. service, 2.30 p. m., Mrs. Leonard Pennington, superintendent; Mrs. Dr. Urie, assistant; Mrs. Mullineaux, secretary, while the pastor is generally present for a talk or object lesson for Pansie's "Little Men and Women."

Song service and short sermon with revival service in the evening, beginning at 6 45 o'clock.

The Third Quarterly Conference for the above named church will be held in the church audience room, Monday morning, beginning at 9.30 o'clock. A full attendance of the official board is earnestly desired, as there is much business of importance to be transacted. Remember the date, next Monday, the 19th inst.

The poultry and oyster supper, with Bazaar, held under the auspices of the Ladies' Aid Society, Mrs. Dr. Urie, president, last Friday and Saturday evenings for the new carpet fund for the church was very successful. Everybody seemed to enjoy themselves and have a good time. The amount taken in was between eighty and ninety dollars.

Death Plays Ten Pins.—When a Louisville and Nashville passenger train struck and killed a cow, near Kirkland, late Saturday, the results were as unusual and unexpected as they were fatal.

The cow was hurled to one side striking a negro watching the train go by.

The negro was knocked into a puddle of water and killed.

In falling he struck a dog, and the life of the canine also was crushed out.

At a regular meeting of Chester Camp, No. 8745, Modern Woodmen of America, Thursday evening, the following officers were elected: Consul, M. E. Newsome; advisor, J. F. Thompson; banker, Walter U. Lusby; clerk, John W. Barnes; escort, Calvin T. Ryan; watchman, Charles L. Dodd; sentry, J. G. Usilton; manager for 3 years, Clifton L. Jarrell; physicians, H. L. Dodd and H. B. Simmons; camp deputy, M. E. Newsome; asst. deputy, Jacob F. Thompson.

Change In Drug Firm.—Messrs. James P. Keating and S. Earle Feddeman, both of Centreville, have purchased the drug business of Forman & Keating, on Commerce street, and will take charge of the establishment this week. Mr. Keating, who was the junior member of the old firm, will have charge of the store and he will be assisted by either a graduate or registered pharmacist. Mr. Feddeman will remain on the road.

Big Haul.—It is reported that thousands of shad are at the head of the great Wicomico river, in Northumberland county, and local fishermen are making great catches. More than 4,000 shad were caught in a seine at one haul a few days ago. It is stated that the shad are making for fresh water in the upper part of the river.

In sad remembrance of my dear grandmother, who departed this life three long years ago today, December 16, 1907. Gone but not forgotten and never will be so long as life shall last.

In memory we oftimes see
The one we loved so dear;
The vision grows so clear sometimes
We feel grandma must be near.

But now three years ago to day,
When all the world was bright,
Our grandma was called away,
Out from our mortal sight.

We did not want to lose you,
But God knew what was best
And some day we will be with you
In that sweet land of rest.
