Short Crop of Cow Peas

PRICES GOING UP

The enormous demand for Cow Peas last year carried the price very high, and as the crop is very short and the acreage is rapidly extending there are many indications which point to much higher prices as the sowing season approaches.

Whip-Poor-Will Cow Peas.

The Whip-Poor-Wills are generally prepared in the Central and Southern States. They are bush form, early maturing and especially desirable for Peas.

New Era Cow Peas.

New Era's are a little earlier and make more vine than the Whip-Poor Wills.

Wonderfuls, Clay and Mixed Cow Peas.

For hay. The Wonderfuls or the Mixed Cow Peas are more productive, they should always be planted with an occasional grain of corn, sorgum Seed, Kaffir Corn, etc., which will prevent the vines from getting damaged by coming in contact with the ground.

Black Cow Peas

Black Cow Peas are a little later in maturing than Clays, they make a good growth of vine, are exceptionally good for medium or poor land and will stand almost any amount of wet weather without injury. We can supply Shinny Peas, Red Rippers, Blackeye Peas and Soja Beans.

Remember Bolgiano's Cow Peas are best—If your local merchant will not supply you with Bolgiano's Cow Peas—Write us direct and we will tell you where you can get them.

FREE—Send us 5c in stamps to pay postage, and mention the name of this paper, and we will send you free a 25c package of My Maryland Tomato Seed, also our 1911 Catalogue of Seeds and our 1911 Poultry Supply Catalogue.

The Kent County Savings Bank

solicits your deposits on the strength of its past record and present ability to serve you.

The fundamental idea of this Bank and its continuing purpose is to enable you to SAVE and SUCCEED and it welcomes deposits great or small paying the same rate of interest ON ALL and gives you your money when you need it.

We make the welfare of our depositors our object believing our future is best assured by the success of our patrons and yearly have grown more able to serve you.

We are as ready to make loans to our depositors, upon good security, as to accept deposits from them; and have the conveniences of a modern Banking house for your transactions and an experienced and competent clerical force to aid you.

While we court investigation we know that the ablest Bank Examiners the Government can employ are frequently deceived by slick Bank promoters.

BUT MAKE THIS INVESTIGATION:

HAS THE BANK EVER REFUSED TO PAY A DEPOSITOR HIS MONEY WHEN REQUESTED?

OR DID IT DODGE BEHIND A CERTIFICATE OF DEPOSIT AS AN EXCUSE FOR ITS FAILURE TO ALLOW ITS DEPOSITORS THE USE OF THEIR OWN MONEY?

THIS investigation any depositor is able to make and when made we are satisfied you will deposit with a Bank like the KENT COUNTY SAVINGS BANK that, since the day it opened its doors NEVER FAILED TO PAY ITS DEPOSITORS THEIR MONEY WHEN CALLED FOR REGARDLESS OF THE RATE OF INTEREST PAID OR THE MANNER IN WHICH DEPOSITED.

The Reserve funds of this Bank are carried in 3 of the strongest banks in America, whose combined resources of over 150 million dollars assure our ability to meet the legitimate wants of our depositors at ANY TIME FOR ANY AMOUNT.

We believe in and live up to our motto, "Safety Beyond All Else."

THE KENT COUNTY SAVINGS BANK

NEW ERA DAWNS!

Chestertown's Progressive Citizens Begin Very Important Work—Telephone and Electric Light Poles Moved a Few Feet—Racks Taken Down to Make Way for Macadam Roads.

A citizen here might have thought he had awakened in a bran new Western town last Tuesday morning and that there had been an order passed the night before to clean up the place! When the NEWS man started from his home on Kent Circle the first workmen seen were digging up the street near Commissioner Clements' home preparatory to connecting homes with new sewers. Next came Mr. A. M. Culp's new house, where several men were busy trying to complete same for Mr. Wilbur Ehason. But a few feet further Mr. Vernon Barnett had a corps of workmen making building blocks for a building in the Burned District. Upon reaching High street we could see the cosy home of Mr. Harry Cannan, which was being sheathed preparatory to roof; and closer to view was the Allen home being built by Malin and Rawleigh. As we start down town we pause a few moments at the new home of Mr. Elwood Baker, being built by Mr. Frank Duyer, and where Mr. Sam'l Sparks and helper, Israel Clark, are busily employed plastering. The next busy place is the Moffett lot, where Mr. Wm. S. Carroll's workmen are starting a cellar and where an up-to-date meat market and residence is to be erected.

All along Main street, from this point to D. A. Bacchus' corner, the telephone poles and electric light poles were being removed—in some instances only a few inches—to make way for the new concrete curbing and paving.

Officer Samuel Cooper, in charge of a half dozen men, was directing the removal of all racks and hitching posts in front of stores and other places, from Bramble's harness shop to Chas. Kirby's corner. Some persons had but recently put new hitching posts and rails for the convenience of the public in front of their stores, but none were left. *They made a clean sweep!* Indignation meetings were held wherever two or more persons congregated, but it had no effect upon Officer Cooper or Lieutenant Wm. Needles, who knew nothing save *duty*. At the same time the racks were being removed Mr. Wm. A. Bell, Mr. H. P. Skipper and others were hauling away loads of top soil from the road. The town has erected hitching racks along High street in front of the court house, about the centre square and elsewhere, so that there will be no lack of accommodation for visitors to town.

It was a busy day in town and the above was only a part of it.

MURDERED.

Geo. H. Merritt, aged about 50, formerly of this county, died suddenly in Wilmington on Thursday. It is thought he was murdered.

TO OUR LADY CUSTOMERS

During the temporary removal of our hitching posts while our street is being improved we will have a man in attendance to care for your horse.
