It Has Stood THE TEST

¶ This Financial Institution has stood the test of an extensive and thorough experience of seventeen years, and during that time has steadily advanced in reputation, grown in substance and increased in usefulness.

¶ It was the first Bank in Kent County ever known to pay interest on deposits, and is NOW one of the Best Banking Institutions in the State of Maryland, and is thoroughly worthy of your fullest trust and favor. Its motto is, "SAFETY BEYOND ALL ELSE."

THE CHESTERTOWN BANK OF MARYLAND

CHESTERTOWN And GALENA, MD.

A BANK is usually what the men back of it make it. Its strength depends largely upon their experience, judgment and responsibility; its growth upon the time, thought and effort they devote to its interest.

The Directors of this bank are deeply interested in the stability and progress of the institution, and keep in constant touch with every detail of its affairs.

There is no better proof of the splendid results of such able management than our steady development.

The sworn statement recently published shows we have SURPLUS AND UNDIVIDED PROFITS OF $44,791.44, which is more than any bank in the county can show, and is the most convincing evidence of sound and conservative management.

We have been selected as one of the depositories for the State Treasurer, and now have on deposit money belonging to the State of Maryland.

We extend a most cordial invitation to you to give us your business.

Be it large or small it will receive the same attention.

Short Crop of Cow Peas

PRICES GOING UP

The enormous demand for Cow Peas last year carried the price very high, and as the crop is very short and the acreage is rapidly extending there are many indications which point to much higher prices as the sowing season approaches.

Whip-Poor-Will Cow Peas.

The Whip-Poor-Wills are generally prepared in the Central and Southern States. They are bush form, early maturing and especially desirable for Peas.

New Era Cow Peas.

New Era's are a little earlier and make more vine than the Whip-Poor Wills.

Wonderfuls, Clay and Mixed Cow Peas.

For hay. The Wonderfuls or the Mixed Cow Peas are more productive, they should always be planted with an occasional grain of corn, sorgum Seed, Kaffir Corn, etc., which will prevent the vines from getting damaged by coming in contact with the ground.

Black Cow Peas

Black Cow Peas are a little later in maturing than Clays, they make a good growth of vine, are exceptionally good for medium or poor land and will stand almost any amount of wet weather without injury. We can supply Shinny Peas, Red Rippers, Blackeye Peas and Soja Beans.

Remember Bolgiano's Cow Peas are best—If your local merchant will not supply you with Bolgiano's Cow Peas—Write us direct and we will tell you where you can get them.

FREE—Send us 5c in stamps to pay postage, and mention the name of this paper, and we will send you free a 25c package of "My Maryland Tomato Seed, also our 1911 Catalogue of Seeds and our 1911 Poultry Supply Catalogue.

MUNICIPAL NOTES.

Election of Town Commissioner — Gas Plant Franchise Granted—Improvements Planned.

The election of town commissioner Monday was a quiet affair, a friendly contest being waged between the present incumbent, Mr. Wm. S. Carroll, and Mr. Stewart R. Matthews, both Republicans. Mr. Matthews made a most excellent showing the vote being 126 for Carroll and 97 for Matthews. Mr. Carroll has been in the Board for six years and his experience is worth a great deal. He is honest and conscientious in all his acts and tries to please the taxpayers.

In another column will be found the report of the town commissioners which shows every item of expense. The amount of money required for various purposes will be a revelation.

The commissioners will meet next Monday evening and organize by electing President, clerk and attorney. These officials today are, Messrs. Wm. T. Duyer, Thomas S. Bordley and Lewin W. Wickes respectively.

A gas franchise was granted Monday to Merrett Pharo and Louis Rafetto, of Philadelphia, and they deposited $500 as a guarantee that they would begin work within four months and spend at least $2,000 within that time. They state that work will be commenced here at once so that work on our new streets will not be interferred with.

A new cement walk will replace the old brick pavement on the side of the street between Sparks' store and Kirby's corner. This will be a great improvement.

THE County Commissioners of Kent and Queen Anne's on Thursday awarded the contract for 30,000 feet of lumber, piles, etc., for repairing Chester river bridge to Mr. Thos. N. Meginniss and the work to Mr. Frank Duyer and Bros. Mr. Meginniss will bring the lumber here on wagons attached to traction engine, bringing 5,000 feet at a load.

THE Hon. James Alfred Pearce has named as auditors for Kent county Messrs. E. W. Hepbron, Henry Brown and Thomas G. Wroth. It is the custom to appoint a new man every three years, and Mr. Wroth was named to succeed Mr. E. Thos. Massey. The new appointee will make an efficient officer.
