SATURDAY, MARCH 18, 1911.

THE PEOPLE'S CANDIDATES.

MR. CLARENCE S. HURLOCK, of Massey, was in town Tuesday and a welcome visitor to the NEWS office. His many friends in the First District have presented Mr. Hurlock's name as the candidate for the Democratic nomination of Treasurer. We cannot say too much of Mr. Hurlock's sterling Democracy, independence of bossism, and faithful allegiance to his friends. Mr. Hurlock is well-known to the people of Kent county having served as Register of Wills in 1897-1901, and having been the second Treasurer of Kent county. He is one of Kent's best citizens, generous to a fault and deservedly popular. He will make a strong man to go on the Democratic ticket this Fall.

Many Democrats of the Fourth and Seventh Districts have gotten the consent of a good Democrat to serve as candidate for the Democratic nomination for County Commissioner—MR. GEORGE BRICE. Everyone who knows Mr. Brice feels kindly toward him and recognize in him a man who will do his duty in whatever position he is placed. He is now farming on the Constable farm, near Lankford, and interested in the economical management of county affairs. He is a son of the late John Brice, an untiring worker in the ranks of his party, a brother to Messrs. Tylden, John and Joseph Brice, and connected with other forceful influences. He is a representative of the younger element and will get a large vote, and make an efficient member of the levy court. He is a man who puts party first and ever ready to work for its success.

Owing to the great pressure brought to bear upon WILLIAM W. BECK, ESQ., from Democrats all over the county he has finally consented to serve as a candidate for State Senator on the Democratic ticket subject to the Democratic primaries. In consenting to serve his party Mr. Beck does it at the sacrifice of much business, time and happiness. His eminent fitness for the position is acknowledged by friend and foe and in him the people of Kent county would have a representative unequalled by any other county in the State; a credit to his county and his party: a man who would know how to vote without dictation or delay on all questions; a man alive to the best interests of his county and in every respect a candidate for whom it is a pleasure to vote. He will make a worthy successor to Hon. Wm. M. Slay.

Upon solicitation of friends in his home district and elsewhere MR. LOUIS C. AYRES announces his candidacy for the Democratic nomination of representative to the House of Delegates. Mr. Ayres is a representative citizen known to the fishermen, oystermen, farmers and business men, a man of the people who knows their needs and who will do all in his power to fulfill them. Honest, upright, kind and beloved by nearly everybody is LOUIS C. AYRES. The NEWS heartily joins in seconding his friends in urging his candidacy.

Gov. Crothers has named Mr. SAMUEL MANN as judge of the Orphans' Court to fill the vacancy caused by the death of Judge W. Sheppard Morris. The renomination of the bench as now constituted is urged by members of the party in general, viz., J. Harry Simpers, John P. Nicholson and Samuel Mann. All good Democrats, honest and conscientious citizens, efficient and faithful officials.

THOS. C. ROE has been presented to the public by friends and leaders of the party in the First District as candidate for commissioner on the Democratic ticket to succeed the popular C. Brad. Dudley. Mr. Roe is a large land owner, an honest and independent citizen and his nomination *by the party* would strengthen the ticket. It is such men as Mr. Roe who are needed in the commissioners office.

IN the Second District many friends present the name of MR. THOMAS J. P. VANDYKE as the candidate for commissioner. Mr. Vandyke has been one of the people for many years knowing what hard work is from a boy and by economy and frugal habits saving a competence. He would also make a good man to save the taxpayers money in the management of county affairs. Mr. Vandyke is a hustler and worthy of support.

Mr. Wm. W. Clayton's candidacy is gaining ground weekly and the more the people know of him, his life and habits, the more hearty will they rally to his support for sheriff of Kent county. Will Clayton is all right, eh, Walter?

THE Supreme Court has declared the Corporation Tax law constitutional, which means about $25,000,000 income for the Government. This decision gives it the power of taxing corporation incomes, and if an emergency should make it necessary that power could be utilized to any reasonable extent. The present tax is of 1 per cent. upon incomes of more than $5,000. It could be made 2, 3, 4 or 5 per cent. if necessary. The best thing about the decision is the fact that it was unanimous, all of the six members who heard the case concurring.

THE NEWS' editors wish to thank some good friend at Quaker Neck wharf or Cliff City for a barrel of Chester River select oysters which were enjoyed to the full. The name of sender is not known.

IT begins to look now as if Wall street was instrumental in having the "war manoeuvres" in order to protect their wealth invested in Mexico. Why not put your money in industries in America?

THE Farmers' Institutes held in Kent this year were more largely attended and more interest manifested than ever before. Farmers are learning that valuable knowledge is brought to them by this department of the State Agricultural College and Experiment Station. At Chestertown the following committee was named to suggest subjects, &c., for future institutes: Wm. T. Nicholson, Wm. S. Collins, J. T. Dixon, W. Frank Jarrell and Philip G. Wilmer. This is a representative committee and will no doubt prove helpful. Dr. Hill, the new director, made a good impression in Kent.

THE Chestertown Commissioners after long and careful study and after persistent urging from almost everybody have decided to take a decided step forward in the matter of improved streets. A macadam road will be built from Voshell House to Bacchus' corner this year under the indirect supervision of Mr. Atkinson. A curb will also be laid from Bramble's store along the burned district to Kirby's store. Shells will be used in making hitching places dry and satisfactory to farmers. Messrs. Wm. Duyer, Merrick Clements and Wm. S. Carroll have but one end in view in deciding to improve the streets and that is for the good of all concerned. They are vitally interested in the success of merchants and business houses and their action should not be censored until the whole plan as proposed has been completed.

In order to lay concrete curbing and make macadam roads it was first necessary to remove racks, etc. This means inconvenience, but certainly when the end in view is so worthy and so much desired let's put up with some things that better may follow. We do not know what permanent arrangements will be made for accommodating our country friends but we have confidence in our commissioners to believe that their very best effort will be made to this end.

For years Centreville and Easton have been trying to solve this problem of removing teams from off thoroughfares and have erected racks on back streets and side streets. Chestertown cannot get along without our country friends and we are sure they will put up with a few inconveniences for the sake of good roads where they can walk in winter without wearing boots.

You Might as Well Have Your Jewelry Repaired Properly

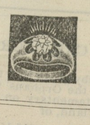

WHEN THE COST IS NO GREATER.

A good many think that a simple job like putting a new pin in a brooch can only be done one way, and that it makes no difference where the work is done.

Next time you have some jewelry to repair, bring it here and you will see the difference. We take just as much pains with a ten-cent job as we would with one costing as many dollars.

Every article of jewelry left here to repair is polished and refinished like new, and you will be surprised at the transformation of some of the old pieces of jewelry that you are about ready to throw away.
