FAIRFIELD'S FEED BLOOD TONICS POWDERED
A SEPARATE PREPARATION
FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding **FAIRFIELD'S BLOOD TONIC for HORSES** regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

THE FAIRFIELD PREPARATIONS ARE SOLD UNDER WRITTEN GUARANTEE BY

AN exchange says: "It is reported that a young married woman in this town kneads bread with her gloves on." While this is quite peculiar it is not the only case, for the manager of this office needs bread with his shoes on, needs bread with his shirt on, needs bread with his pants on, and if some of his patrons do not hurry up and settle their bills he will need bread without a thing on, and this is no garden of Eden either in winter time.

The doctor was offered $100 for the bird, but refused to part from him, preferring to sell eggs at $10 a setting, and he booked a number of orders while there.
