Short Crop of Cow Peas

PRICES GOING UP

The enormous demand for Cow Peas last year carried the price very high, and as the crop is very short and the acreage is rapidly extending there are many indications which point to much higher prices as the sowing season approaches.

Whip-Poor-Will Cow Peas.

The Whip-Poor-Wills are generally prepared in the Central and Southern States. They are bush form, early maturing and especially desirable for Peas.

New Era Cow Peas.

New Era's are a little earlier and make more vine than the Whip-Poor Wills.

Wonderfuls, Clay and Mixed Cow Peas.

For hay. The Wonderfuls or the Mixed Cow Peas are more productive, they should always be planted with an occasional grain of corn, sorgum Seed, Kaffir Corn, etc., which will prevent the vines from getting damaged by coming in contact with the ground.

Black Cow Peas

Black Cow Peas are a little later in maturing than Clays, they make a good growth of vine, are exceptionally good for medium or poor land and will stand almost any amount of wet weather without injury. We can supply Shinny Peas, Red Rippers, Blackeye Peas and Soja Beans.

Remember Bolgiano's Cow Peas are best—If your local merchant will not supply you with Bolgiano's Cow Peas—Write us direct and we will tell you where you can get them.

FREE—Send us 5c in stamps to pay postage, and mention the name of this paper, and we will send you free a 25c package of "My Maryland Tomato Seed, also our 1911 Catalogue of Seeds and our 1911 Poultry Supply Catalogue.

The Kent County Savings Bank

solicits your deposits on the strength of its past record and present ability to serve you.

The fundamental idea of this Bank and its continuing purpose is to enable you to SAVE and SUCCEED and it welcomes deposits great or small paying the same rate of interest ON ALL and gives you your money when you need it.

We make the welfare of our depositors our object believing our future is best assured by the success of our patrons and yearly have grown more able to serve you.

We are as ready to make loans to our depositors, upon good security, as to accept deposits from them; and have the conveniences of a modern Banking house for your transactions and an experienced and competent clerical force to aid you.

While we court investigation we know that the ablest Bank Examiners the Government can employ are frequently deceived by slick Bank promoters.

BUT MAKE THIS INVESTIGATION:

HAS THE BANK EVER REFUSED TO PAY A DEPOSITOR HIS MONEY WHEN REQUESTED?

OR DID IT DODGE BEHIND A CERTIFICATE OF DEPOSIT AS AN EXCUSE FOR ITS FAILURE TO ALLOW ITS DEPOSITORS THE USE OF THEIR OWN MONEY?

THIS investigation any depositor is able to make and when made we are satisfied you will deposit with a Bank like the KENT COUNTY SAVINGS BANK that, since the day it opened its doors NEVER FAILED TO PAY ITS DEPOSITORS THEIR MONEY WHEN CALLED FOR REGARDLESS OF THE RATE OF INTEREST PAID OR THE MANNER IN WHICH DEPOSITED.

The Reserve funds of this Bank are carried in 3 of the strongest banks in America, whose combined resources of over 150 million dollars assure our ability to meet the legitimate wants of our depositors at ANY TIME FOR ANY AMOUNT.

We believe in and live up to our motto, "Safety Beyond All Else."

WELCOME BACK TO KENT

Has The Paper Mill Been Sold To Philadelphia Parties And Will Mr. Quantz Be Made Manager?

About two months ago Mr. Fred. W. Quantz, of Vincennes Mill, and a former manager of the Chestertown Strawboard Mill, accompanied by a Philadelphian, visited this town and the mill here. Shortly afterwards Mr. C. M. Clay, manager of this mill, was called away and does not know how long he will remain.

The next link in the chain is the following article from a Vincennes, Ind., paper:

"After five years as manager of the Empire Paper Company, F. W. Quantz has tendered his resignation to that company to become effective April 17. Mr. Quantz will then go to his home at Winchester, Va., where he will remain for a time. The name of Mr. Quantz's successor has not yet been announced by the company.

Mr. Quantz, when asked for a reason for his resignation this morning, stated he had nothing to make public but that he had a number of good openings in consideration, one of which he might accept.

During the time Mr. Quantz has held his position the business of the company has been well conducted. No trouble has marred the peaceable workings of the plant and it is with regret that many Vincennes people see him leave the city."

Will Mr. Quantz come to Kent? Has a Philadelphia box-board concern, represented by the stranger who visited this mill, bought the Chestertown plant?

A Great Cow.—The NEWS received the following concerning a great cow with a splendid photo of the cow:

One year ago Mr. J. W. Skirven bought this cow and brought her to Baltimore and sold her to Edward Heinz, a prominent butcher and live stock dealer of that city who in turn sold her to Chas. Sachs, the leading dairyman of Baltimore, who fed her until the present time when he sold her to Edward Heinz, who slaughtered and sold her to the firms of A. Casey & Co. and J. R. Lewis, butchers of Rock Hall, Md., where the beef will be on sale March 24th, 1911. When this cow went in Mr. Sachs stable she weighed 900 pounds but the day she was slaughtered she weighed 1300 pounds and dressed 780 pounds. Inside of her she had 110 pounds of fat.

CHESTERTOWN building lots are in demand. Beck & Ivens will have rare bargains in lots. Look out for their adv. next week.

THE skating rink of Davis & Satterfield, Chestertown, will be open on Saturdays and Wednesdays.

The argument in the Woodall case were heard yesterday in Chestertown before Judges Pearce, Adkins and Hopper.
