Than Our Competitors

Is Because We Undersell Them

Our Prices are always less than the other fellow wants for the same goods. If you don't believe it, ask us for a price on something. We are after the business, and to get it we will give prices that can't be beat. Don't be misled on **Quality** and **Grading.** You know there's a difference, but you can't always detect it. The unscrupulous dealer knows this and takes advantage of your inexperience by giving you lower grade than you pay for. Our **Quality** is absolutely guaranteed. Our **Grading** is standard among the thousands **Who Know. Send Us An Inquiry To-day.**

We're out to undersell the other fellow and save you money—and we do it.

A BIG FRAUD

Mr. L. H. P. Vansant, an industrious mechanic of Kent Circle, has received the following letter which is recognized swindle going the rounds and which has been received by a number of gentlemen. Here is the letter :

Madrid, 28th-8-00.

DEAR SIR:—

Although I know you only from good references of your honesty my sad situation compels me to reveal you an important affair in which you can procure a fortune, saving at the same time that of my darling daughter. I charge you absolute reserve about this affair.

Before being imprisoned here I was established as a banker in Russia, as you will see by the enclosed article about me of many English newspapers, which have published my arrest in London.

I beseech you to help me to obtain a sum of $480,000 I have in America and to come here to raise the seizure of my baggage by paying to the Registrar of the Court the expenses of my trial and recover my portmanteau containing a secret pocket where I have hidden the document indispensable to recover the said sum.

As reward I give up to you the third part, viz : $160,000.

I cannot receive your answer in the prison but you must send a cablegram to a person of my confidence who will deliver it to me for to know if you received this letter.

Awaiting your cable to instruct you in all my secret, I am sir,

Yours Truly,
PETROVICZ.

First of all answer by cable, not by letter as follows :

Madrid, Spain,
Pablo Gil.

By precaution you must sign your cable following name : Secil.

ARREST OF A ST. PETERSBURG BANKER

Charged With Fraud in Russia And Manslaughter In Spain—Interview of The Two Ambassadors.

Some months ago, as our readers may remember we referred in these columns, to the great scandal caused, in St. Petersburg and in Russia generally, by a noted Banker who absconded, leaving a deficit of over five millions of rubles.

The Russian Police sought for him for a long time in vain, for it seems he had not left the least trace of his flight, and the continued search over Europe and America proved unavailing.

Yesterday, however a Spanish Inspector accompanied by two officers from Scotland Yard and acting under instructions of the Spanish Ambassador who had previously interviewed the Home Secretary arrested him on his way from the Hotel which he was staying to the Steamship office. It seems that it was his evident intention to take passage for New York. From information received by the Ambassador, he had been hiding in Spain were he lived with a woman and with his daughter. A few days before arriving in London he had quarelled with another Russian, who was mortally wounded by a revolver shot during the scuffle, and who only lived long enough to denounce his assailant.

In an interview with the Russian Ambassador, it seems that the name he had been using in Spain, and which he gave on being arrested was not his real one Manasseina being simply an alibi, but after comparing the prisoner with photographs in his possession the Russian Ambassador, recognized him as Petroviez the criminal banker who eloped with 5 million of rubles; he is a native of St Petersburg a widower 48 years old, with an only daughter whom he left in Spain on escaping from that country.

On being arrested, two of Manasseina's or Petroviez portmanteaus were seized, but although strictly searched nothing but personal effects were found in them, in spite of which, the Russian Ambassador declares that prisoner ought to have several million rubles somewhere.

The Russian and Spanish Ambassadors conferred yesterday evening as to whether the prisoner should be conveyed to Spain or Russia, and after an interview with home Secretary and in accordance with the extradition treaty of England, Russia and Spain, it was agreed that the prisoner should be conveyed to Spain, to stand his trial for manslaughter, and that only after his trial can the Russian Government ask Spain through diplomatic channels, for his extradition.

MOST weekly editors have trouble with their foreign medicine advertisers and it is frequently the case that they lose about one third of the contract price because they are unable months after a complaint comes in of failure to receive the paper and wrong position. For this reason the Press has about decided to cut out most of the patent medicine advertising. This paper has only one contract that has given us no tiouble and we have been running a contract with them for a number of years, Dr. Kilmers Swamp Root, and the first time that we go to New York we are going to stop by Binghampton, and shake his hand, as one honest patent medicine advertiser.—*Press.*

WOOD'S 1911 Descriptive Catalogue and Guide for the Farm and Garden has just been issued and contains much valuable information about the selecting and planting of seeds of all kinds. With good illustrations there are listed in this catalogue the best seeds for garden and farm products, all varieties of flowers, poultry foods and supplies, incubators and brooders, remedies for poultry diseases, standard fertilizers, insecticides and sprayers, etc. Wood's supplies are famous for always being up to the standard. For a copy of the catalogue address T. W. Wood & Sons, Richmond, Virginia.

MARYLAND and adjacent states will make a strong effort to have the Democratic national convention held in Baltimore next year. That city is making a fine showing toward securing the great gathering. It is a favorite city for various kinds of conventions and in the old days a number of such conventions were held there. Andrew Jackson was nominated there in 1832, Martin Van Buren in 1836 and 1840, James K. Polk in 1844, Lewis Cass in 1848, Franklin Pierce in 1852, both Stephen A. Douglass and John C. Breckinridge in 1860 and Horace Greeley in 1872. Whig conventions were held there in 1830, 1844, 1852 and 1856, as was the Constitutional Union party convention in 1860, which nominated Bell and Everett.

IN MEMORIAM.

In sad but loving remembrance of our dear pastor, THOMAS L. FRIMIRE, who departed this life one year ago, February 15th, 1910.
Gone but not forgotten.

He was a tender and loving pastor,
A pastor kind and true,
A pastor and friend who never would shrink
Whenever a kind act he could do.

Rest on, dear pastor, thy labors o'er,
Thy willing hands will toil no more,
A faithful pastor both true and kind,
A truer pastor we could never find.

What grief he suffered here
None of us will ever know
For Jesus took him home with Him,
Where no tears will ever flow,

His busy hands are folded,
His toils on earth are done,
His troubles are all ended,
His Heavenly crown is won.

BY A FRIEND, MRS. EDNA SHORT.

OWES HER HEALTH

To Lydia E. Pinkham's Vegetable Compound

Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, your Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house.

"I will say also that I think there is no better medicine to be found for young girls to build them up and make them strong and well. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has always helped her.

"I am always ready and willing to speak a good word for the Lydia E. Pinkham's Remedies. I tell every one I meet that I owe my health and happiness to these wonderful medicines." —MRS. J. G. JOHNSON, Scottville, Mich., R.F.D. 3.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases.
