Special Notice to Ladies

Our large purchase of Ladies' Suits for this season are now completed and the final lots have arrived, and are ready for selling. These Suits are just what you are looking for. Our strong argument is that you get them just a "little cheaper" than elsewhere. These specials should sell at sight.

Prettiest Wash Fabrics

We say prettiest, for surely there never were any prettier Wash Fabrics than these we are showing. Organdies, Dimities, Batistes, French Ginghams, Lawns and Voiles crowd each other for room, and when you consider that the prices are so very low the goods become very tempting.

Embroideries : An Endless Variety

There are All-Overs, Edgings and Insertions—baby width, medium widths and flounce widths. Patterns from a fraction of an inch to a half yard, with unusually liberal margins. The designs are beautiful, artistic and diversified. Neat exquisite effects for baby clothes and women's lingerie, dainty styles for trimming waists and showy elaborate combinations for flounces and ruffles.
