EASTER WEDDINGS.

A pretty home wedding was solemnized Saturday at noon in Kennedyville at the residence of Mrs. Augusta Hessner. The contracting parties were Miss Emma L. Hessner, the popular and accomplished daughter of Mrs Hessner, and Mr. Milton Elwood Baker, a well-known business man of Chestertown. The home was beautifully decorated with wreaths of evergreen and chrysanthemums while an arch of the 'mums ornamented one corner of the parlor. It was here that the impressive Presbyterian service was used by Rev. F. D. Reynold's of Dover, Del., in uniting the couple. During the ceremony Mrs. Rachel Hill rendered skilfully sweet music on the piano.

The bride was tastefully dressed in white messaline, trimmed in a garniture of pearls and carried a large bouquet of brides roses. The bride's going-away dress was a grey tailor-made traveling suit. The couple left on the afternoon train for a short trip North. Upon their return they will occupy their new home on High street. The presents were useful and handsome. A splendid wedding breakfast was served.

Among those present were the following:

TOWNSEND—CREW.

A very pretty wedding took place on Wednesday night April 5 at Chesterville, when Miss Grace Crew became the bride of Mr. Ernest Townsend. The bride was dressed in a very pretty suit of blue. They had many useful presents.

FOX—BARNETT.

The cosy home of Mrs. Henry S. Barnett, on Kent Circle, was the scene of a pretty wedding at noon Saturday. The bride was Miss Ada C. Barnett, the only daughter of Mrs. Henry S. Barnett, the groom being Mr. Clarence C. Fox, mate on the B. S. Ford. The home was a model of neatness and taste with potted blooming plants arranged artistically here and there. The bride wore a dress of gold-colored messaline with heliotrope marquisette over-dress, with gold heliotrope trimmings, and carried a shower bouquet of Bride's roses and fern. Her going-away dress was of light grey broadcloth, coat suit, with hat and gloves to match.

Miss Blanche Carshee, of Baltimore, a cousin of the bride, was bridesmaid and was charmingly attired in light blue marquisette over-dress with pearl trimmings and carried a bouquet of pink carnations. The groom was attired in conventional black. His best man was his brother, Mr. Frank Fox. Miss Clara Usilton played the wedding march and also during the ceremony which was performed by Dr. F. T. Little. Among those present out of town were the following:

Mr. Frank Fox, Miss Nellie Crusey, Mr. and Mrs. Mason, Mrs. George Charshee, Mr. Edward Speake, Miss Florence Green, Miss Grace Steward, Mrs. Emma Steward and Mr. Charles McWhorter all of Baltimore. Mr. Harry Hodgkins, Wilmington.

After the wedding a splendid breakfast was served. The bride and groom spent the week at Atlantic City and upon their return will make their home on Kent Circle. For the present they will rsside in Baltimore. The presents included a handsome rocker from the steamboat friends of the groom, besides dining-room table, cut glass, pictures, etc. from other friends.

MR. WALTER E. HILL MARRIED

Two well-known Baltimoreans, Fire Chief George W. Horton and Mr. G. Herbert Rice, a member of the Baltimore County School Board, figured in a wedding that took place on Tuesday in Philadelphia, when Mr. Walter E. Hill, of Walter E. Hill & Co., 203 N. Liberty street, and Miss Mary I. Share, daughter of Mr. and Mrs. Albert Share, 1425 East Eager street, were married.

Mr. Hill and his intended bride left Baltimore Tuesday morning for Philadelphia. There they were met by Chief Horton, who had run up from Atlantic City, where he was spending the Easter holidays. The Chief had already procured the license and accompanied by the prospective bride and groom and Mr. Rice, they called at the parsonage of Stephens' Episcopal Church.

The couple were married by the rector, Rev. Dr. Carl E. Grammar, son of the late Rev. Dr. Julius E. Grammer, of Baltimore.

After the ceremony Mr. and Mrs. Hill left for a wedding trip. Mr. Hill is a son of Capt. and Mrs. Daniel Hill, of Kent.

BUSY DAYS AT TOLCHESTER.

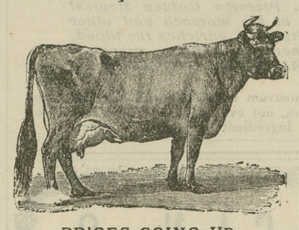

These are busy days at Tolchester Beach. A large number of workmen are engaged in cleaning up and beautifying the grounds. The wharf and sea wall are being repaired and many new bathhouses are in course of construction. The amusement features are also being painted and improved with a view to the safety and pleasure of the patrons.

A new arch is being built at the shore end of the wharf, and the entrance will be changed and beautified. An ornamental tower is being erected on the end of the pier, which will be used as a lighthouse to help direct the steamers. Many other changes are being made to beautify the grounds and to make Tolchester more attractive this year than ever before.

Renovation work on the steamer Louise is being rushed, so she will be in good trim about May 27.

A 106 Pound Calf.—Mr. Harry M. Toulson, of Worton, has a Holstein cow that gave birth last week to a calf that weighed 106 pounds. Mr. Wm. Pinder assisted Mr. Toulson in weighing the calf. Who can beat this?

Short Crop of Cow Peas

PRICES GOING UP

The enormous demand for Cow Peas last year carried the price very high, and as the crop is very short and the acreage is rapidly extending there are many indications which point to much higher prices as the sowing season approaches.

Whip-Poor-Will Cow Peas.

The Whip-Poor-Wills are generally prepared in the Central and Southern States. They are bush form, early maturing and especially desirable for Peas.

New Era Cow Peas.

New Era's are a little earlier and make more vine than the Whip-Poor Wills.

Wonderfuls, Clay and Mixed Cow Peas.

For hay. The Wonderfuls or the Mixed Cow Peas are more productive, they should always be planted with an occasional grain of corn, sorgum Seed, Kaffir Corn, etc., which will prevent the vines from getting damaged by coming in contact with the ground.

Black Cow Peas

Black Cow Peas are a little later in maturing than Clays, they make a good growth of vine, are exceptionally good for medium or poor land and will stand almost any amount of wet weather without injury. We can supply Shinny Peas, Red Rippers, Blackeye Peas and Soja Beans.

Remember Bolgiano's Cow Peas are best—If your local merchant will not supply you with Bolgiano's Cow Peas—Write us direct and we will tell you where you can get them.

FREE—Send us 5c in stamps to pay postage, and mention the name of this paper, and we will send you free a 25c package of "My Maryland Tomato Seed, also our 1911 Catalogue of Seeds and our 1911 Poultry Supply Catalogue.

A FRIGHTFUL ACCIDENT

Caught Between Teeth of Disc Harrow and Broke Leg and Ankle.

Mr. Wm. S. Dill, tenant on the Waters farm near Blacks Station, has been ploughing and working his ground by means of a traction engine. Monday while at work with a disc harrow and a double harrow jumped from the engine while it was running and went back to let the discs down deeper in ground. In walking from one part of harrow frame to the other, he slipped! There was no one near but while holding on to castings he called loudly for help. Each foot of ground covered was additional pain to him until exhausted he fell back expecting to be ground to pieces. A boy fortunately heard his cries, ran to the engine and stopped it and rescued him. His leg and ankle were broken and in a few minutes his body would have reached the knives. He was carried to the house a doctor called and he is now doing as well as can be expected.

Mr. Sam Maslin on Saturday fell from his wagon behind a pair of mules and broke one or more ribs. He is doing as well as can be expected.

BIG SHAD SEASON

The catch of shad in Kent waters has been the best for ten years. There were 66 boxes of shad shipped from Tolchester last Saturday, one pair of which weighed *seventeen pounds!*

One fisherman, who operates a large pound net, caught over 2,000 shad and about fivs tons of herring Monday. Another one caught 4,700 shad and the greatest quantity of herring. The past few days of spring-like weather has induced the shad and herring to seek the headwaters of the bay, where they come to spawn, with the result that vast schools are now swimming in that direction.
