The Reason Why

We Sell More

Building Materials of all Kinds

Lumber and Mill Work

Than Our Competitors

Is Because We Undersell Them

Our Prices are always less than the other fellow wants for the same goods. If you don't believe it, ask us for a price on something. We are after the business, and to get it we will give prices that can't be beat. Don't be misled on **Quality** and **Grading.** You know there's a difference, but you can't always detect it. The unscrupulous dealer knows this and takes advantage of your inexperience by giving you lower grade than you pay for. Our **Quality** is absolutely guaranteed. Our **Grading** is standard among the thousands **Who Know. Send Us An Inquiry To-day.**

We're out to undersell the other fellow and save you money—and we do it.

Kent News $1.00 Per Year In Advance

Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or disease of the organs distinctly feminine. Such sickness can be cured—is cured every day by

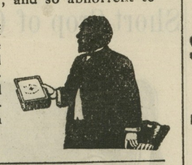

Dr. Pierce's Favorite Prescription

It Makes Weak Women Strong, Sick Women Well.

It acts directly on the organs affected and is at the same time a general restorative tonic for the whole system. It cures female complaint right in the privacy of home. It makes unnecessary the disagreeable questioning, examinations and local treatment so universally insisted upon by doctors, and so abhorrent to every modest woman.

We shall not particularize here as to the symptoms of those peculiar affections incident to women, but those wanting full information as to their symptoms and means of positive cure are referred to the People's Common Sense Medical Adviser—1008 pages, newly revised and up-to-date Edition, sent *free* on receipt of 21 one-cent stamps to cover cost of mailing *only;* or, in cloth binding for 31 stamps.

Address Dr. R. V. Pierce, Buffalo, N. Y.

THE POPULATION OF MARYLAND

Census Director Durand Announces Figures in Detail.

SHOWS GAINS AND LOSSES

Population of Minor Civil Divisions and Incorporated Places Compared With 1900—Total Number of Persons In State Is 1,295,346, a Gain of 107,302 Over 1900.

Detailed population statistics for the state of Maryland has been completed by the census bureau at Washington, and Director Durand reports the total population of the state in 1910 as 1,295,346, as compared with 1,188,044 in 1900, a gain of 107,302.

Of the cities Baltimore shows a gain during the decade of nearly 50,000, and Cumberland, the second city of the state, has a population of 21,839, against 17,128 in 1900. Hagerstown increased nearly 3000, from 13,591 in 1900 to 16,507 in 1910.

Nearly all the counties show increases over 1900, especially those known as industrial centers. The few decreases in population are mostly in the agricultural counties.

Baltimore county shows the largest increase, over 32,000, with Allegany county next, with a gain of nearly 9000. Queen Anne county shows the largest decrease, dropping from 18,364 in 1900 to 16,839 in 1910.

The detailed population is as follows:

Minor Civil Divisions.

The population of the minor civil divisions for 1910 and 1900 is as follows:
