Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

$7000 IN HER STOCKING.

At an adjourned meeting in the involuntary bankruptcy proceedings of Hiram Wise, trading under the name of the Easton Coal and Lumber Company, it was discovered that Wise had disappeared His liabilities are $25,000 and the visible assets $500 worth of lumber. Mrs. Wise was sent for and questioned about certain financial transactions with her husband, and was compelled to admit that she had $7000 in cash. Ordered to produce, she resisted the demand, but finally drew seven $1000 bills from her stocking.

A SAD ACCIDENT.

John T. White, of Chestertown, was taken with an epileptic fit Thursday afternoon, about 3.15 o'clock, while up the electric light pole at the entrance to the plant of the Queenstown Electric Light and Power Company. There was no one near him at the time but Alexander Godwin saw him while standing in front of his store and gave the alarm. The man was caught to the top of the pole by his heavy leather belt. A ladder was obtained and Clifton Chaires ascended it and passed a leading-line around Mr. White's body and over the cross-beam and several willing hands below, lowered him carefully to the ground. He was carried in front of Bryan & Sparks' store where he was found to be still alive and attended by Dr. W. W. Chaires and then removed to the Hotel Central where he recovered consciousness in about a-half hour. He returned to work Thursday morning.

He bit his tongue quite badly when first attacked with the fit and the belt hurt his back quite badly.—*Queenstown News.*

KENNEDYVILLE NOTES

The Presbyterian Church of our village, was opened Sunday afternoon for preaching service after being closed for a couple or more years.

Mrs. Joseph H. Weer is with her mother in Galena, Mrs Hayes, who has been quite ill for a week or more.

Last Monday evening another dozen or more names were proposed for membership in the Kennedyville Grange. Certainly this organization in this community is successfully forging ahead in a most marvelous manner. The order meets in Weer's Hall every Monday evening.

Last Friday evening a large delegation of the members and friends of the Methodist Protestant Church were at the R. R. Station to meet, greet and welcome back to the Charge Rev. and Mrs. F. H. Mullineaux, on their return from the late Maryland Annual Conference held in Federalsburg, Md. A much larger company had gathered in the hall above named to give to the pastor and wife a most beautifully and harty reception, with table of good things bountifully prepared when all present partook of supper. Many more would have been present but for the very inclement weather. A most delightful social time was spent, followed by a large meeting of the Ladies' Aid Society, when a great deal of interesting and enterprising business was transacted in the interest of Church work. The president, Mrs. J. W. Urie, by unanimous vote, was asked to appoint a committee of ten or twelve of the ladies to make further arrangements for the purchasing of new carpet for the church. The special committee, the names of which were read in Sunday morning church service, is to hold its first meeting at the home of the president next Saturday evening at 7.30 o'clock. Mr. Wm. T. Hague, delegate, read an interesting report of the proceedings of the late M. P. Conference.

It is expected that the State Road builders will resume their work between Kennedyville and Chestertown, and between the former named place and Locust Grove in a very few days, as the weather is now favorable.

A special service, in the interest of the Grangers will be held in the Methodist Protestant Church of Sunday morning, May 7th at 10.30 o'clock, when the pastor will deliver an address to the members who will turn out in a body, wearing their badges of office. A splendid donation was made pastor and wife, in the hall Friday evening at the close of the Aid Society business, for which they expressed sincere appreciation to their good and loyal people. In the Easter Sunday morning service Mr. Mullineaux expressed himself as being very happy in his work, and hoped that this would be the best year in all its history for the Kennedyville M. P. Church. He called upon all for co-operation and help.

Church Services, M. P. Church, for April 23rd. Sunday School at 9.30 a. m. Sermon by the pastor at 10.30. Subject, The Outlook for the New Conference year. The Field and the Workers.

2 30 p. m. Junior Service, Mrs. L. A. Pennington, Superintendent, Topic, "Moses Called to God's Service." Talk to the children by the pastor, from "The Royal Scroll," or "Pen Pictures from Genesis to Revelation," through the eye to the heart.

Evening service beginning at 7.30 o'clock. All most cordially invited.

William Clendaniel, Harry Hill and Miss Ada Hurlock, students of Western Maryland College are at home spending the Easter Holidays. All three were at Church service Sunday morning. They returned to the College on Tuesday. All are in good health and looking well.

TO OUST SUPERINTENDENTS.

The Laymen's Association of the New York Conference of the Methodist Episcopal Church, which was recently in session in New York City, decided to have a petition for important changes in the administrative system of the church placed before the laymen's associations all over the country. The laymen want the office of presidlng elders abolished, and propose to have the petition sent from all laymen's associations to the General Conference to be held at Minneapolis in May, 1912. Many here think the move is a good one, but should have careful consideration. They are the "Powers that be;" that is they suggest certain men for certain appointments months previous to the conveying of their conference. The bishop is more or less guided by the presiding elders, and when the "elders" get their heads together to have a minister removed, you can rest assured that you will lose your preacher. The church has long since cut out the limitation clause, and the next move is said to be to oust out the presiding elders from services.

Before Allowing an Operation

Please Read These Two Letters.

The following letter from Mrs. Orville Rock will prove how unwise it is for women to submit to the dangers of a surgical operation when it may be avoided by taking Lydia E. Pinkham's Vegetable Compound. **She was four weeks in the hospital and came home suffering worse than before.** Then after all that suffering Lydia E. Pinkham's Vegetable Compound restored her health.

HERE IS HER OWN STATEMENT.

Paw Paw, Mich.—"Two years ago I suffered very severely with a displacement—I could not be on my feet for a long time. My physician treated me for several months without much relief, and at last sent me to Ann Arbor for an operation. I was there four weeks and came home suffering worse than before. My mother advised me to try Lydia E. Pinkham's Vegetable Compound, and I did. To-day I am well and strong and do all my own housework. I owe my health to Lydia E. Pinkham's Vegetable Compound and advise every woman who is afflicted with any female complaint to try it."—Mrs. Orville Rock, R. R. No. 5, Paw Paw, Mich.

"There never was a worse case."

Rockport, Ind.—"There never was a worse case of woman's ills than mine, and I cannot begin to tell you what I suffered. For over two years I was not able to do anything. I was in bed for a month and the doctor said nothing but an operation would cure me. My father suggested Lydia E. Pinkham's Vegetable Compound; so to please him I took it, and I improved wonderfully, so I am able to travel, ride horseback, take long rides and never feel any ill effects from it. I can only ask other suffering women to give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation."—Mrs. Margaret Meredith, R. F. D. No. 3, Rockport, Ind.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.
